Changes in voting procedures **effective with the April 28, 2020** **Primary Election and important** **options voters need to know.**

Previously, County Board of Elections accepted
applications for voting registration if postmarked
by the deadline. That is no longer allowed.

Applicants must either return their
application in person or it must be received in
the mail by the County Board of Election in
Doylestown by the deadline. You may now
vote by mail-in ballot, unless you qualify as an
absentee voter, in which case you must vote by
absentee ballot. **You do not need to provide a**
reason or excuse if you want to use a mail-in
ballot. You can apply for a mail-in or absentee
ballot **IN PERSON** at the Bucks County Board
of Elections, 55 E. Court St., Doylestown and
ask to have it processed immediately and receive
a ballot on the spot. **At that time, election**
officials must provide an opportunity
for the voter to vote in private. The voted ballot
can then be left with the Board of Elections.
