Screening of PBS Documentary “DARK MONEY” and Campaign Finance Reform Discussion

Learn about one of the greatest current threats to American democracy

October 12, 2018—ROSELLE, Illinois—The League of Women Voters Roselle/Bloomingtondale will present a screening of the PBS documentary “DARK MONEY,” an award winning political thriller on Tuesday, November 13th at 7:00 pm at the Roselle Fire Department located at 100 E. Maple in Roselle. The documentary will be followed a discussion on campaign finance reform.

“DARK MONEY” examines one of the greatest current threats to American democracy: the influence of untraceable corporate money on our elections and elected officials. The film takes viewers to Montana—a frontline in the fight to preserve fair elections nationwide—to follow an intrepid local journalist working to expose the real-life impact of the US Supreme Court’s Citizens United decision. Through this gripping story, “DARK MONEY” uncovers the shocking and vital truth of how American elections are bought and sold.

Voters are bombarded by mailers and TV commercials during every election season. “DARK MONEY” will help explain who actually pays for this expensive political advertising. This League community event is free and open to the public.
