US Congressional Representative  
Michigan Supreme Court  
Michigan Court of Appeals  
Governing Boards of Michigan Universities

The League of Women Voters of Washtenaw County is a nonpartisan organization established in 1920 in Ann Arbor, MI. The League works to encourage citizen participation in government. It never supports or opposes any political party or candidate.

Publication of these statements and opinions of candidates is solely in the interest of public service and in no way is to be construed as an endorsement by the League of Women Voters. The League takes no responsibility for any views or facts stated by the candidates. Each question is limited to 1000 characters, and there has been no editing on the part of the League for spelling or grammar. All responses are solely in the words of the candidates. The work of the League is financed by the dues of its volunteer members and by contributions from citizens in the community.

Membership in the League of Women Voters of Washtenaw County is open to all citizens 16 years and older. For information about joining or contributing to the League, or information about elections, contact the League of Women Voters of Washtenaw County at: P.O. Box 3832, Ann Arbor, MI, 48106 or website: [lwwwashtenaw.org](http://lwwwashtenaw.org).

**State Representative – Michigan House District #23**  
(Washtenaw County)

VOTE FOR 1

<b>CANDIDATES</b>  <i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for responses to additional questions)</i>	What should Michigan do to provide an equitable, quality public education for all while addressing the current teacher shortage.	What do you see as the state’s role, if any, in mitigating the impact of climate change?	What actions/proposals, if any, do you support to retain residents in our state?
<b>David Stamp (Rep)</b>  Education/Qualifications / Experience:	DID NOT RESPOND	DID NOT RESPOND	DID NOT RESPOND
<b>Jason Morgan (Dem)</b>  Campaign Website: votejasonmorgan.com  Education/Qualifications / Experience:  I am running for re-election as your State Representative because I want to continue building a Michigan that works for everyone. My focus is on passing more pro-worker, pro-choice, and pro-people legislation. I am committed to improving our education system, protecting our environment, holding corporate polluters accountable, investing in infrastructure, and strengthening our democracy. Since taking office, we’ve passed transformational legislation to expand civil rights protections for our LGBTQ community, ensure reproductive freedom, restore labor rights, and create economic opportunities for all. Let’s keep the momentum going, together!	As a former teacher and current vice chair of the House K-12 and higher education budget committees, I hold a deep commitment to ensuring equitable, quality public education for all. I have helped pass legislation to improve working conditions for teachers and strengthen public education for our students. This includes restoring collective bargaining rights, increasing teacher compensation and investing in mental health, school safety, special education, and early intervention programs. We’re also helping families save by making college more affordable and providing free breakfast and lunch for all students.	The state must play an active role in mitigating the impact of climate change. Last year, I helped pass the Clean Energy & Jobs Act, a historic package of clean energy legislation that will require Michigan’s energy to come from 60% renewable sources by 2035, expand access to rooftop solar, and authorize the Michigan Public Service Commission to regulate big energy utility companies on a broader array of issues impacting residents. Additionally, I introduced Michigan’s “Polluter Pay” package to hold corporate polluters accountable for environmental contamination and help those harmed by pollution to seek justice.	Retaining and attracting residents is crucial for Michigan’s growth and prosperity. I introduced a comprehensive set of legislation to implement the recommendations of Governor Whitmer’s Growing Michigan Together Council, which focus on creating a more vibrant, inclusive, and prosperous Michigan. Here are some key actions that I am working to implement: Investing in education and strategic economic development, building more housing, creating a statewide public transit system, improving access to quality healthcare, and protecting our state’s natural resources. These actions will create good paying jobs and attract talent to our great state!

<p><b>Morgan Foreman (Dem)</b></p> <p><b>Campaign Website:</b> forwardwithforeman.com</p> <p><b>Education/Qualifications / Experience:</b></p> <p>I'm running for state legislature to continue my commitment to service and advocacy. Growing up in Southeast Michigan, inspired by my community, I learned the values of hard work and giving back. As an educator in Ypsilanti Schools and MEA member, I saw the transformative power of education. At the Student Advocacy Center, I empowered residents through nonpartisan Get Out the Vote efforts. Serving on the Washtenaw County Democratic Party Committee and former Treasurer of its Black Caucus, Working as a legislative staffer I championed critical issues. I aim to fight for healthcare, education, senior care and representing my community's voices</p>	<p>To ensure equitable, quality public education and address teacher shortages in Michigan, the state should increase teacher salaries and benefits, provide incentives for hard-to-staff areas, and expand alternative certification pathways. Long-term strategies include investing in teacher education programs, offering robust mentorship and professional development, improving working conditions, and fostering community and parental engagement. Policy changes should focus on equitable funding distribution, reducing reliance on local property taxes, and advocating for supportive legislation to improve teacher retention and student outcomes.</p>	<p>The state's role in mitigating climate change involves implementing policies to reduce emissions, promote sustainability, and prepare for climate impacts. Key actions include enforcing regulations on emissions, supporting renewable energy development, and investing in public transportation and green infrastructure. The state should incentivize energy-efficient buildings and sustainable urban planning, raise public awareness, and encourage carbon footprint reduction. Collaborating with local governments and businesses, developing climate action plans, and investing in resilient infrastructure are also crucial. Michigan can lead in this space.</p>	<p>To attract and retain residents in Michigan, the state can focus on key strategies outlined in the Growing Michigan Together Council's report. These include fostering job creation in tech, manufacturing, and green energy sectors, and offering incentives for business expansion. Enhancing education, healthcare, and public safety will improve quality of life, alongside developing affordable housing. Improving transportation and digital infrastructure supports modern living, while promoting community engagement creates vibrant neighborhoods. These efforts aim to make Michigan a desirable place to live, work, and thrive.</p>

<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for responses to additional questions)</i></p>	<p>What should Michigan do to provide an equitable, quality public education for all while addressing the current teacher shortage.</p>	<p>What do you see as the state's role, if any, in mitigating the impact of climate change?</p>	<p>What actions/proposals, if any, do you support to retain residents in our state?</p>
<p><b>Teresa Spiegelberg (Rep)</b></p> <p><b>Campaign Website:</b> taspieg.wixsite.com/staterep</p> <p><b>Education/Qualifications / Experience:</b></p> <p>I am running to see if we can streamline all the regulations that we have. Government should be for the people and not just full of regulations.</p>	<p>I feel we should encourage technical schools and on the job training more than we do.</p>	<p>I feel the state should encourage green, without just moving blindly towards it.</p>	<p>The state needs to encourage growth here in the state to retain residents and bring new people in. Such as not taxing social security.</p>

<p><b>Carrie A. Rheingans (Dem)</b></p> <p><b>Campaign Website:</b> carrierheingans.com</p> <p><b>Education/Qualifications / Experience:</b></p> <p>I am running for reelection because I believe in a Michigan that is welcoming to all and a place where everyone can thrive. My passion and entire career have been in service of advancing issues of equity and focusing on bringing along groups and elevating voices that have historically been left out, such as people of color, indigenous communities, our LGBTQ+ siblings, and working people. My philosophy is to have impacted people in the discussions about how we address the problems facing our society and in crafting the legislation to do so. I'm proud of what I was able to do in Lansing in the last term, but there is so much more to do.</p>	<p>As the mom of a public-school student, and a former teacher at a public university, I know how imperative it is to have robust funding for public education. We've done a lot in the last term to provide for a more equitable education for our kids, but there is still so much to do. No child should be deprived of a quality, public education based on their zip code or their family's income level. We as a state can and must do better. A high-quality public education is the key to everything, and attracting and maintaining our high-quality teachers is what makes that possible. That means higher pay, better benefits, and improved working conditions.</p>	<p>The state must do everything it can to help mitigate the impact of climate change, the existential threat of our time. I support the Governor's plan to achieve economy-wide carbon neutrality by 2050, but even that isn't fast enough. Ann Arbor's A2Zero plan to achieve carbon neutrality by 2030 is the type of aggressive, place-based plan that should be replicated throughout our state. Converting as much of our energy supply to be carbon-neutral and come from renewable sources as quickly as possible is a top priority for me. This will provide us with an opportunity to be a countrywide leader in this field and create tons of good-paying jobs.</p>	<p>There are many actions that we can take to both retain our residents and attract folks to settle in Michigan. If our state can meet our citizens' basic needs and protect their rights to be who they are, love who they love, and have autonomy over their own body, they will be able to focus on other things like taking a risk and starting a new business, pursuing a new hobby, having a child, or just enjoying our state's incredible natural resources. To do that, I support passing single-payer healthcare for ALL, mandatory paid sick and family leave, universal childcare, subsidized eldercare, affordable housing, and a higher minimum wage.</p>

**Washtenaw County Clerk/Register of Deeds**  
(Covers all of Washtenaw County)

VOTE FOR 1

<b>CANDIDATES</b>  (Visit <a href="http://VOTE411.org">VOTE411.org</a> for responses to additional questions)	What are your goals should you be elected and how will you work to accomplish them with currently limited resources?	What thoughts do you have about the current voting procedures?	Are there challenges to ensuring a safe and secure voting process, both in-person and through absentee ballots? What are your recommendations to meet these challenges?
<b>Samantha Strayer (Rep)</b>  <b>Education/Qualifications / Experience:</b>  I have a bachelor's degree in political science from the University of California-Irvine and a master's degree in politics from the Hillsdale College Graduate School of Statesmanship. My education reflects a consistent interest in politics—particularly the cultivation of an informed and engaged citizenry. I am a writer and editor by vocation, which require a high level of precision in meaning, effective communication, and accuracy. My writing is also rooted in respect for the reader, gratitude that someone would take time out of his or her busy life to read something that I have written. Taken together, these experiences fit perfectly with the role of County Clerk/Register of Deeds, who must be precise, accurate, an effective communicator, and wish to serve all residents so that they can be informed and engaged and know what resources and information are available to them.	My goals are first to ensure the integrity of our elections, particularly in our county seat of Ann Arbor, and second to ensure accurate record keeping regarding land ownership. I would like to work with CheckMyVote.org to clean up our county's voter rolls. This will be an ongoing initiative and involves any resident who wishes to participate. Also, I plan to connect with the county's clerks to hear from them what works, what doesn't, and ideas they have. Overall, I wish to provide timely, efficient, and accurate service to our residents. The current website has a lot of great information, so that important infrastructure already exists and is a strong foundation to build upon. I would leverage the existing site and add to it additional resources. I would also modify some of the wording, navigation options, and other aspects of the site, so that it's more intuitive and therefore easier to use and find information.	How we vote is one part of the problem and definitely needs improvement, as it is time consuming, expensive, and, in several respects, needlessly complicated. It is also fraught with (intentional) weaknesses that invite abuse. For example, there is no requirement for any voter to prove s/he is a citizen. This must change (e.g., the SAVE Act).  Early voting further complicates what truly should be a relatively simple process: you show up at your local precinct polling place on Election Day (one day!), show your photo ID to verify you are a registered voter in your precinct, and vote. Mail-in voting is a danger to election integrity.	Absolutely. There are challenges with both mail-in and in-person voting, but the challenges are much greater when there is mass mail-in voting, which is highly vulnerable to fraud and banned in most countries. We need strict rules on signature verification as well as full transparency of the process. We also need strict adherence to following the chain of custody. Additionally, the quality of the voter rolls is a major problem. We in Michigan have much to change in the way we conduct our elections, yes, but it starts with the foundation of accurate data. Michigan has nearly 105% voters! In short, we have dirty voter rolls. This is a problem statewide but especially in Washtenaw. Attempts to clean up the voter rolls are sabotaged by our Secretary of State. Magically, voters who have passed away or moved—even years ago—somehow keep reappearing. It's a mess, and it's a mess by design. Last but not least, we must end our membership with ERIC, the Electronic Registration Information Center.

<p><b>Lawrence Kestenbaum (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <ul style="list-style-type: none"> <li>* I have been county clerk/register for almost 20 years and accomplished a lot.</li> <li>* I have a B.A. in economics, a law degree, and did graduate work in city/regional planning and historic preservation. I have lectured or taught classes at three universities, and I continue to do presentations for service groups and lecture series.</li> <li>* My past election experience included working as a poll worker and as an attorney for candidates in recounts. I have written and lectured on election issues such as voter authentication, tabulation technology, and security.</li> <li>* And, of course, I've been the county's chief election official since 2005.</li> <li>* I was elected to county boards in two counties, served on university, city, and regional planning commissions, and too many other things to list here.</li> <li>* I was one of the pioneers of the World Wide Web. In 1996, I created the Political Graveyard web site (PoliticalGraveyard.com), which made a tremendous amount of U.S. political history available online.</li> </ul>	<ul style="list-style-type: none"> <li>* Every person who comes to our office is treated with courtesy and respect. That is my ongoing commitment.</li> <li>* My team has greatly expanded access to information online, and we're not done yet.</li> <li>* We were the first county in the state to implement electronic death registration, a big savings in time and energy for everyone involved.</li> <li>* I will also continue advocating for voting rights and human rights.</li> <li>* In 2014, when Michigan's gay marriage prohibition was struck down, I opened the office on a Saturday to process marriage licenses for same-sex couples. Three other county clerks followed my lead.</li> <li>* In 2012, the legislature added unconstitutional roadblocks to stop voters from recalling elected officials. I'm in the forefront of those opposing that power grab.</li> <li>* Many states are seeing partisan attacks on voting rights and the election system. Michigan is a flashpoint of this conflict. A county clerk with deep election experience is the best defense.</li> </ul>	<ul style="list-style-type: none"> <li>* Successful ballot proposals in 2018-22 expanded voting rights and access. Implementation of these changes is ongoing, including early voting, automatic registration, pre-registration of 16-year-olds, a permanent absentee list, and routine post-election audits. We still need help from the Legislature to fully realize these things.</li> <li>* In particular, the August primary needs to be earlier, ideally in May, for better voter turnout, and to assure enough time for recounts and post-election random-precinct audits.</li> <li>* Michigan asks a LOT of our voters. Each of us gets to vote on nearly 100 different offices, from president to library board, from Court of Appeals to Probate Judge.</li> <li>* With the decline of media coverage of local government, an increasing proportion of voters prefer to vote at home, with access to resources to look up candidates and issues.</li> <li>* In the long run, I expect Michigan will have a mostly or fully mail-in voting system, like Oregon or Colorado.</li> </ul>	<ul style="list-style-type: none"> <li>* Michigan election law protects the integrity and security of the process. And the right to a secret ballot is now explicitly protected in the state constitution.</li> <li>* In a voting precinct or absentee counting board, every sensitive task is performed by two poll workers of different partisanship, working together.</li> <li>* The absentee ballot process, in particular, is structured to protect the anonymity of ballots.</li> <li>* Our automatic tabulators are regularly tested and audited (before and after every election) to verify that they report votes accurately. Ballots are also kept for 22 months after every federal election, so that anyone can count and compare them to the reported totals.</li> <li>* Voter intimidation is illegal, and our poll workers, our local clerks, and our police agencies are alert to intervene if it happens.</li> <li>* Prop 2 of 2022, among many other things, mandated secure drop boxes for absentee ballots.</li> <li>* I am confident that our voting process is safe and secure.</li> </ul>

**Washtenaw County Treasurer**  
(Covers all of Washtenaw County)

VOTE FOR 1

<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with currently limited resources?</p>	<p>What are your thoughts about the current tax system in Washtenaw County?</p>	<p>What are your thoughts regarding the level of customer service provided?</p>
<p><b>Robert F. Zimmerman (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>This is a financial position and my career has demonstrated Proven Financial Leadership for 35 +years.</p>	<p>I approach each assignment with a goal of continuous innovation. I'm oriented to "out-collaborate everyone else", to help my employers compete. Creating and tracking benchmarks indicating where additional value is created (as well as identifying where we have work to do) is key. I'd like</p>	<p>The county's tax structure is largely driven by the state with a very limited voice for county treasurers. We no longer have a structure that grows our economy for the working classes. Sales taxes and income taxes are a manageable process and</p>	<p>Most of the public interface is with our local townships and city treasurers as the first point of contact. Only items such as dog licenses are handled by the county treasurer's office as a "retail" service. The office would engage the public when taxes are not paid to the cities and</p>

<p>My educational background is a Bachelor of Science in Economics and Business from Carnegie-Mellon University and a Masters in Business Administration with majors in Accounting and Finance. I've passed the CPA Exam. My audit experience includes a "Big Four" CPA firm and internal audit roles in management responsibilities for two Fortune 200 firms. I'm very knowledgeable of financial statements and what they represent regarding the operating performance of an organization.</p> <p>Moreover, my professional experience in financial operations includes roles and responsibilities as a CFO for 17 years in the steel industry, Director-Finance for an international automotive supplier, Division and Operations Controller for 3 Fortune 200 manufacturers. My CFO tenure included Pension committee membership and determining fund selections for the 401-k plan.</p>	<p>to enhance current efforts in the following ways: Working with our cities and townships to "get ahead" of potential opportunities and problems by digging into delinquent tax payments. The county perpetually has a credit line of over \$20M to cover delinquencies, now far more costly with increased interest rates. The cost to the county to administer foreclosures is \$1M, benefiting no one. I'd like to work with our city &amp; township treasurers to provide incentives to encourage more timely payment, address those taxpayers with cash flow issues, and help get vacant properties filled towards their highest and best purpose. This can help keep our values strong and ensure "Main Street" thrives for all.</p>	<p>can be compared to competing states. Property Taxes have become convoluted, particularly in Washtenaw as so much property is held by non-profits. Our taxes for similar housing and commercial properties are rarely competitive with other counties. A county commissioner noted it's difficult for those making \$60k to afford to live in Washtenaw. Many will locate in adjacent counties, spurring growth there rather than here. For those not desiring growth in our county, their property taxes will still increase as the pool of property taxpayers is comparatively low. We are looking at up to 7 county millages on the ballot this year. I'd like to see a cap on property tax rates and assessments that cannot be exceeded or overridden.</p>	<p>townships by the deadline. This can be a stressful situation to property owners that may already be very stressed. Accordingly, it's tough to get a good read when the customer can be in an emotional situation. The office has undertaken educational opportunities available to those caught in this situation. I'm hearing the program is well received. It does suggest potential enhancements to financial education throughout the county. This could help our residents not only in stressful situations, but to get better financial footing before these events happen. As many mental health &amp; domestic violence situations result from financial issues, perhaps a program to better train our social workers would help.</p>
<p><b>Latitia Lamelle Sharp (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I am proud to hold degrees from Ypsilanti High School, Washtenaw Community College, and Eastern Michigan University. These educational institutions have provided me with a strong foundation across various fields, enabling me to contribute effectively to Washtenaw County governance for over 35 years. In my extensive career, I have actively participated in county operations, gaining valuable insights into grant management, procurement, financial analysis, accounting, and human resources. My commitment to financial best practices is evident through my membership in the Government Finance Officers Association (GFOA) and the National Grant Management Association (NGMA). My primary qualification lies in my dedication to bringing a fresh perspective to the role of County Treasurer. I aim to build upon the retiring treasurers' work while emphasizing transparency, taxpayer safeguards, and community-centered programs. A vote for me is a vote for a Treasurer who prioritizes the people.</p>	<p>My goals will focus on five key priority pillars that address the essential responsibilities of the position. These pillars form a robust framework, emphasizing community well-being, responsible management of public funds, and financial integrity:</p> <ol style="list-style-type: none"> <li><b>Safeguard Public Funds:</b> Ensure the safety of public funds, protect county assets, and adhere to ethical standards.</li> <li><b>Property Tax Collection Effectiveness:</b> Optimize tax collection processes to safeguard public funds and support essential services.</li> <li><b>Homeownership Preservation Programs:</b> Enhance existing programs to prevent foreclosures and promote homeownership, benefiting the community.</li> <li><b>Community Partnerships:</b> Foster collaborations with local organizations, businesses, and neighborhood associations to drive community investment and innovation.</li> </ol>	<p>Property taxes in Michigan are billed twice a year (in July and December) by the local city or township treasurer. If local treasurers cannot collect property taxes, the county treasurer becomes responsible for collecting all delinquent taxes. The current tax system in Washtenaw County faces several challenges: Delinquency and Collection Issues, Equity and Fairness, Administrative Burdens, Digital Accessibility, and Foreclosure Prevention. I will work diligently and affectively to collect taxes equitably and fairly to prevent delinquency and foreclosure, ensuring accessibility for all residents within the county's administrative resources.</p>	<p>. If elected as the Washtenaw County Treasurer, my commitment to customer service will be a strong primary focus. In my career of public service, I have dedicated myself to courteous customer service, listening and providing whatever is needed, or making the connection with resources that can provide the service. The office should provide courteous and helpful assistance to taxpayers, whether in person, over the phone, or via email. Promptly addressing inquiries related to property taxes and payment options is essential. The office should be transparent about tax assessments, billing, and collection processes. Clear communication regarding due dates, penalties, and exemptions is crucial. Ensuring accuracy in property assessments, tax calculations, and records management is vital. Any discrepancies or errors should be promptly rectified. The office should prioritize accessibility for all residents, including older adults.</p>

	5. Compliance with State Laws: Uphold state regulations to maintain public trust and ensure sound financial practices.

**Washtenaw County Water Resources**

**4-year term**

**VOTE FOR 1**

<b>CANDIDATES</b> <i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i>	What are your goals should you be elected and how will you work to accomplish them with limited resources?	What steps will you take to mitigate the Gelman plume contamination?	What do you think are the greatest threats to our county's surface and ground water resources?
<b>Lisa Gubaci-Root (Rep)</b>  <b>Education/Qualifications / Experience:</b>	DID NOT RESPOND	DID NOT RESPOND	DID NOT RESPOND
<b>Gretchen D. Driskell (Dem)</b>  <b>Education/Qualifications / Experience:</b>  My education includes an accounting degree, former CPA and MBA. I recently completed my MPA at the Ford School of Public Policy at University of Michigan. Additionally, I have attended Michigan Inland Lakes and Streams conferences and MSU educational sessions regarding our fresh water systems. I have had long term interest in our fresh water and learned over the years about the challenges and opportunities that are present. I have served as a local elected official for over 20 years and also spent 4 years as a state legislator. I have worked in a collaborative manner with other stakeholders to help solve regional issues and represent the needs of our citizens. I am an innovative problem solver and will work to address your concerns in a fiscally responsible manner.	The Water Resources Commission has state mandated responsibilities regarding drainage and stormwater management, which we will continue to maintain and enhance as needed. Additionally I will work collaboratively with our communities and stakeholders to develop innovative solutions to the impacts of climate change on flooding and water quality. Water is our most important natural resource and helping to educate our citizens on how to protect it is also an important ongoing issue.	Now that the Gelman plume has become a Superfund site, I will work with our federal partners to insure that the contamination is cleaned up as soon as possible. Additionally, we need to inform our impacted citizens on the movement of the plume on a continual basis. I will work with the local governing authorities to insure we are doing everything possible to contain and ultimately clean up the plume.	The greatest threat is the lack of understanding our citizens have on the impact they potentially make to our water system. Whether that is fertilizing your lawn, lack of maintenance of our septic systems, or soil runoff from flooding on heavy rainfall. PFAS and other contaminants are also a substantial threat and fortunately the state of Michigan is at the forefront of addressing this issue. The other threat is climate change and the severe weather that is occurring. Heavy rainfalls cause more contamination of our waters. Educating our citizens will help address all these concerns and our elected officials will develop policies to protect our water resources.

<b>Phyllis L. Risdon (Rep)</b>  <b>Education/Qualifications / Experience:</b>	DID NOT RESPOND	DID NOT RESPOND	DID NOT RESPOND

<p><b>Jason Maciejewski (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>My experience includes a variety of leadership positions in both professional and elected environments. As the Chief Executive Officer for an Area Agency on Aging I work daily on issues impacting older adults and caregivers, such as meals-on-wheels and other services that assist people to thrive in the community. As a County Commissioner I have served on the Broadband Task Force, Commission on Aging, County Roads Funding Subcommittee, SEMCOG's Executive Committee and as liaison to the Board of Public Works. In 2021 and 2022 I served in Board of Commissioners leadership quadrant, chairing Working Session. From 2008-2016 I served as a Dexter Township Trustee, working to build a voter-approved fire substation that has improved service and reduced emergency response times. For ten years I was a member of the Western Washtenaw Recycling Authority Board of Directors. I hold a B.A. in Political Science and a Masters Degree in Public Administration from the University of Michigan-Dearborn.</p>	<p>First, we must continue to provide impactful mandated services through a balanced county budget. A major goal is preserving district court services in Chelsea and working to establish a Western Service Center so residents in western Washtenaw can access county resources close to home. The recently completed county building space study allows for more efficient facility operations overall. Another priority is completing the project bringing broadband access to county residents who currently cannot connect to the infrastructure of the internet. I will also continue fostering the County Commission's relationship with the County Road Commission to better address road maintenance and further improve communication with residents. We must continue to progress in addressing behavioral health issues through collaboration amongst county, school, municipal and health system collaboration. Finally, supporting completion of our Border-to-Border Trail connections is also a focal point for me.</p>	<p>The most significant problem facing the county is maintaining service levels in upcoming budget years when overall revenue will be decreasing. Beyond providing efficient and effective mandated services, I will prioritize preserving services that positively impact residents. Deploying the new Mobile Resource Unit and building a western Washtenaw Service Center are steps toward reaching out to rural and underserved areas. This is an important step in meeting people where they are, bringing access to resources rather than making them come to an office in Ann Arbor, Saline or Ypsilanti. I will continue to support innovative public safety operations that bring a combination of resources to appropriately address situations. All county operations, including court and law enforcement, need to continually review how they are meeting their mandates in our changing environment. Finally, we need</p>	<p>Washtenaw County's people are our greatest asset. We have a level of experience, expertise and resources that ranks amongst the best in the world. County government must continue to partner with organizations and individuals to realize progress and impact. A good example of this is the work being done on youth behavioral health, which involves students, teachers, behavioral health professionals, hospitals, community leaders and county staff. There are over 40 county boards, commissions and authorities, many of which present great opportunities for the public to contribute in meaningful ways. Another of our greatest assets are recreational resources like the park system, the Border-to-Border Trail, a first-class mountain bike course, the recreational lakes and many preserved areas. The entrepreneurial spirit, innovative mindset and creativity of thought, combined with a natural setting of lakes, rivers and open spaces make Washtenaw County a world class place to live.</p>

**Washtenaw County Commissioner - District 4**

**4-year term**

**VOTE FOR 1**

<p><b>CANDIDATES</b>  (Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</p>	<p>What are your goals should you be elected and how will you work to accomplish them with current resources?</p>	<p>What are the most serious problems facing the County and how will you work to solve them?</p>	<p>What are Washtenaw County's greatest assets and how can they be used to help the community thrive?</p>
<p><b>Alberta A. Borneo (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>My education: Bachelor of degree in Journalism, majoring in Advertising and Master of Occupational Therapy. Worked in advertising for 15 years and as an occupational therapist 20 years part-time.</p> <p>While in advertising, my responsibilities included media planning and buying for clients including Blue Cross Blue Shield of Mi and Borders Books. I managed various media budgets from hundreds of thousand dollars to \$1-2 million budgets to achieve client goals. It involved negotiating the most benefit for client dollars.</p> <p>While a contract Occupational Therapist, mainly in schools, I estimated caseload needs to allow for budgeting for student times and goals. I effectively stayed within allocated budgets for Special Education, making the most of supplies to accomplish these goals while justifying the acquisition of higher cost equipment for specific students.</p> <p>My positions have allowed me to communicate effectively to people at multiple levels: students, parents, teachers, administrators.</p>	<p>My goals would be to provide community resources (including education, health, infrastructure) to meet people's needs within the most efficient budgets through effective negotiation. Utilizing current resources/dollars before seeking additional expenditures is important in being fiscally responsible.</p>	<p>Keeping the community safe, healthy and educated with tightened or tightening budgets in a stressful economy.</p>	<p>Greatest assets are a diverse, educated population with two major universities and access to many local social services and faith communities. Problem solving for the community can be addressed quickly through those assets.</p>

<p><b>Caroline L. Sanders (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have Associate, Bachelor, Master, and Education Specialist degrees in Business Administration, Public Law &amp; Government, Technology &amp; Legal Administration and Urban Education. I have also owned several businesses that provided legal support services, mentoring and strategic consulting to individuals and corporate clients.</p>	<p>Should I be re-elected, I intend to continue advocating for my constituents and the most vulnerable residents in our county who struggle with housing affordability, consumer protection, health and human services and overall quality of life.</p>	<p>Housing and Homelessness; Equitable access to education, training and employment; Consumer respect/accountability from corporate and county providers; and Streamlining/transparency/efficiency of not for profit providers.</p>	<p>Resident &amp; Environmental diversity; Academic institutions; Corporate entities; County stability and growth; Certain Not for Profit Organizations who are committed to moving the needle. Greater cooperation and layering of their assets can help the community thrive.</p>
--	---	---	---

**Washtenaw County Commissioner - District 7** **4-year term** **VOTE FOR 1**

<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with current resources?</p>	<p>What are the most serious problems facing the County and how will you work to solve them?</p>	<p>What are Washtenaw County's greatest assets and how can they be used to help the community thrive?</p>
<p><b>Andy LaBarre (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have been a member of the BoC since 2013 and have served in all leadership positions on the board. I have 20 years of professional experience in policy and politics. I have a bachelor's in Political Science and a master's in Public Administration. I have served on the Community Mental Health Board since 2021 and have previously served on many other committees.</p>	<p>My goal has always been to ensure the strongest human services safety net we can possibly have in Washtenaw County. I will continue to ensure we strengthen our current New Human Services Partnership and create a parallel funding structure to go along with it. I will build political support to ensure we advocate for and fund these sorts of efforts at the BoC.</p>	<p>The state and federal governments are to some degree filling the holes the conservative movement was able to create in our country's human services structures. That broad reality is the biggest challenge we face. It impacts Washtenaw County because we have to respond to state and national conditions which drive local needs and which are too large for the county to shape. We are the safety net but we cannot control what we have to catch in it. Basically we are never going to be resourced properly without changes to our role in our state constitution. Until then we will have to respond as best we can to a broad set of mental and public health needs and to economic assistance needs in areas like housing, skills training, youth services, and economic position.</p>	<p>Our people and their skills. We have very bright people and wonderful community organizations in the human services areas. Working together in the most effective ways is a big challenge but the resources we have in these people are our strength.</p>

<p><b>Mary Kozonis-Marudas (Grn)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have a master's degree. My educational background is in that of a Medical and Psychiatric Social Worker. I have an extensive background as a play therapist and working with patience and families in a medical and psychiatric setting. But I would say what most qualifies me for this job is my work with children. Children are after all just small people, adults too can have a frightened child inside and not know what to do about it. Recently I was consoling a child who was upset and afraid and when I asked her what was making her so scared, she said "the bombs". Apparently, she had seen on TV the bombings and the suffering of little children and the dying in Gaza. As I talked to her further, she was deeply afraid of computers too. The pressure of constantly having to use them to such a degree she had developed a phobia. When I talked to her mother, she had no idea that this was affecting her desire to learn. I fear all our children and many adults maybe suffering silently.</p>	<p>My goal would be more public awareness of the fragile nature of people's mental health right now. While my opponent's party prides itself as a champion of the mental health programs in this county, the fact that the LWV put "with limited resources" in this very question tells me just how hollow a claim that is. Even more disturbing Congress spent 68 billion dollars to supply Israel with 2000 lbs. bombs that slaughtered innocent Gaza children. How can you say your solving mental health issues when the very same government charged with solving these problems has caused so much mental suffering around the world. So, if by me running this year I can draw attention to this inconsistency, I feel I have already achieved part of my goal in running.</p>	<p>I think all our countries problems going forward will be environmental in nature. While the planet itself will continue to evolve and change, the humans on it will continue to struggle with the mental stresses involved in keeping up with those dramatic changes. My fear is not so much people's physical health is eroding. But that the stress of living in such an increasingly degrading environment will create a kind of mental breakdown pandemic. The panic of hyper competitiveness, the numbness to the suffering of others, the hyper-panic of personal isolation and our divided social order. I do not see the county or any government acting on it, in fact many of their actions may be making the problem worse.</p>	<p>I think Washtenaw County's greatest asset is its people and how well educated everyone seems to be here. I say seems, because our collective intelligence is so poorly organized. The ability of the community to reach consensus on a priority has become more labored and contentious. We must mobilize this intelligence and the finances into a mental health emergency mandate. That includes a school mental health component, a senior citizen outreach component and most of all a mass recovery component for a multi-generational problem. While we may not be thriving after such a mandate, we will at the very least be heading toward potential survivability as a community. We must not be just listening with our ears but listening with our hearts.</p>

<b>Washtenaw County Commissioner - District 8</b>		<b>4-year term</b>		<b>VOTE FOR 1</b>	
<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with current resources?</p>	<p>What are the most serious problems facing the County and how will you work to solve them?</p>	<p>What are Washtenaw County's greatest assets and how can they be used to help the community thrive?</p>		
<p><b>Leslie Kay Shannon (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>		
<p><b>Yousef Rabhi (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>During my 14 years in elected office, I have always put the people first. As a county commissioner for 6 years, I helped to create the first municipal ID program in the entire Midwest, build a dental clinic for low income families, pass ground breaking environmental policy and put the county on sound fiscal footing. In my 6 years serving Ann Arbor as its State Representative, I</p>	<p>Expand affordable housing: our county needs to create a Housing Commission to build new housing opportunities across our community. This entity can bring new resources to the table to expand our housing stock.</p> <p>Climate Justice: we need to hold polluters accountable, ensure everyone has access to clean air/water, expand transit and expand our parks system to ensure that all county residents have access</p>	<p>In our county and country, we have serious issues with affordable housing, equity, and racial justice: Washtenaw County is the 8th most socioeconomically segregated area in the country. This is unacceptable. We also see disproportional health outcomes as infant mortality rates are higher and life expectancy is lower in Hispanic and Black communities which is</p>	<p>Our greatest asset as a community is our people! We come from many different backgrounds but that diversity is a power that we can pull together to solve our greatest problems. Washtenaw County is in a great position to expand services and create a better, more accepting community for all. We have problems with access to housing, healthcare, and mental health services, and I hope</p>		

<p>championed universal single payer healthcare, clean energy, water protection, holding polluters accountable and reforming our criminal justice system. During that time, I served as the House Democratic Floor Leader. After I was term limited from the House, I returned to my role as a county commissioner. For the last 2 years, I have been pushing for new initiatives like expanding our parks system and creating a county Housing Commission to build new affordable housing options in our community.</p>	<p>to recreation and natural areas.</p> <p>Expand healthcare access and social services: the county already provides many services from dental care to mental healthcare. We provide support to many community members that are facing challenges yet our safety net is still incomplete. It is a big task but I believe that we can create a system that does not leave anyone behind and cares for the needs of all of our residents.</p> <p>Due to the breadth of the work the county does this is just a sample of my priorities.</p>	<p>indicative of broader social justice issues that need to be addressed as soon as possible. Washtenaw County has resources thanks to taxpayer funded millages to begin to tackle these concerns but there is so much work to do still to make sure that we are using these resources efficiently to help lift our whole community.</p>	<p>to work with the people of this community and my colleagues to address these issues.</p>
--	---	--	---

**Washtenaw County Commissioner - District 9** **4-year term** **VOTE FOR 1**

<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with current resources?</p>	<p>What are the most serious problems facing the County and how will you work to solve them?</p>	<p>What are Washtenaw County's greatest assets and how can they be used to help the community thrive?</p>
<p><b>Lori A. Miner (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>
<p><b>Katie Scott (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>County commissioners often remain in the political background, but I hope people know me a little better as I run for re-election in 2024. I am a mom, nurse, and county commissioner with a mission to serve people and make our community thrive. In my daily life as a nurse I work bedside and as a charge nurse in the CVICU, otherwise known as the open heart unit. From this work I have learned to stay cool under pressure, advocate fiercely, and rely on my team. These skills serve me well as a commissioner.</p> <p>Both as an ICU nurse and county commissioner, the work I do intersects with life and death for people in our community. One is a very granular level, but at the county, policy decisions we make can grow our strength as a community. I've served on many varied committees from the Drain Board to the Public Health Board to Homeland Security and Parks and Recreation (and</p>	<p>My goals continue to be addressing: economic disparity; health justice and health disparities; and creating a resilient community. To do this we need safe housing, livable wages, nutritious food, and access to safe places to engage in physical activity. I am proud of the work we have done so far to realize an East-Side Rec Center. I plan on continuing to work with our Parks system to create healthy, vibrant communities and expand the Border to Border Trail. I also want to be assured that everyone here has access to the world-class health care in our own backyard through several incredible health systems. This means supporting the Washtenaw Health Project and increasing funding to Public Health so population level health concerns can be adequately supported. I also want to be sure we are continuing to advance</p>	<p>One of the biggest challenges we are going to face in the new term is determining how to continue our progressive work after the ARPA dollars are gone. Most levels of government are going to face "the ARPA cliff" and we need to start thinking now of how we continue to address the many needs this funding helped us face. Also, affordable housing remains a crucial need in Washtenaw county. Too many middle class people are being forced out of Ann Arbor and, indeed, the rest of the county. It's hard to counter market forces, but I am committed to finding creative solutions to ease the burden. Additionally, we must find better ways to fund public health. For too long state and federal funding has lagged for this essential service. In my mind, this includes grappling with how we</p>	<p>I recently drove to the SW of our county for a meeting and was absolutely floored by beauty in our midst. Not only that, the history all over our county helped shape not only what we know as Washtenaw County, but Michigan and the very United States. It's a beautiful place, Washtenaw County.</p> <p>But we also have personality! First and foremost, the people make Washtenaw vibrant. There is little apathy and a lot of expertise. We need to continue making sure everyone's voice is valued and the talents people have from creating gardens, art, homes, research, food- all of it- are recognized as what makes this an incredible place. Beauty isn't enough- the variety of skills and passions our residents have are the key to a thriving community. I</p>

many many more!) All this experience has aided me in becoming the best qualified candidate for this position.	transparency and ethics in government. I want any resident to be able to see our budget and policy process with as much ease as possible. It shouldn't be a mystery!	make our community more resilient in the face of climate change and what the county's role in doing that is. We also much create a sustainable system of helping non-profit partners continue the vital work they do.	hope I can continue to be part of this experience and serve you again as your commissioner for Washtenaw County, Board of Commissioners, District 9. Thank you for considering me for your vote.
---	--	---	--

**22nd Circuit Judge of Circuit Court (Non-Incumbent) 6-year term VOTE FOR 1**

<b>CANDIDATES</b>  <i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i>	What are your objectives if you are elected and how will you work to accomplish them?	What are the priority issues facing this court, and how would you address them if elected?	What is your general judicial philosophy?
<p><b>Jinan Hamood (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have worked in Washtenaw County serving the community in various legal positions - from interning at the Public Defender's Office, completing a judicial externship at the 15th District Court, to running my own practice. For over a decade I have practiced criminal defense, family law, and civil litigation, all of which are areas of law a circuit judge presides over.</p> <p>Throughout my career, I have centered my work on addressing disparities in the criminal legal system, navigating difficult matters of family law and a variety of civil disputes with compassion for those affected and outcomes that embody fairness and justice. I have served as an advocate, as a guardian ad litem, mediator, parenting coordinator, and court appointed receiver. I have represented criminal defendants and victims of crimes. My work experience in these different roles gives me a unique perspective on how our legal system serves and impacts people on all sides.</p>	<p>If elected, my objectives are to serve our community in a way which helps to heal harms, address root causes of justice involvement, and provide fair and equitable outcomes to parties involved in family court disputes, civil disputes, criminal matters.</p> <p>I will do so by utilizing my knowledge of our local courts and our laws, as well as by bringing the compassion, empathy, and understanding I have developed from my diverse practice. This knowledge and experience shapes my ability to work collaboratively with parties and their attorneys, and to find creative, practical, and realistic resolutions which enable all sides to be heard in difficult situations. I am familiar with our court services, treatment courts, and county programming. I know what is working and have ideas on what we can improve.</p>	<p>In addition to the day-to-day administration of my courtroom, I have three systemic priorities which I will work to accomplish:</p> <ol style="list-style-type: none"> <li>1. Criminal Justice Reform – Our courts should be compassionate and progressive in their values, and I will work with attorneys to best serve justice to those who are harmed and ensure that individuals are not wrongly ensnared in the legal system. I believe in restorative justice models, the use of treatment courts, and intend to work with our current judges to expand the use of both.</li> <li>2. Access to Justice – As one of the largest recipients of public tax dollars in Washtenaw County, our court system should be affordable and accessible for all, regardless of their background.</li> <li>3. Diverse Perspectives – I want to help Washtenaw County stand out in our state as a leader and example of supporting diverse perspectives. I bring with me my lived and professional experiences, both of which give me an understanding of how important diversity is in our justice system.</li> </ol>	<p>I believe that judges should serve with compassion, integrity, and empathy. If elected, my judicial philosophy will be that of applying the law and seeking to remedy past harms with a fair and equitable administration of justice. We must work to make our courts and our community more welcoming and more accessible. As judge, I would act in accordance with these goals, seeking to ensure that when people are in court - often dealing with some of the worst days they will face - they feel they are listened to and are still treated with dignity, understanding, and compassion.</p>
<p><b>Jeffrey Worosz (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>I want to apply the law fairly and impartially to everyone, and to improve public confidence in the court system. It starts by treating everyone in the courtroom</p>	<p>I think two of the biggest issues facing all courts are 1) access to justice; and, 2) public confidence in the judicial system. Access to justice to me means</p>	<p>I don't adhere to a specific philosophy, but I value several important principles that are essential for making fair and equitable decisions.</p>

<p>I have been a practicing attorney for over 12 years, with a practice focusing primarily on family law, contested probate matters, and general civil litigation. My extensive litigation experience has afforded me significant trial and courtroom experience, allowing me to develop a deep and comprehensive understanding of the types of cases that frequently come before the circuit court. Having handled sensitive, complex, and high-stakes matters, I understand how crucial it is for individuals to feel heard and respected in the courtroom. I appreciate the importance of approaching each case with empathy and fairness, ensuring that every party receives a fair opportunity to present their case. I have appeared in courts throughout the state of Michigan, in front of dozens of judges, giving me insight into the varied approaches to judicial decision-making. This broad exposure has provided me with a keen sense of what works and what doesn't within our legal system.</p>	<p>with respect, courtesy and empathy. Litigants are real people facing significant issues, often with considerable consequences and it's important to remember and be respectful of that fact. I would show this not only in how I interact with the people appearing before me, but also by being prepared for every case that comes before me. Preparation includes understanding and anticipating the legal issues applicable to case beforehand, so that when the facts are presented, I know how they connect to the relevant laws. Proper preparation also has the benefit of ensuring that the courtroom runs efficiently, preventing unnecessary delays and drawn-out proceedings. Lastly, self-reflection on how and why I am making decisions, screening to keep out my personal biases, will help to ensure I am making decisions for the right reasons.</p>	<p>everyone should have the ability to seek a remedy through the legal system. As a judge, the way to achieve this is by ensuring every litigant has an opportunity to be heard. That can be accomplished through making sure litigants are aware of resources and tools available, or just having the patience to listen. To improve public confidence in the courts, the key is to be consistent and fair in how all litigants are treated and how the law is applied in every case. The public loses confidence in the legal system when judges have personal agendas that influence the manner in which they apply the law. Through self-awareness, an openness to criticism, and a willingness to critically evaluate my own decisions, I can work to ensure that I am accountable and consistent in my treatment of people and application of the law.</p>	<p>First and foremost, an open mind is paramount. This means not only having a willingness to listen to all parties, but also to be fully informed before making any decisions, but also setting aside any personal agendas and preconceived notions, ensuring that every case is evaluated solely on its merits and the applicable law. Litigants deserve a meaningful opportunity to be heard, and that can only happen when a judge approaches each case with an open and impartial mindset. Second, being prepared. Understanding the matter before the court, including the relevant legal issues and potential challenges that may arise during the proceedings. Third, being decisive and accountable. After hearing all of the facts, judges should make decisions that are not only legally sound, but also fair and impartial.</p>
--	--	--	--

**15<sup>th</sup> District Judge of District Court (Incumbent)**

**6-year term**

**VOTE FOR 1**

<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your objectives if you are elected and how will you work to accomplish them?</p>	<p>What are the priority issues facing this court, and how would you address them if elected?</p>	<p>What is your general judicial philosophy?</p>
<p><b>Tamara Garwood (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I graduated from the University of Michigan and Detroit College of Law. I have been an attorney for twenty-five years, handling domestic, probate, landlord-tenant, criminal and civil matters, through all phases of litigation. For eight years, I have been on the bench as the 15th District Court Magistrate, giving me a unique eye to the successes and needs of the Court. I see the impact I have on our community, every day. While I hold the rights of those before me paramount, I never lose sight of my responsibility to the community and the law. On the bench, I uphold the highest standards of accountability and transparency, supporting policies and practices of responsibility that also focus on education and rehabilitation, working to eliminate racial and economic disparities</p>	<p>I will put an end to cookie-justice. Holding people accountable for their actions, I will champion individualized approaches to justice, addressing the root causes that bring individuals to court. I will focus on creating innovative court options to move away from over-incarceration and towards meaningful solutions. I will uphold justice and equality, acknowledging the historical and ongoing impact of racial inequities. I will work to end racial disparities through fair and compassionate rulings, with dignity and respect for all. Through collaboration with local organizations, I will develop and implement programs that support marginalized communities and ensure equal access to justice.</p>	<p>We must eliminate systemic biases within the legal system to ensure all individuals, regardless of race, gender, socioeconomic status or other characteristics, receive fair and impartial treatment. Recognizing and combatting implicit bias within our system, we must have transparent and fair court procedures and policies from charging to sentencing decisions to avoid the disproportionate impacts often faced by marginalized communities. Working collaboratively with community organizations, advocacy groups and residents, I will continue to find solutions that protect the rights of those in the courtroom while keeping our community safe and protected.</p>	<p>I will continue my work to reform criminal justice by advocating for alternatives to incarceration for non-violent offenses, using community service, meaningful probation and treatment programs. I support policies and practices that aim to reduce prison populations by addressing the root causes of crime. I will encourage rehabilitation over punishment through vocational training and education, to reintegrate former offenders into society and reduce recidivism. Advocating for mental health and addiction treatment services through our Specialty Courts, where we treat these issues as public health concerns rather than criminal issues. Finally, we must ensure</p>

<p>by ensuring fair treatment for all individuals regardless of background. My experience, compassion, judicial temperament and integrity are unparalleled in this race.</p>	<p>Expanding community outreach and youth engagement, I will work to end the school to prison pipeline, uplifting young people to thrive in our community, graduating with diplomas and degrees, not criminal histories. I am committed to a more inclusive, effective and efficient court for all users.</p>	<p>I am committed to expanding our exemplary Mental Health Court, Sobriety Court and Veterans Court to support individuals with the necessary resources for treatment and rehabilitation rather than incarceration.</p>	<p>that young people receive fair and age appropriate treatment protecting the rights of these individuals and providing them with opportunities for positive development and growth.</p>
<p><b>S. Kerene Moore (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I earned my undergrad and law degrees from the University of Michigan, and for two decades, I've worked to increase access to justice, promote restorative justice, and support victim's rights. I represented over 1,000 people who could not afford an attorney, fought discrimination at the MI Department of Civil Rights, and served behind the bench as a judicial attorney and juvenile referee. I currently handle innocence cases and provide expungement support in the Prosecutor's office. I am a leader in social justice advocacy and have extensive experience on the ground in the community. I've served as an Ann Arbor District Library Trustee, a Human Rights Commissioner, and on the boards of Neutral Zone, Equality Michigan, and Jim Toy Community Center. I've trained attorneys regionally and nationally, have 10 legal publications, and founded a pro bono project that is going into its 10th year. As Judge, I would work hard to ensure fair access to justice for people from all walks of life.</p>	<p>Our justice system continues to fail the community in a number of areas. Michigan ranks dead last in provision of crime victim services. Despite representing only 12% of the county's population, 49.9% of charges are disproportionately pursued against black community members. Finally, many perceive two justice systems - one for those who can and another for those who cannot afford an attorney. 15th District primarily handles evictions, suits for less than 25K, and minor offenses. It also has three treatment courts where judges can offer meaningful early intervention. Through diverse community partnerships, improved and expanded treatment courts, grant funding, data transparency, and ethically-permissible policy reform work, I will work to improve victim support, decrease bias, and increase access to justice for all litigants, not just those who can afford an attorney.</p>	<p>Restorative justice, lack of victim support, and bias are priority issues. Those appearing in criminal court either receive resources needed to move forward, or go deeper into the criminal system. Victims are at higher risk of returning to the court as offenders if support isn't received, and offenders often have underlying issues that need treatment. Through changes to court rules and community partnerships, I will work to improve victim access to services. Using my background working with under-resourced community members, I will work hard to connect with treatment court participants and offer individualized, culturally competent treatment plans. With grant funding, I will re-establish the domestic violence treatment court, and create a housing specialty court to improve oversight over probationary agreements. To decrease systemic bias, I will support data transparency efforts, prioritize alternatives to incarceration, and work toward elimination of cash bail.</p>	<p>It is critical that local judges are learned, compassionate, experienced, and diverse. My philosophy centers around fair and just administration of our courtrooms, ensuring that no matter your race, color, or creed, or income, you will find equal justice in the 15th District Court. I've earned over 150 endorsements because I don't pretend the system is fair and operates optimally. Instead, I've committed my career to ensuring that marginalized community members have fair access to the courts. I believe judges are ethically obligated to improve court services. I will inform policy, improve functionality of court rules, and lead restorative justice efforts. Courts must be partners in both ensuring safety and addressing underlying needs of offenders. With a renewed focus on restorative justice, courts can become trusted partners in rebuilding communities. If elected, I am committed to not just enforcing the law, but to promoting the fair administration of our justice system.</p>

<b>Washtenaw Community College Board of Trustees</b>		<b>6-year term</b>	<b>VOTE FOR 2</b>
<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with limited resources?</p>	<p>How well do you think Washtenaw Community College is meeting the needs of its community?</p>	
<p><b>Alex Milshteyn (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>If elected, my primary goals are to keep tuition affordable, enhance student support services, and strengthen community partnerships at WCC. I am committed to ensuring that every dollar in our budget is</p>	<p>WCC is highly effective in meeting the needs of its community by aligning its programs with current and future job market demands. Utilizing the Lightcast Analyst tool, WCC regularly monitors</p>	

<p>As a current Trustee of Washtenaw Community College and a proud graduate of both WCC and Eastern Michigan University, I bring a deep, personal connection to this role. My educational journey has given me firsthand experience with the value of affordable, accessible education, driving my commitment to making WCC a gateway of opportunity for all students. Throughout my tenure, I've worked tirelessly to keep education affordable and to support student success through initiatives that enhance academic advising, career services, and community engagement. My hands-on experience with the local community, combined with my dedication to WCC's mission, ensures that I am well-prepared to continue advocating for policies that benefit both students and the broader Washtenaw County community.</p>	<p>used effectively to provide the best possible education for our students. By keeping a close eye on WCC's finances, I will prioritize spending on programs and resources that directly impact student success, such as academic advising, career services, and innovative educational initiatives.</p> <p>With limited resources, I will work to identify cost-saving measures and explore additional funding opportunities, such as grants and partnerships, to support our goals. My experience in both finance and community engagement will allow me to make informed decisions that balance fiscal responsibility with the need to invest in our students' futures. By carefully managing our budget and focusing on strategic investments, I am confident we can continue to offer high-quality, accessible education at WCC.</p>	<p>employment trends and earnings regionally and statewide, ensuring that its offerings lead to high-wage jobs or provide seamless transfer opportunities. The College is committed to delivering programs that result in livable wages or smooth transfers to four-year institutions. More than two-thirds of the associate degrees earned in 2022-23 were in transfer programs, allowing students to continue their education at universities like the University of Michigan and Eastern Michigan University. With nearly one hundred transfer agreements with major universities, WCC remains the leading transfer institution to both U-M and EMU, demonstrating its dedication to student success and community service.</p>
<p><b>Diana McKnight Morton (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have an Associate's from Washtenaw Community College; a Bachelor's in Special Education from University of Michigan; a Master's in Guidance and Counseling from Eastern Michigan University. I taught elementary and adult education. I have been a WCC Board Trustee for 30 years. I am also a 25-yr member of the Michigan Community College Association (MCCA) Legislation Board; a 10-yr member of SEMCOG (South Eastern Michigan Counties of Government) as Vice-Chair of the Education Bloc; and, a 25-yr member of the Association of Community Colleges Trustees (ACCT).</p> <p>Based on my knowledge, skills, and abilities, I believe I am fully qualified to perform the functions required to be a Washtenaw Community College Board Trustee.</p>	<p>My main goal for the past 30 years has been for WCC to become the number community college in the country. And WCC achieved this goal by earning the Center of Excellence Award for Nursing in 2018 and 2023 which WCC is the only community college to be recognized in the U.S., among other noteworthy awards and distinctions. However, my continued mission as a trustee is to help the President make informed decisions on important matters that can affect the college internally and externally based on funding from the State and Federal agencies.</p>	<p>WCC continually assesses and reevaluates its mission and strategic goals to deliver quality programs that are in alignment with today's job market and trends. It is vital to the College to maintain long established relationships with open dialogue between the college President and industry leaders in Washtenaw County - and beyond. WCC remains determined to create quality academic programs centered on each student's success after graduation and to remain successful in today's job market that is ever evolving.</p> <p>WCC is also dedicated to being a driving force in strengthening the economic growth in Washtenaw County by reinvesting in its residents through the partnership of business-lead organizations and industry leaders who have firsthand knowledge of markets shifts and the creation of jobs for the future.</p>
<p><b>Eileen Peck (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I am a graduate of both the University of Michigan and Washtenaw Community College. I worked in the non-profit technology sector for 20 years before starting my own business. I also have volunteer development and governance experience. For nearly five years, I have maintained the WCC Watch blog and</p>	<p>My goal is to increase the number of degree programs that prepare students for high-wage, high demand jobs. WCC issues more non-degree certificates than associate degrees. This strategy opposes the state's goal of increasing the number of people with 60 college credits. It may also limit WCC's federal financial aid options for some certificate programs under the new "gainful employment" rules. I will advocate to eliminate preferential tuition treatment that WCC gives to out-of-district and out-of-state online enrollees. WCC should not use Washtenaw County's tax dollars to subsidize the attendance costs of students who don't</p>	<p>In any service environment there is always room for improvement. WCC must focus on creating high-wage, high-demand programs like clean energy, power production, and power management, infrastructure building and modernization, climate change mitigation, water management, semiconductor manufacturing, agriculture - including urban agriculture, and facilities maintenance</p> <p>These programs will not only provide economic development by attracting new employers and industries now, but also</p>

<p>believe I have a deep understanding of the challenges that face WCC and Washtenaw County. As a resident of Ypsilanti Township, I will bring a broader Washtenaw County perspective that has been historically lacking on the WCC Board. For WCC to succeed, it needs to understand and address the challenges that all parts of the county face right now, including income and housing inequities, transportation and housing costs, and a lack of new economic development and the jobs that go along with that.</p>	<p>live or work here, and will never come here. I intend to seek an industry-standard facilities maintenance budget. This will help prevent a repeat of WCC's 10,000-gallon sewage spill into the Huron River watershed. I will also advocate for an effective asset protection policy, and an enforced limit on the number of vice presidents - currently 13 - on the payroll.</p>	<p>prepare Washtenaw County for a future that must address the impacts of climate change. These programs will also offer our young adult workers the opportunity to work AND live in Washtenaw County. Right now, a WCC student makes an average of less than \$40,000 ten years after first enrollment. The median household income here is nearly \$85,000. Most WCC students can't afford to live here, so we are training our prime age workers to live and work elsewhere. This must stop, and WCC must be part of the solution.</p>

<b>Ann Arbor Public Schools - Board Member</b>		<b>4-year term</b>	<b>VOTE FOR 3</b>
<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them?</p>	<p>What are the greatest challenges that will face the school board in the coming year?</p>	
<p><b>Leslie Wilkins (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have bachelor degrees in music and psychology from U of M, along with an MBA. With degrees in business, music, and psychology, I know the importance of academics, while recognizing how critical it is to prioritize the arts and mental health. I've been a marketing and sales executive at the same company for 16 years. In addition to working with school PTOs, I have volunteered my time and marketing skills to other nonprofit groups and community performing arts organizations for the past 11 years. So volunteer and work experiences have made me very comfortable within the boardroom environment, and I've had lots of success working as part of a team. I ask hard questions, and then work collaboratively to make well-informed decisions.</p>	<p>I want to make sure ALL students, ALL families, and ALL communities are considered and consulted when policy decisions are made. As a single mom with a full-time job outside the home, I've experienced firsthand the frustration of not having the time or resources that other families had to be the "squeaky wheel" to get their students' needs met. Many of our students - especially those from historically excluded backgrounds and those with special needs - are being underserved in the district. I vow to actively listen to their voices, and bring their issues, needs, and suggestions to the board. My PTO work has shown me that systemic racism is still harming our students. My personal anti-racism work taught me that one way to fight this racism is to get involved at the local policy level. I'm excited to do the hard work necessary to rightsize the district's budget, prioritize our educators' needs, and restore trust in our board and administration so ALL our students can thrive.</p>	<p>I think the biggest challenge overall will be trying to address inequities across the district. There are two significant specific challenges that each contribute to inequities, if not managed properly:</p> <ol style="list-style-type: none"> <li>1. Budget Cuts - The current budget crisis, which led to teacher and staff layoffs, larger classroom sizes, and cuts in special programming, directly impacts the district's ability to deliver quality education to ALL our students.</li> <li>2. Decreasing Teacher Morale - Nothing affects the happiness and success of students more than their teachers. But our teachers and staff aren't getting the support they need to ensure that every student is thriving. Even before the pandemic, they were being asked to do more and more work, while not getting the step increases they were promised. Our top-notch educators need to be trusted to do their job in ways they know are best for students. And they need a more structured way to communicate their needs to the board.</li> </ol>	
<p><b>Ernesto Querijero (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have a BA in English from U of M and an MS Ed from the University of Pennsylvania. I have 20 years teaching experience. From 2005-2013, I taught in the MI Public School System at Tecumseh High School. There, in addition to teaching English and literature courses, I chaired the School Improvement Committee, organized faculty professional development and represented THS at district-wide committees. Since 2010, I've taught</p>	<p>I will continue to advocate for a positive, student-first culture. When students are engaged and connected, they are empowered to become life-long learners. Secondly, AAPS needs Transparent, Itemized Financial Reports and Procedures. We need reporting that monitors trends in our fund balance monthly to accurately report and predict increased costs. We need a reliable CFO familiar with MI school finance. Third, AAPS needs to adopt a Diversity, Equity, and Inclusion lens for decision-making. We need a cabinet-level DEI officer to help guide us through these difficult times. Our community deserves a DEI officer to ensure that all stakeholders are heard and that students and families across the District are having equitable experiences. An investment in a DEI officer</p>	<p>Currently, there are three major challenges facing the District. First, AAPS must earn back the trust of the community with transparent reporting and real discussion about the everyday problems that our students and their families face. For too long, many families in our District have gone unseen and unheard, but through real community engagement as a Board and District, the AAPS community can regain confidence that the District is offering equitable educational experiences. Second, we need to build up our fund balance over the next few years to stabilize our financial future. This may require audits and reports at each building (school and administrative) with coded line item expenses. Finally, we need to adopt a structured literacy</p>	

<p>developmental writing courses at Washtenaw Community College, where I have served on many committees related to diversity and student success. My students have included AAPS recent graduates from all four high schools, parents of AAPS students, and AAPS employees. I have presented at national conferences on student success. I am the only candidate running who is a current, active teacher in an educator's union (WCCEA), and I am the only candidate with Board experience. I have earned a Certified Board Member from the MASB; I am best qualified to serve the community.</p>	<p>is critical. Finally, AAPS must continue to uphold our commitment to the Sustainability Framework. This means building a K -12 Curriculum that is accessible to all and making sure that our vendors have sustainable practices.</p>	<p>approach in our early reading program. We are in a literacy crisis, and the increased introduction of phonics to early readers will make a huge impact in helping kids learn how to read and write.</p>
<p><b>Glynda T. Wilks (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I am a journalist (former copy editor, Detroit Free Press), former Ann Arbor Public School teacher (Burns Park) and civic-minded parent of 3 African-American sons – all successful graduates of AAPS. I have the ability to critically examine district issues from multiple perspectives. I earned a bachelor's degree in journalism/political science from Northwestern University. I later received my master's in education from the University of Michigan – ELMAC program. I served on PTOs at Northside Elementary and Clague Middle School. I served as president of the District-Wide Black Parent Student Support Group. I currently serve on the Board of Foundations Preschool (Secretary). Member and officer, Alpha Kappa Alpha Sorority, Inc.®, first historically African-American community-service oriented sorority. Volunteer efforts: Tutor, Family Learning Institute; House By the Side of the Road; Student Advocacy Center.</p>	<p>1) Ensure sound fiscal oversight. How: By addressing the current \$25-million deficit and overseeing the wise use of district resources to address the needs of ALL students in an effective and equitable manner. Working collaboratively with my fellow board members and the superintendent to reduce wasteful spending while providing a high-quality education to all students.</p> <p>2) Develop strong partnerships. How: By leveraging relationships with local and state governments to make sure Ann Arbor isn't shortchanged when it comes to funding. Having working relationships with fellow Board members to get the job done for ALL students.</p> <p>3) I am a problem solver who can collaborate and negotiate with others – even if it means disagreeing on an issue. As your elected school board leader, "civility" is paramount. I promise to bring civility and collaboration back to the table and lead our district with honor and dignity.</p>	<ul style="list-style-type: none"> <li>• Maintaining the fiscal health of the district and tapping into creative sources of revenue for the district.</li> <li>• Addressing the needs of the teachers and staff while being fiscally responsible to ensure long-term stability for the district.</li> <li>• Addressing increased levels of need among students – social/emotional support.</li> <li>• Academic growth and examining/resolving diminished enrollment within the district.</li> <li>• Regaining trust among students, teachers, parents, and the community.</li> </ul>
<p><b>Megan Kanous (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I am endorsed by both the Teacher's Union (AAEA) and previous AAPS Trustees (BBBS). I am at our schools daily interacting with students, teachers and families through my work as a Girl Scout Leader, PTO Chair and PTO Council Rep. I have been a Room Parent, help in the library, and am one of the producers for Haisley Players, Haisley's Theater Program. I have organized many events for our Haisley Community and have volunteered at Forsythe because it takes a village. I plan school events with equity in mind so that all of our students can</p>	<p>I plan to serve the Ann Arbor Public School community by focusing on the job of the Board of Education. I will work hard to build trust and effective working relationships between myself, my fellow board members, the teachers and our broad community. My goals are to work with our AAPS stakeholders to set forth a strategic plan that we can set our budget against and reference when prioritizing funds. I will work with members of our local, state and federal government as well as Education and School Board leaders to ensure that I am a knowledgeable Trustee.</p>	<p>We will need to build trust back into the conversations between the Board, the administration, and the AAPS families. There has been a lot of dysfunction and stress between all of the stakeholders this past year. Teacher Contract negotiations are still happening and will continue this fall. The Board will need to work to ensure that Superintendent Parks is set up for success, that our teachers and students feel supported and that ALL community members can and should be a part of the conversation about shaping our schools for the future. Board Trustees should stay focused on being advocates for public education, listening to our community and making sure we are doing due diligence in coming prepared and ready to work at the public meetings and sub-committee meetings. Board Trustees should show through their efforts that they are collaborative leaders within the</p>

<p>participate -- whether it's organizing rides home , ensuring that there are no costs to participate and that all can attend, or communicating about allergens so that families feel safe in attending. I spend a lot of time in our schools making connections with teachers, staff and families and can translate our community's needs into opportunities for the Board. My professional background gives me experience with forecasting and communication.</p>		<p>community and can have respectful discourse while giving guidance.</p>
<p><b>Don Wilkerson (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I bring financial expertise, commitment to students, and cultural awareness to the Board. My expertise will improve financial oversight and Board governance. I lead Risk Advisory Services at Rehmann, a national CPA and Advisory firm. I help organizations understand financial, operational, and IT processes and how to mitigate risks. I have my Master in Accounting and BBA from Ross at U-M. I collaborated with other citizens to pass multiple millages, which are critical to fund our schools. My wife and I have 4 children spanning the ages of 3 to 18, all have/will attend attend AAPS. I've held numerous positions in school and district-wide PTOs. I've been an avid volunteer in the classroom and served on the Board of a non-profit focused on special education advocacy. As a proudly enrolled citizen of the Little River Band of Ottawa Indians, I have a personal, heartfelt commitment to programs for under-represented minorities, and actively share my Native culture in the community.</p>	<p>My goals are to stabilize the district's finances, refocus on students while setting a long-term vision, and rebuild trust and transparency on an actively engaged Board. Stabilizing finances is critical as it drives our ability to accomplish anything, whether it's supporting students' needs, the attraction and retention of strong educators with competitive wages, or innovative programming. Far too often the Board hasn't been focused on ALL students, nor has the Board recently gone through a formal strategic planning to set a 3-5 year vision. I will work to ensure every decision is made with ALL students in mind. I will push for strategic thinking and long-term planning. Trust is broken. I will focus on engaging and listening to each stakeholder of our community. I will work to rebuild that trust through listening, engagement, and transparent decision making focused on students. It's important the community understands the reasons decisions are made at the Board level.</p>	<p>The effects of budget cuts will be felt across the district this year. Simultaneously, the district is facing a lack of trust from all parties – students and families, teachers and staff, district administration, and the Ann Arbor community/taxpayers. The Board needs to navigate the financial crisis, changing the trajectory of district finances, while keeping the priority on students and those most critical to their success- teachers. The Board needs to increase revenues, reattracting students to our district/finding innovative ways to generate revenue that are not shortsighted. A strong financial footing will begin to repair the community's trust, however another key aspect is engaging with the community directly to ensure each group is heard and can contribute to success. Ann Arbor is one of the smartest cities in the world, but we need engagement and collaboration to leverage that for the success of our students and district. Together we are stronger!</p>
<p><b>Eric Sturgis (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have a Masters Degree from Eastern Michigan University. As an AAPS grad I have seen the evolution of the school district and have experience as a student and coach. I have worked with budgets in my time coaching college tennis and feel that my education will help me look at each individual issue from the lense of what is best for the students.</p>	<p>I would like to see teachers brought back, the district developing a stable budget and regaining the trust of the community with this I believe that will help increase students enrollment. Also, I would like to support the superintendent in her plans and help implement them and work cohesively as a board.</p>	<p>Working through the \$25 million deficit and gaining the trust of the community. The board needs to work better together and put students first. I believe there is low moral in the district and we need to change that. Ann arbor is one of the best district in Michigan and we need to get it back to that.</p>

<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with limited resources?</p>	<p>What are the most serious problems facing the township and how will you work to solve them?</p>
<p><b>Janann Godek (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I believe my years of experience working with and for the residents of Lodi Township qualify me as the best candidate to continue to serve as the Supervisor of Lodi Township. I was elected first as a Trustee and served for eleven years. In that span I also was appointed the Township Board representative to the Planning Commission. After the sudden passing of our long-time Supervisor, I was appointed Supervisor by the Board of Trustees to finish out his term and have continued to serve the residents of Lodi Township in this capacity for over 20 years. I have forged a trusted relationship with various Washtenaw County governing agencies including the Road Commission, Health Department, Sheriff's office, building department and the drain commissioner's office. I have attained a Master Citizen Planner status and have completed the MSU Zoning Enforcement Program and continue educational opportunities on a very regular basis.</p>	<p>Lodi Township embraces the vision of maintaining a very special community nestled between the large urban areas which surround our six square miles on three sides. Looking toward the future I know residents appreciate and desire to retain our unique character as the community moves forward. Our agricultural community is held in high regard and we value preserving as many farms as possible. As an example, Annie G's Dairy, the first of its kind in the United States will open soon, producing their A2A2 milk which is variant of the milk protein cows produce which makes it easier for people with dairy intolerance to digest. My goal is to continue supporting the Lodi Township Master Plan and Zoning Ordinance; the documents that the township board, planning commission and residents have created that govern our township and allow us to maintain the unique character where we all call our home.</p>	<p>Rural townships surrounded by more urban areas with population densities far greater than our own are all experiencing intense pressure by developers who would rather see houses instead of farms or open space. The challenge for all townships is how to maintain individual township visions established through approved Master Plans and Zoning Ordinances, yet allow for growth that the infrastructure of communities can handle. I have been involved with the development and revision of several Lodi Township Master Plans and Zoning Ordinances. I believe our township is such a desirable area because of these documents and the commitment to administer them. I will continue to implement these guiding principles. Lodi Township has always been a friendly place to live with neighbors who respect each other and respect different views, opinions, and lifestyles. I will continue to build on community engagement, foster peace and nurture respect among neighbors.</p>
<p><b>Barry Wauldron (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I earned an MS in urban planning and historic preservation, and will bring an informed, progressive approach to planning and zoning. I am also a state-certified Level III assessor and will bring that experience to the complex property tax assessing process. I have three years' experience as a code enforcement officer which also helps me understand the zoning and ordinance process. Finally, I was a certified teacher and have many years of teaching experience at the community college and university level. I am able to use this skill to explain complex issues to residents and am always looking for ways to inform people and make information readily accessible. I think this is an essential role of local government.</p>	<p>I want to bring a progressive approach to planning and zoning that manages growth with a focus on sustainability and preserving the rural character of Lodi Township. This includes reducing "sprawl", protecting farmland for the future and enhancing the natural areas for wildlife to thrive. I will work to leverage the assistance of our university community to develop new policies that will forward these goals.</p>	<p>I think Lodi Township can do a better job communicating clearly and consistently with our residents and stakeholders. I want to overhaul the township website and forge new ways to inform and engage people about township issues and events.</p>

<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with limited resources?</p>	<p>What thoughts do you have about the current voting procedures?</p>
<p><b>Christina Schaible Smith (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have worked in the clerk's office, first as deputy starting in 2013, then I was appointed as Clerk in May of 2014, taking over for Clerk Masters. During my time as deputy I was trained by Clerk Masters, and learned hands on the daily ins and outs of the Clerk's Office and the Election Process. I have attended Clerking 101 through Michigan Townships Association, along with numerous State of Michigan Training and seminars, keeping up to date on all trainings through the state and Washtenaw County. I have successfully conducted 22 elections for Lodi Township, including those through a pandemic. I have lived in Lodi Township my entire life (all 48 years!), my parents still operate our family farm in Lodi. I have raised my kids in this Township. Not many people can say that they have graduated from the same high school as their parents and children. This Township IS home and always will be home to me. Being Clerk is not just a title to me, it is being part of the history.</p>	<p>All of my duties are mandated by Michigan Compiled Law, Michigan Election Law, Michigan Township Law. My job exists to provide these mandated services. In performing my duties I do nothing political or partisan. The following are my job responsibilities: Maintain all Township record, work along with all boards, work with Assessor, Planner, Attorney, Engineer, legal notifications and updates as required by law, receive and process all applications for all Boards, receive all incoming correspondences via mail, maintain cemetery records, process and write the warrants for bills, maintain contracts, maintain the supplies and maintenance of the Township Hall &amp; historical Township Hall, attend all Board of Trustee Meetings and other meetings as necessary, maintain Township website, work with Washtenaw County Sheriff for substation space, knowledge of Township history, people and businesses, and Election Implementation. My goal is to continue in this position and serve the Township.</p>	<p>All voting procedures are mandated by law. I follow all voting procedures as mandated by the State of Michigan. I am open to conversation for anyone who would like to discuss this. Having a qualified team of Election Workers makes my job very easy (but long) on Election Day. With all the changes in Election Law there has been an increase in voting, being able to register in person and vote on Election Day is a simple process that clears up many issues a voter may have. Election Procedures have changed in the 10 years that I have been in this position, I have learned many things through this process, and the changes although challenging at times have been good changes that have adapted with the times.</p>
<p><b>Eric John Roberts (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I hold a Graduate Certificate in Election Administration from the University of Minnesota and a B.A. in Public Administration from Grand Valley State University. In addition, I am the only Master Municipal Clerk (MMC) in this race, a professional designation given to around 60 Michiganders ever, which amounts to 2000+ hours of professional development on managing a clerk's office, election administration, budgetary oversight, human resources, and document retention. I have been a poll worker since I was 16, and in 2022 I was the elections coordinator for Kalamazoo Township where I trained over 100 bipartisan poll workers on election day laws and procedures. I will work hard to keep all poll workers up to</p>	<p>The Township Clerk is tasked with election administration, budgetary oversight, managing public records, and providing information to the public. I will rework the Township's website to provide important notices front and center to the public, to explain all relevant voting procedures, and publish all responses to FOIA requests. The Township website is often incorrect and has many outdated links and information. I will work hard to provide reliable and consistent communication to residents, including by creating a quarterly newsletter that tells residents what their Township Board has been doing and asks residents for feedback. I will provide more transparency to Lodi Township by recording Board meetings and ensuring that the Open Meetings Act is actually followed in every meeting.</p>	<p>Michigan elections are safe, secure, and more accessible than ever. I was proud to support expanding voting protections in 2018 and 2022, which now allows Michiganders to vote by mail for any or no reason, to vote early in-person for 9 days, and to register to vote (or update your voting address) all the way through Election Day. To view all voting information for Lodi Township voters, visit <a href="http://www.progress4lodi.org/how-to-vote/">www.progress4lodi.org/how-to-vote/</a></p>

<p>date on Michigan's election laws and will record more parts of election preparation to show Michiganders just how safe, secure, and accessible our elections are. I am now a law student at the University of Toledo and have trained others on the Open Meetings Act and the FOIA.</p>

**Lodi Township Trustee**

**4-year term**

**VOTE FOR 4**

<p><b>CANDIDATES</b> <i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with limited resources?</p>	<p>What are the most serious problems facing the township and how will you work to solve them?</p>
<p><b>Samantha Mamarow (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I believe my lifelong experience in agriculture and involvement in the community qualify me as the best candidate to serve on as a Trustee on the Lodi Township Board. I am passionate about agriculture and the future of Lodi. I am the fourth generation on my family farm and farm with my parents. I have been involved in Washtenaw County 4-H, currently serve on the Saline Community Fair Board of Directors and the Washtenaw County Farm Bureau Board of Directors. I graduated with a bachelor's degree in animal science from Michigan State University in 2015.</p>	<p>My goal is to preserve Lodi Townships Agricultural roots.</p>	<p>The most serious problems facing the township is urban sprawl and development pressure.</p>
<p><b>David A. Naebeck (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>
<p><b>Donald A. Rentschler (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I am a graduate of Saline Community Schools and lifelong resident and worker in Lodi Township. I have served for 18 years as a Lodi Township trustee.</p>	<p>I will work to maintain low Township taxes and quality road conditions.</p>	<p>Urban sprawl and maintaining the rural character of the Township are current problems for our community.</p>

<p><b>Jacob O. Schaible (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>
<p><b>Leslie Blackburn (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I'm a passionate advocate for community empowerment, bringing a unique fusion of technical expertise and nature-inspired wisdom to my campaign for public office. I have a robust background and over fifty years of life experience including a BS and MS in Mechanical Engineering, 15 years in corporate engineering and management, and another 15 as an entrepreneur in empowerment, healing and body sovereignty work. I've honed problem-solving skills, community facilitation, and strategic planning abilities, offering efficient solutions to intricate challenges. I am now answering my calling to serve both the land and the broader human community, which led me into the realm of politics.</p> <p>As a mom, my vision emphasizes care and connection, aiming to create governance that is fair, transparent, inclusive, and prioritizes the needs of all residents. My approach is characterized by a blend of joy, wisdom, and a commitment to care—for our bodies, each other, and for the planet we call home.</p>	<p>The three pillars of my campaign:</p> <p>Protect the Land - Advocate for better land use decisions that balance nature, tree preservation, our rural agricultural heritage and community needs.</p> <p>Share the Process - Push for government transparency and ensure public rights are respected. Improve our communication with residents including: posting meeting packets publicly, recording our public meetings, posting those recordings on the website, sharing public notices in a way that is easily subscribable.</p> <p>Empower the People - Facilitate accessibility and inclusivity in township meetings, create a safe space for all voices to be heard. Create a working list of priorities that is available on the website, and a suggestions/feedback mechanism so people can send input and trust that it's being seen by all involved.</p> <p>These basics are a simple start with huge benefits. Ways to do them are freely available with today's technology, requiring little to no additional cost to the township.</p>	<p>Development pressures that are not in balance with the land and the neighbors. Difficult to access public information, lack of transparency in governance, repeated errors on the website. Lack of support to navigate confusing legislation. Public noticing is ineffective and often broken, meetings that don't support ease of public access.</p> <p>I have years of community building, facilitation and conflict resolution experience. Yet I can't do this alone. It takes a community. What's crucial is to start by listening. I've been talking with residents on the campaign trail, and making a list of their concerns which include: well depletion and water quality, road sealing and maintenance, encroaching noise and light pollution.</p> <p>We need to build trust together. I will work with my fellow board members, community experts, regional partnerships, and collaborate with the public with fairness and transparency to come up with the right solutions for our area.</p>
<p><b>Steve Marsh (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have worked and lived in Lodi Township for over three decades. Lodi Township is the place where my wife and I decided to start our family businesses and a 501(c)(3) non-profit. As the owner of several small businesses, I have experience in accounting, human resources, and management. All of these skills would help foster a professional and organized environment at the Board of Trustees. As the founder and head-curator for The Creature Conservancy, a non-profit focused on promoting conservation through education, I have always been passionate about bettering my community. I have spent the past twenty years waking up before sunrise every day to make sure that every animal has the highest standard of care.</p>	<p>As your Trustee, I would like to create more transparency so that community members can access what's going on in the Township. It would be simple to update the Township website to make sure that residents can stay up to date on their concerns as well as get notified of upcoming meetings. I will prioritize the organization of documents and notes to keep a clear record of issues before the township. We deserve a Board of Trustees who makes it possible for residents to stay involved in decision-making. Additionally, I know that my parent's generation was able to work reasonable hours, raise a family, and buy a home comfortably. I worry that my children and neighbors aren't afforded such economic mobility. As a business owner, I prioritize fair pay, good working conditions, and benefits to make sure that all workers can lead a life they are proud of. I want to see our township working with union businesses and ensuring that all people can access affordable housing and well-paying jobs.</p>	<p>One of the most serious problems facing the township is the lack of support for small businesses that puts strain on our neighbors wallets. I understand that small businesses are dynamic and need to be able to respond to changing conditions. As many of you know, when you go to the township hoping to better your business, you are often faced with excessive fees, a lack of clarity, and misinformation. We need leadership who will work with businesses, not against them. I will push for a regulatory review to ensure that our ordinances support small businesses. So many of our neighbors depend on family-owned businesses for their livelihoods, we cannot allow our local government to continue to ignore our concerns. We should value the businesses that help Lodi thrive. I hope to foster an environment where we can collaborate with business owners to make a positive impact.</p>

<p>I have partnered with nearly every school in the area to make sure that kids have access to wildlife education. I have made my little corner of Lodi a space where people can become passionate about animals, people, and our planet.</p>		
<p><b>Alex Matielski (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>My background uniquely equips me for this position. Growing up on a farm in a rural area instilled in me a strong work ethic and an understanding of the challenges faced by our community. Through my participation in the Rotary youth exchange program, I gained valuable global perspectives and developed my communication and problem-solving skills.</p> <p>Since settling in Lodi Township, I have dedicated myself to understanding the community's needs and the role of township officials. I have spent countless hours studying the local ordinances and attending township meetings. My personal experiences navigating township regulations have given me firsthand knowledge of the challenges residents face and the importance of accessible, responsive government.</p> <p>While I may not have initially envisioned myself in this role, I am confident that my understanding of local ordinances and my commitment to serving the community make me an ideal candidate for this position.</p>	<p>My top priorities if elected are empowering residents, fostering a transparent and responsive township board, and representing all of Lodi Township. I believe in accessible government, so I will work diligently to educate residents about township processes and encourage their participation. A transparent board is crucial, and I will advocate for clear communication, open discussions, and proactive outreach to ensure residents are informed. I am committed to ensuring every voice in Lodi Township is heard and considered, and will strive to represent the diverse interests of our community. To achieve these goals with limited resources, I will prioritize collaboration with local organizations, leverage existing community resources, and advocate for efficient use of taxpayer funds. I will also prioritize community engagement through public meetings, online platforms, and direct outreach to ensure that residents are informed and can actively participate in the decision-making process.</p>	<p>Lodi Township faces a critical issue: a disconnect between the local government and the community it serves. The current board's issues - lack of transparency, selective enforcement, and unwillingness to collaborate - have created a climate of distrust and frustration. To address this, I propose increasing transparency with open meetings, comprehensive minutes, and online platforms for communication. I will prioritize collaboration, hosting regular community forums to gather input and build trust. My commitment is to fair and consistent enforcement, ensuring equitable treatment for all residents and businesses. Finally, I will champion resident empowerment by actively seeking out their participation in decision-making, making local government more accessible and responsive to the entire community.</p>
<p><b>Finn Roberts (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>As someone who grew up in a working class family, I will always spend your tax dollars wisely and look for ways to keep costs low so we can invest in the maintenance of more roads. As a young person, I understand the severity of the climate crisis and will partner with other local governments to hold polluters accountable and preserve our environment. As your next Trustee, I will build a culture of mutual respect that values all residents and offers support to each other to build a more welcoming community.</p>	<p>Vote Roberts for Clean Water and Clean Government! If elected, I would focus on making water testing more readily available and fight for more support for residents trying to purify their drinking water. As a local government, we should partner with others to push back against polluters and avoid more catastrophic disasters, like Scio Township faced with the Gelman Sciences Dioxane Contamination. To make government more transparent, I support recording and streaming all public meetings and making a newsletter that informs our residents and asks for their input about the Lodi Township Board's priorities. I would also push for a new zoning plan written in understandable terms that don't allow for unequal enforcement by Township officials.</p>	<p>On the campaign trail, we have heard about unequal enforcement of zoning rules, or zoning rules that are hard to read and Township officials that don't help residents understand and meet the requirements. As a Trustee of the Lodi Township Board, I would push to make zoning rules more readable and the requirements more within reach. This is only possible with more community feedback, another area for improvement. Lodi Township has some bad roads and no plan for the public, made with their input, about priorities for fixing specific roads. I would push for a robust 5-year plan that uses community comments and road data to determine which roads are top priority for upgrades and then make this list widely known to residents.</p>

<p><b>William Long (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>
--	------------------------	------------------------

**Northfield Township Board of Trustees** **4-year term** **VOTE FOR 4**

<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with limited resources?</p>	<p>What are the most serious problems facing the township and how will you work to solve them?</p>
<p><b>Janet M. Chick (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have been in management positions for most of my working career with 25 years overseeing administration for a dental corporation at multiple locations. Most of my relatable education and experience has been working within the Northfield Township government itself since 2008. I started as a volunteer on the Northfield Township Blue Skies Committee responsible for creating a SWOT analysis that was published for township use. I went on to become a Planning Commissioner and still hold that seat after 15 years. I am currently in my 12th years as a Northfield Township Trustee. This has allowed me to gain irreplaceable knowledge of how our township government runs, as well as the needs and wants of its residents and the benefit of historical actions, plans and decisions. This provides years of perspective others may not have gained yet that benefits the policies and decisions which impacts our citizens.</p>	<p>I listen to and respond on a daily basis to our resident's concerns about those things they want to see in our township that are not provided. I have been part of developing two Master Plans and other plans to develop our downtown area, and it has been a struggle to get those plans put into action. My goal has always been to build up our downtown and make it the healthy viable downtown it has the potential to be. I will work complete the park area on the shoreline that is finally seeing movement on those previously approved plans. To do that the township has a fund balance policy that we work very hard to maintain. In some years it has been harder, but we watch our budget very closely. Going forward any budget decisions will be made with keen discernment between wants and needs for the township. Finally, to ensure development pressures do not diminish our township. We need an equal balance of new business and quality residential mindful of the rural character we hold dear.</p>	<p>We have infrastructure challenges. Our sewer system has aged and is in need of upgrading system wide. We are presently in the process of starting that project so there will be construction going on for a couple of years throughout the township along those lines. Funding is being acquired and that will require a manageable rate increase for sewer users. We have road issues and limited funds for improvement. Annually we do a review of the worst and work with the county to prioritize those that need the most attention to the point we have funds to do improvements. We have attempted each budget year to increase funding, it might be tighter next year, but we will do what we can. Again, we have development pressure and as stated above we need to be selective and make sure we are not taxing our infrastructure, PD, and FD to the point it is costing more to service our current and new residents. We also need to update ordinances and standards to make sure what we get is what we want.</p>
<p><b>Jacob Donner (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have deep roots in Northfield Township and I am very involved in the community. I have served on the Northfield Township Historical Society and the Downtown Development Authority (DDA). Currently, I sit on the Zoning Board of Appeals and I volunteer with Kiwanis, serving as the Chair of the 4th of July parade. I am also the unofficial historian of the area, collecting all types of documents and ephemera about Whitmore Lake and Northfield Township. I also make a point to attend Township meetings, both in online and</p>	<p>1) Improve walkability, by focusing on the downtown and sidewalk replacement as well as extending non-motorized pathways to the new waterfront park.  2) Maintenance and infrastructure, by applying my professional experience. The Township continues to add infrastructure including the new waterfront park. We now need to focus on hiring employees to maintain this infrastructure. We also need to focus on our Capital Improvements Plan and think about future needs and improvements.  3) Bring more professionalism to the Board, by working and collaborating with my fellow Board members. The Board has been dominated by one person in the past and this needs to change. Everyone on the Board should have a voice and be included in decision making.  4) The Township needs to work to improve their development standards. Development and growth is going to happen and we need to advocate for our</p>	<p>As I mentioned in a previous answer, I think that the Township needs to focus on development standards. We are at a very important time where we are starting to grow, and I acknowledge that there is going to be some conflict between pro-development residents and those that want Northfield Township to retain its rural character. We need to maintain the balance between preserving open space, while encouraging appropriate growth and getting the best possible developments that we can. And while we focus on new developments, I think the Township also needs to continue to pursue property maintenance and code enforcement, especially in the downtown. The majority of our property owners take care of their property, but those that do not, need to be addressed.</p>

<p>in-person so I can be informed about what is going on.</p> <p>I work for the City of Dexter's Department of Public Works and I think that my experience and training here could provide a valuable perspective on the Township Board.</p>	<p>community to get the highest quality. 5) The Township must become more business-friendly</p>	
<p><b>Nate Muchow (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>
<p><b>Mark Stanalajczo (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>Prior I held the position of Trustee on the Northfield Board of Trustees (same position I am running for). I have served on the Northfield Zoning Board of Appeals and am currently the Chairman of the Northfield Township Planning Commission. I have two degrees (Wayne State Univeristy and University of Michigan). I own a small business that has been operating for 34 years.</p> <p>I am a decorated Army veteran of two military campaigns. I am currently a Colonel in the US Army Reserves. I have held a command position in the Army for 13 years.</p>	<p>To reestablish sound monetary policy at the board level. Spending with the current township board has been irresponsible. Look into creating a regional waste water entity that can take over operational and management of the Northfield WWTP.</p>	<p>Spending and lack of cooperation within the township government itself. We need to work on better relationships between the Board and the subordinate commissions to better be able to serve the community .</p>
<p><b>Adam Olney (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I hold a bachelor's degree in Secondary Education with a major in Social Studies and a minor in Geography from Eastern Michigan University. Over the past 9 years, I have dedicated myself to educating students in Ancient World History, Early American History, and World History. Currently, I serve as the Chair of the Zoning Board of Appeals, bringing four years of experience in guiding regulatory decisions vital to our community's development. Beyond zoning, I am actively involved in enhancing community spirit through volunteer roles on the Whitmore Lake 4th of July fireworks and parade committees. For a decade, I have demonstrated my commitment to local governance by regularly attending township meetings and actively participating in public forums and town hall-style gatherings.</p>	<p>My goals, if elected, are centered on maintaining and enhancing transparency within the board. I am committed to openly communicating the rationale behind my voting decisions on pertinent issues. Additionally, I prioritize accessibility by ensuring availability for meetings with constituents to address any township-related matters or concerns they may have. I aim to leverage our current resources effectively to achieve these goals, fostering a collaborative environment that encourages community engagement and informed decision-making.</p>	<p>One major issue facing our township is funding, particularly for critical areas like North Village Park, Land Preservation, and the Downtown District. While many propose an additional milage, I believe in exploring alternative methods such as grants, private donations, and community volunteerism to support these initiatives effectively. As a member of the community and Chair of the Zoning Board of Appeals, I understand the importance of transparent governance and community engagement. If elected, I am committed to continuing this transparency by openly communicating the rationale behind my voting decisions and being readily available to meet with constituents. By prioritizing spending based on resident input and aligning with the Board of Trustees' established goals, I aim to address these challenges collaboratively and ensure our township continues to thrive.</p>

<p><b>Christopher Fick (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>Over my career, I have honed the ability to communicate complex ideas clearly and persuasively, a skill essential for effective governance. My background as a strategic project manager, particularly in government settings, has provided me with hands-on experience overseeing initiatives that require strategic planning, resource management, and collaboration among diverse stakeholders. My work has often centered on supporting small businesses, where I've helped to streamline processes and foster environments conducive to growth. This blend of creativity, practical management, and a deep understanding of operations uniquely positions me to serve as a Trustee who can bridge the gap between community needs and effective policy implementation.</p>	<p>If elected Township Trustee, my primary goals will be to protect our community's rural character, support small business growth, and ensure responsible management. I will work to preserve the small-town charm that our residents value by adhering to our Master Plan, focusing development in designated areas, and avoiding unnecessary expenditures and bad deals that burden taxpayers. I will listen to the neighbors, communities, and business owners to ensure that I govern with their perspectives and best interests in mind for the future of this township.</p>	<p>Our community's main challenge is balancing diverse priorities. Some focus on preserving our rural character, others on a thriving downtown, and many are concerned about the impact of growth on our educational system. To address these issues, I will engage with residents, seek common ground, and implement solutions that respect our shared values and specific needs. Transparent communication and thoughtful planning will be key to overcoming these challenges.</p>
<p><b>L.J.Walter, III (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>As a professional in the field of Process Improvement, I have dedicated my career to analyzing systems, identifying inefficiencies, and implementing solutions that lead to measurable improvements. My experience includes leading cross-functional teams, and driving projects to successful completion. This background equips me with the skills needed to truly absorb the township's current operations, identify areas for improvement, and implement strategies that enhance efficiency and effectiveness. My ability to collaborate with diverse stakeholders and my commitment to transparent decision-making make me uniquely qualified to serve as a Trustee.</p>	<p>If elected, my primary goal will be to ensure that township governance is closely aligned with the needs and desires of our residents, even with limited resources. To achieve this, I plan help design and implement innovative strategies to actively obtain and incorporate the opinions of township residents into decision-making processes. By employing unique solutions to gather the opinions of our residents, we can make informed decisions that reflect the true needs and priorities of our community, even when working with limited resources.</p> <p>This approach will not only help us better allocate our funds but also foster a sense of ownership and engagement among township residents, leading to a more vibrant and cohesive community.</p>	<p>The township faces several pressing issues, including a stagnant downtown, budget constraints, and limited parking. To address these, we need a balanced approach that focuses on revitalization, fiscal responsibility, and practical solutions.</p> <p>Revitalizing downtown requires creating an environment that draws people in and supports local businesses. This could mean enhancing the area's appeal and encouraging diverse activities to attract residents and visitors. Budget constraints necessitate careful prioritization, focusing on essential services and exploring additional funding sources, such as grants and partnerships.</p> <p>For parking, we should optimize existing spaces and explore opportunities for expansion, while also promoting alternative transportation to alleviate demand. Addressing these issues will require creative solutions and collaboration with the community to ensure our township thrives and meets the needs of all residents.</p>

**Northfield Township Library Board Member**

**4-year term**

**VOTE FOR 6**

<p><b>CANDIDATES</b> <i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with limited resources?</p>	<p>What is the greatest challenge facing the library today?</p>
<p><b>Julie Gruber (NP)</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>

<p><b>Education/Qualifications / Experience:</b></p>		
<p><b>Jack Secrist (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>During 2016 I was appointed to the library board, and I have since been elected to the board in 2016 and 2020. I have been serving as the Treasurer since 2017.</p> <p>My education includes a B. S. in Chemistry from the University of Michigan, a Ph. D. from the University of Illinois in Organic Chemistry. I spent seven years as a university faculty member in the department of chemistry at a Big Ten school.</p> <p>I joined a 500 employee research institute, and over 34 years held many leadership positions, retiring as the President and CEO. For over thirty years I was responsible for the oversight of the research library, and for four decades I was the executive editor of an international scientific journal I have served on numerous boards, including small companies, and on many committees for local and state government, the National Institutes of Health, and the U. S. Army. In addition, I have served as the president of two international scientific organizations.</p>	<p>The library has a responsibility to meet the needs of the community, and to be forward thinking in anticipating those needs for the future. A critical goal is to ensure that the library is open and welcoming to all who wish to use its services. The library board takes these responsibilities seriously, and works with the library director and staff to make sure that these goals are always in mind and that they govern our actions. As the treasurer, I also have the responsibility to make sure that our funds are spent appropriately and wisely. The board must be looking to the likely needs in the future, and find ways to set aside funds to cover large expenses such as possible expansion in the future.</p>	<p>Certainly meeting the needs of an evolving community from both technology and programming standpoints continues to be the biggest challenge and the biggest opportunity for the library to have a major impact on the lives of its patrons. At this point we have the funds to meet the community needs, and it is up to the board and library staff to make that happen. The library staff has done an outstanding job of developing programming of interest to all segments of the community, and the number of participants in these activities has continued to grow over the years, in contrast to what many other libraries are experiencing.</p>
<p><b>Roger D. Spooner (NP)</b></p> <p><b>Occupation / Current Position: Education/Qualifications / Experience:</b></p> <p>I retired after nearly 30 years of service with the State of Michigan. I became involved with some holiday activities at the Library that exemplified what the library means to the community. Joining the board allowed me to be part of a team of six fellow board members that work to assure that the library will continue to provide services and resources for the community.</p>	<p>The board needs to understand the library's role in the community and prepare it for future needs. The library's finances have been well managed with current and future needs in mind.</p>	<p>Keeping the library an integral part of the community by making the community aware of the services and resources the library provides.</p>
<p><b>Gerald Hermann (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have always been interested in science, technology, engineering, and math. I received my bachelor of science degree in Electrical Engineering from the University of Michigan—Dearborn. I work at Laser Mechanisms in Novi as the Head of Electrical Engineering. My</p>	<p>My main goal is to keep Northfield Township Area Library a safe place for families, a place where parents do not have to be concerned about the type of material and activities that their children are exposed to. I also want to watch over how the library spends our money. In 2023, the township collected over \$600,000 from property taxes for the NTAL. Given the seriousness of the amount collected in tax dollars, it is of utmost importance that every dollar be treated with gratitude and respect for the township's people who have sacrificed to</p>	<p>The greatest challenge facing libraries today is the influence of individuals and groups with non-traditional values and political agendas. Libraries should be a source of information that spans all spectrums but does not promote inappropriate material on children.</p>

<p>wife Tawn and I moved to Northfield Township in 2015 and are members of Calvary Baptist Church in Whitmore Lake. We are both active in the community. I have served on the Northfield Township Library Board as the secretary since being elected in 2020.</p>	<p>pay for the NTAL. As a trustee, I aim to ensure that the library remains accountable to its community and that every dollar is spent responsibly and transparently.</p>	
<p><b>Carl Watkins (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>
<p><b>Jennifer Olney (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>With a master's degree in higher education and 14 years of residency in our town, I bring a deep understanding of both educational needs and our community's unique character. I have previously volunteered on other local, community organizations and believe in the value of public service. My background equips me to support the library's role as an educational resource, while my long-term connection to the area ensures that I am in tune with the interests and needs of our residents.</p>	<p>I believe access to information is an essential human right that public libraries have a duty to provide. My goals are to understand the needs of our community and set policies that are attainable and fiscally responsible for the Director.</p>	<p>I believe the greatest challenge facing libraries today is the attack on banning books and efforts to defund such an incredible public resource. In a community such as ours where people do not have access to high-speed internet or technology it is imperative that a service such as a public library do all it can to provide inclusive access to a multitude of educational mediums to its residents.</p>
<p><b>Roger Combs (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>
<p><b>Bryan King (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>
<p><b>Katherine Kempf (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>

<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with limited resources?</p>	<p>What are the most serious problems facing the township and how will you work to solve them?</p>
<p><b>John V. Kingsley (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have a BS and MA and have attended many educational workshops related to township governance. I have had the opportunity to serve the residents of Webster Township for many years which has given me insite into the needs of our citizens. Our team has made our township one of the most fiscally responsible townships. While not all of our decisions are popular with everyone, they have proven to be the best for the majority of our residents.</p>	<p>I wish to see the completion of our broadband buildout and improvements to our road system. At this time, the buildout is progressing and hopefully will be complete by the end of the year. This has been a multi year process: starting with an informal group of people from the western Washtenaw area, to the Washtenaw County Broadband Task Force and finally the Washtenaw County Board of Commissioners fund the project. The road improvements are an even greater challenge. The State of Michigan has all but abandoned the local roads of the State. Webster Township has over 41 miles of "gravel" roads. The State funding provides money to support "primary" roads but not the road in front of many of your homes. Roads are owned by and are the responsibility of the County. Our Township has attempted to improve our local roads over the years by providing additional funding for projects to the point that this years expenditure is greater than the tax dollars that we receive into the general fund.</p>	<p>The single biggest problem that we face is how to get all of our roads in good shape. One improvement will be a new roundabout at Mast Rd., Huron River Dr. and Joy Rd. in 2027 funded primarily through grant money. Annually, we look at which roads require the most help and the Township Board has hard decisions to make within the dollars that we have to spend. We continue to advocate to our state represenatives that more help is needed for these local roads. The Township Board has placed a ballot proposal on the August ballot to let our voters decide if they wish to fund improvements at a higher level or not. The Board is letting the voters decide.</p>
<p><b>L. Michael DeAngelo (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have been a resident of Webster Township for over 30 years. As both a landowner and a hay farmer with farm animals, I have a strong commitment to ensuring that Webster remains a unique place where families can enjoy its rural nature, natural beauty, and open space. As an attorney who recently retired after 27 years Michigan appellate courts, I am uniquely suited to explaining the sometimes confusing or contradictory statutes and ordinances that impact Webster Township. My distinct skills also allow me to help ensure that the ordinances Webster enacts and revises are consistent, easily understood, and meet the residents goals as reflected in the master plan, while protecting individual property rights and activities to the greatest extent possible. Also, as a former trustee of the Dexter District Library for 14 years, including when the new library was built, I have experience balancing a budget, working with contractors, and making effective sound policy and employment decisions.</p>	<p>My goals, if elected, include helping update the confusing, impractical, or outdated portions of the Township's ordinances, such as who is included as a "family" for single-family zoning, what constitutes a private road, and the categories of home-based businesses. I will also work to update the online format of our ordinances to enable easier resident access and searchability. Further, I plan to help develop an more efficient method for residents to obtain information and provide regular input on pending matters. I will promote transparency and accessibility, including modernizing township meetings to provide access to all, such as people with mobility/transportation issues, through the use of recording technology and remote participation. Another goal includes continuing the township's ability to preserve its rural character from development pressures by leveraging the use of PDR funding with outside grant resources to encourage protection of farmland and natural features.</p>	<p>Challenges currently facing the township include animosity between the board and some Webster residents, maintaining the township's rural character in light of outside development pressures and inadequate infrastructure, and providing timely, accessible, accurate, and transparent information about township expenditures and the reasons behind the decisions to spend tax dollars. Many of these and other problems can be alleviated by increasing means of communication with residents so they feel that the supervisor and board members are listening to and considering their concerns. Further, educating residents about the use of tax dollars and other funding sources while seeking input helps to effectuate the universal goals of limiting tax increases and preserving the rural character of the township. My education and experience will help to deescalate conflicts, avoid unnecessary or frivolous legal action, and helping to draft common sense ordinances and practical solutions to problems.</p>

**Webster Township Clerk**

**4-year term**

**VOTE FOR 1**

<p><b>CANDIDATES</b> <i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with limited resources?</p>	<p>What thoughts do you have about the current voting procedures?</p>
<p><b>Barbara Calleja (Dem)</b>  <b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>
<p><b>Tony Brovont (NP)</b>  <b>Education/Qualifications / Experience:</b>  While it would be quite presumptuous to claim to be the best candidate, I do have a number of qualifications for the position. The township clerk is responsible for three major areas of administration: conducting elections according to state and federal requirements, acting as the local comptroller and maintaining the official records of activities of the township boards, commissions and committees. I have earned a bachelors degree in accounting, an MBA in finance and taxation and a MS in sustainable tourism. In addition I have worked all my professional life in finance, accounting and human resource management. The conscientious compliance with a multitude of state and federal regulations required in managing people allows me to be familiar with the application and execution of laws and is directly transferable to election administration and record maintenance. My education and experience in accounting allows me to fulfill the role of township comptroller with accuracy and competence.</p>	<p>First, I would like to review and update the policies of the township. Then I would like to create an improved method of indexing and publishing records related to Board agendas, minutes, resolutions, policies, etc. Currently, these documents are in kept in a system that is very difficult for the public to access. Providing organized electronic access, preferably on-line, should be attainable with the current technology. However, it will take a great deal of human effort to accomplish a conversion. This should be possible by moving current staffing effort from election duties in non-election years. I would also like to use the clerk's office to improve communication with our residents. Ideally, regular substantive contact would foster participation, especially as it pertains to voting. Again, the township has the tools to do this, but it would be wise to look at how other townships are accomplishing this goal and adopt their best practices in addition to devising our own methods.</p>	<p>The current voting procedures are in transition in order to comply with the voters' passage of Proposal 22-2 as well as other expansions to access to the ballot. While maintaining security and integrity, all election officials from the Secretary of State to the local precinct Election Inspectors have had to adapt. This has been especially tumultuous for the election officials at the local level, such as in our township. Webster has had to change processes to accommodate absentee voting that has increased ten fold over the past few years and work with our County Clerk to coordinate early voting sites - just two examples of changing requirements. Voters are justifiably confused in many cases over when, where and how to cast their ballots so a great deal of education falls on local shoulders. Eventually, all of this will be sorted out, but at the moment there are many aspects of election administration that are in flux.</p>

**Webster Township Treasurer**

**4-year term**

**VOTE FOR 1**

<p><b>CANDIDATES</b> <i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with your current resources?</p>	<p>What are your thoughts about the current tax system in your township?</p>
<p><b>John Scharf (NP)</b>  <b>Education/Qualifications / Experience:</b>  I am a Michigan Certified Professional Treasurer (MiCPT) and I have served on the Webster Township Board for eight</p>	<p>(1) Maintain Webster's debt free status by not borrowing. (2) Insure the protection of Township funds through the vigilant application of prudent checks and balances. We are also constantly implementing the latest techniques to avoid continuous fraudulent attacks.</p>	<p>Of the tens of millions in property tax that Webster Township collects each year, the vast majority, 66%, goes to schools (Dexter, Ann Arbor, Whitmore Lake, Pinckney, WISD, LESA &amp; WCC). The next largest portion, 20%, goes to Washtenaw County. Another 4% goes to libraries (Dexter &amp; Ann Arbor). Finally, Webster Township retains 11% for use in direct</p>

<p>(8) years, the past five (5) as Treasurer. I also serve as Treasurer for the Dexter Area Fire Department (DAFD) and the Dexter Senior Center (DSC). 35 years of international business experience have prepared me well to effectively serve my fellow residents of Webster Township. My network of support includes treasurers and others from the Michigan Townships Association (MTA), the Michigan Municipal Treasurers Association (MMTA), the Washtenaw County Treasurers Association and more.</p>	<p>(3) To recruit talented residents to support the work of the Township and to support reliable succession planning. (4) As a Board Officer, I am committed to optimize everyone's enjoyment of their property and community.</p>	<p>service to Webster. Property tax is an undesirable way to raise revenue, but it is the only method allowed by the State of Michigan.</p>
<p><b>Catherine Boudreaux (NP)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>A resident of Webster Township for almost twenty years, I have experience working in both education and finance. After earning a degree in history, I taught classical philosophy and Latin to high schoolers, all of which gave me a background in the humanities, critical thinking, and evaluating all sides of an issue. For the past three years and counting, I have worked in accounts receivable at a multi-million-dollar corporation. This has provided me with experience both in accounting and in holding sensitive and sometimes difficult conversations with customers about money while remaining professional and empathetic.</p>	<p>My main goals are to keep taxes low and to prevent government overreach. Townships are the most local level of government; in the words of the Michigan Township Association, they are "the perfect example of neighbors leading neighbors, of government closest to the people." Therefore, I believe it is crucial for the township to avoid an unnecessary increase in taxation or micromanagement of its citizens with more complicated ordinances, such as requiring permits for even the smallest home-based businesses. To this end, I will work to make sure that funds are allocated to things that are truly necessary, not to budget increases that facilitate more government overreach. I will also work to make the most of the funding from the county and higher up, instead of adding more burden on the township level.</p>	<p>Whenever possible, taxes should be lowered while still making sure to responsibly maintain the township's infrastructure. Citizens also deserve to have potential long-lasting changes for taxes communicated to them clearly and effectively. For example, things like millage increases should not be proposed in the primary election when fewer citizens will see it or have the knowledge to vote on it. Also, where applicable, township ordinances should not be based on net property when citizens are taxed for gross property. If citizens are taxed for land, they should be able to fully utilize it.</p>

**Webster Township Board of Trustees**

**4-year term**

**VOTE FOR 4**

<p><b>CANDIDATES</b></p> <p><i>(Visit <a href="http://VOTE411.org">VOTE411.org</a> for Responses to additional questions)</i></p>	<p>What are your goals should you be elected and how will you work to accomplish them with your limited resources?</p>	<p>What are the most serious problems facing the township and how will you work to solve them?</p>
<p><b>David D. Daily (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have held leadership roles in automotive manufacturing for over 35 years developing teams to exceed their goals. The past 15 years I had a global role, with a strong ability to manage across cultures &amp; internal company boundaries while coaching teams to achieve high performance standards, meet tight deadlines, solve dynamic problems to deliver results on budget. My style is servant leadership with clear communication, follow-up, accountability, and treating everyone with respect and empathy.</p>	<p>Improve the communication between the Board and the community. Also work to insure all sides of concerns are understood and that actions by the board are appropriate and address the root cause of the concern. This can be through better / direct follow-up to public comment concerns and ideas, special meetings and personal 1:1 communication. Helping to preserve our open land which is why most folks come to this community. Also preserving the township's control over land use rather than state control.</p>	<p>The top concerns are: Communication - explaining to the township residents in a clear concise way. My previous experience required us to clearly state the problem or concern needing improvement. Then we had to explain what were the options for change with anticipated costs and outcomes - including do nothing. I believe implementing a process to show the logic and have it visible to all would go a long way in improving communication. The township does have an email distribution system that residents can sign up for, however, at this time it has not been utilized. Roads - our highest budget item and yet Washtenaw County is responsible for the maintenance and improvement of our roads. Requesting quarterly attendance by the Road Commission at the Board</p>

<p>Along with my commitment to the community, my style and background give me the tools to successfully represent the residents of Webster Township. Insuring concerns are addressed with all views represented is very important to me.</p> <p>I hold a BS in Mechanical Engineering from UW- Madison and completed the Strategic Leadership Series at UW- Milwaukee.</p> <p>My wife (Dianne) and I raised 4 daughters in the Dexter schools and now are the proud grandparents of 10. I am a Church volunteer &amp; past treasurer.</p>		<p>Meetings should be mandatory. Also, special meetings with the Road Commission that are clearly communicated to the residents for all to participate. The goal to better hold the Road Commission accountable and reduce additional millages.</p>
<p><b>John M. Gills (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have a degree in civil engineering and worked as a municipal engineer for local townships, including working with municipalities to design and build local infrastructure. I understand how projects are built. I also worked on large construction projects and had to manage million-dollar budgets. I now own a contracting business and I know what it's like to deal with over-complicated zoning.</p> <p>I've been engaged at the Township level since I moved here 5 years ago and see some of the struggles of the current administration. A lot of residents are seeking a change in which the Township does not serve the needs of a few and I believe I can offer that.</p>	<p>My first goal would be to just simply be honest. Many residents do not trust the current administration and I hope, if nothing else, to build trust in our township government. I believe by being forthcoming with board meeting agendas instead of a last minute update on the website will help residents become engaged. I also believe we are overtaxed. The citizens are asked this primary to approve two millages, however the Township has not provided any plans on how the additional money will be spent.</p>	<p>The Township has, in my opinion, put off addressing properly zoning parcels which has resulted in attempts to treat all properties the same, leading to complicated ordinances. This has become a serious problem because an outside consultant from a primarily suburban township has been hired to rewrite many of our zoning ordinances. A good administration would seek to properly organize the township parcels instead of trying to govern with one big brush.</p> <p>I also believe there has not been a detailed plan on repairing roads but instead small band-aids with inconsistent funds. I would seek to put forth a detailed road repair plan in coordination with the Road Commission and make it public for the residents.</p> <p>And finally: chickens! If you want chickens (and your HOA doesn't forbid it), then you should be able to have chickens. We're about 3 years into this debacle and it's time it ends.</p>
<p><b>Richard Kleinschmidt (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p>	<p>DID NOT RESPOND</p>	<p>DID NOT RESPOND</p>
<p><b>John H. Westman (Rep)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>As a lifelong resident of Webster Township, I have the historical perspective and institutional knowledge to continue my service as township trustee. I am a graduate of the U of M School of Natural Resources. As such, I appreciate the rural character and the wonderful natural features that we share as township residents. I, along with former Planning Commissioner Erica Perry, worked diligently to</p>	<p>I would like to continue serving with the land preservation program. It has been very successful and has significant resident support. We have established a Parks and Recreation Committee. It needs more guidance from the Township Board. I can provide the necessary leadership to move the process forward. Roads are a major concern. I will work toward the establishment of a long-term road improvement program. The recently passed dedicated millage will be a great help in that regard. The sound system in the township hall is woefully inadequate. I will continue to advocate for a modern system. The resources are there.</p>	<p>Of greatest concern to residents is the poor condition of our gravel and limestone roads. Although road maintenance is the responsibility of the County Road Commission, in practice, the required maintenance is seldom adequately performed. We will establish a working group of board members and citizens to recommend a path forward to facilitate the necessary improvements. We have a dedicated millage to support this effort.</p> <p>Effective communication with our residents is an ongoing problem. I am open to suggestions on how this might be improved. I know we need to promote better meeting attendance. I believe that</p>

<p>establish our Natural Rivers District which provides protection for both the Huron River and the majority of Arms Creek. As chair of our Farmland and Open Space Preservation Board I am pleased to report that over the past twenty years we have protected nearly 3,000 acres from development.</p> <p>As a retired Army officer, I possess the leadership skills that have allowed me to overcome resistance and to move projects forward. The new fire hall, built with no additional taxation, is an example. Some folks thought it was not the time. My position was, if not now, when?</p>		<p>the totally inadequate sound system in the Township Hall discourages people from attending meetings. The audience simply cannot hear what is going on. Those who do attend meetings know that I have pushed to replace the system. There is currently not enough support on the Board to make it happen. Residents need to demand that the infrastructure be upgraded to a functional system.</p>
<p><b>Jeff Harms (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have Bachelor's degree in Construction Management and am a certified Asset Manager. I have been in public service for over 34 years. Previous experience includes 30 years working for Washtenaw County, the last 20 of which was at the Water Resources Commissioners Office, retiring as the Director of Field Services. I have served as a Trustee for Webster Township since 2020, and currently sit on the Zoning Board of Appeals. As a result of my work experience, I am very accustomed to trying to find the most favorable long-term solution within a very limited budget, while working with residents regarding thier concerns.</p>	<p>I look forward to continuing to serve the township residents by supporting policies and decisions that are fiscally responsible, sustainable, fair, and equitable. I plan to lend my expertise to any construction projects either building, site developement, or road work that impacts the township and its residents.</p>	<p>There are some challenges facing the township. One is our roads. While the township currently recieves no road funding, leadership recognizes this as something extreamly important to the residents. The board has budgeted annully for road work in conjunction with the Road Commission, working to leverage the best possible results from taxpayer dollars. Over the last two years we partnered with the Road Commission, securing grants to fund culvert replacement. A second challenge is planning and zoning. These two things are essential to maintaining the integrity and appeal of the area. Trying to balance that with property rights is always challenging.</p>
<p><b>Dan Munzel (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>As Director of Real Estate at ITC, my team manages the real estate for 17,000 miles of high voltage electric transmission lines in 8 states. This requires collaboration, creative thinking, and excellent communication skills including listening to ideas from many. My ability to lead, find solutions and gain buy-in from many are skills that I also bring to the Webster Twp Board today.</p> <p>I was appointed to the Board in 2019 and elected in 2020. The Board is a well-functioning body focused on solving issues for our residents. I also serve as Secretary on the Dexter Area Fire Administrative Board, which provides oversight to the DAFD.</p> <p>A key function of any board is to manage the budget and finances, done through prioritization and management of limited resources. My professional</p>	<ol style="list-style-type: none"> <li>1) Ensure wise fiscal management of Township resources, with a philosophy of the lowest taxes for the greatest good. This can be accomplished by supporting policies and programs that are specific, efficient and benefit as many residents as possible;</li> <li>2) Work to improve the public safety of the community, with the opening of the new Fire Station and wise management of Sheriff Deputy support. The completion of the Fire Station has enhanced the Dexter Area Fire Department (DAFD) response time in Webster Township, especially in the NE quadrant of the Township;</li> <li>3) Maintain the rural character of the Township. We can accomplish this by continuing the very successful Farmland and Open Space Preservation program and managing new growth and development; and</li> <li>4) Ensure the Board and Board members are accessible, communicating and listening to hear concerns and challenges our residents are facing.</li> </ol>	<ol style="list-style-type: none"> <li>1) Managing and maintaining our gravel roads to provide a safe and smooth driving surface. We need to continue pushing the Washtenaw Co. Road Commission for a coordinated long-term maintenance and improvement plan. This will help the WCRC better align their work with the road priorities of our residents.</li> <li>2) Improving the internet infrastructure necessary to support our community. The County-wide investment in broadband infrastructure was approved in 2022 and work is underway to install high-speed fiber optic lines throughout the County and Webster Twp; and</li> <li>3) Managing our budget and working to ensure the Board allocates tax revenue in a fiscally responsible manner. Should our State Revenue Share decrease, we will need to cancel or delay spending to offset revenue losses and seek alternate funding sources (grants) to support specific programs. Working collaboratively with the other Board members and the great staff at the Twp, we can solve the challenges we face today and tomorrow.</li> </ol>

<p>and Board experience make me a highly qualified candidate for re-election. Finally, I received a BS from the Univ. of Mich. and have lived and raised my family in Webster Twp for over 27 years.</p>		
<p><b>Brant Savander (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>EDUCATION: Texas A&amp;M, Maritime Systems Engineering. BSc. 1989. University of Michigan, Naval Architecture. MSE. 1990. University of Michigan, Naval Architecture. Ph.D. 1997.</p> <p>EMPLOYMENT: Principal Research Scientist, Owner. Maritime Research Associates. Ann Arbor, Michigan.</p> <p>BACKGROUND: Registered Professional Engineer. State of Michigan. Advisory Board, Naval Architecture Dept., University of Michigan. National Parks Foundation, Member. Whitewater Rowing School Qualified, state of Colorado.</p> <p>TOWNSHIP EXPERIENCE: Board of Review, Webster Township, 2017-2018. Board of Trustees, Webster Township, 2019-2020.</p>	<p>The fundamental guiding principal for township management is to live the Master Plan. The Master Plan is developed in conjunction with township residents and should also be continually updated.</p> <p>Two of the most common comments made by residents is to maintain the country character and keep improving the roads.</p> <p>The country character is best maintained via three township management mechanisms, which includes Farmland and Open Space Preservation (Proposal B), balanced zoning planning, and a zoning ordinance that balances property owner rights with adjacent landowner rights and interests.</p> <p>The road question is addressed by planning and available financial resources. The goal is to establish a 3, 5, and 10-year plan to maintain the gravel roads and culverts in conjunction with the road commission. If Proposal A passes, the maintenance cycle for the 41 miles of gravel roads would be every 3-5 years. If Proposal A does not pass, the maintenance cycle would increase to 8-9 years.</p>	<p>As discussed above, two of the biggest challenges facing township management are maintaining the country character and improving the quality of the roads.</p> <p>Residents moved to Webster Township in many instances because they love the beautiful open spaces and countryside. Those motivations are also very often coupled with the love of keeping and raising farm animals. The current zoning ordinance modifications are nearly complete to allow farm animals on less than 5-acre parcels. For example, households living on less than 5 acres should absolutely be able to raise chickens to have fresh eggs for their family.</p> <p>Improving communication with the residents is also of keen interest. In this day and age, having both regular informational newsletters and a presence on both Facebook and Instagram is logically a great place for the residents to stay connected with all of the latest happenings at their township.</p>
<p><b>Shelley Vrsek (Dem)</b></p> <p><b>Education/Qualifications / Experience:</b></p> <p>I have four years of experience as a Webster Township Trustee. I am appointed to the Michigan Board of Social Work by the Governor. I am the President of the Dexter District Library Board. I am also a member of the Webster Township Natural Features Committee, which is focused on partnering with residents to preserve Webster Township's natural infrastructure and beauty. I am a social worker who has been in leadership roles for more than 20 years. I am an expert at policies, risk management, quality processes, measurable outcomes, strategic planning and managing tight budgets for sustainability.</p>	<p>My primary goal is to balance the rights of residents with the sustainability of the township. This balance should be achieved while preventing undue cost to residents or the Township. I believe this is best done through offering public opportunities to hear from residents, by learning about what similar townships have faced, and how other townships have prepared for potential risks. I also want to improve access to our meetings so that we can continue to encourage community participation. To do this, we need to improve the technology in the Township Hall. This includes microphones, speakers, and video conferencing equipment to record all meetings and allow people to join virtually. In addition, I would like screens that connect to computers so that the audience can see what the Board is reviewing during the meeting. The Trustees have been working to include this in the infrastructure upgrade that is currently happening.</p>	<p>The residents continue to express concern over transparency. I welcome hearing the different perspectives of residents and will continue to advocate for additional meetings to input.</p> <p>The most common complaint from residents is the roads. The Board has worked hard to set aside money specific to road repairs. In 2023, we were able to use some of that money to secure a matching grant to repair several culverts. We continue to look for opportunities to use our tax dollars to leverage additional monies for local road projects, even though roads are Washtenaw County's responsibility. The animal ordinance is an issue among residents right now. The ordinance needs to be updated in order to allow residents with less than five acres to have smaller animals, like chickens and rabbits. I take all opportunities to learn from residents, our Zoning Admin, and MDARD. I will continue to listen and provide input in order to get a practical ordinance that protects the Township, residents and animals.</p>

**Ann Arbor City Proposals (4)**

**Ann Arbor City Charter Amendment Creation of a Sustainable Energy Utility Proposal A**

The City of Ann Arbor proposes to create within its boundaries an opt-in, publicly-owned Sustainable Energy Utility (“SEU”) to (i) supply, generate, transmit, distribute, and store electricity, heat, cooling, light, and power (all from renewable sources); and (ii) provide energy-related services. The SEU could, for example, provide individual or networked rooftop solar panels, heat pumps, geothermal systems, or batteries to customers to supplement existing utility services. The SEU will be fee-based. This proposal does not authorize new taxes.

Shall the Charter be amended to authorize the City to establish, construct, own, and operate an opt-in Sustainable Energy Utility?

**Ann Arbor City Charter Amendment Authorizing Tax for Park Maintenance and Capital Improvements Proposal B**

Shall the Charter be amended to authorize a tax up to 1.10 mills for park maintenance and capital improvements for 2025 through 2044 to replace the previously authorized tax for park maintenance and capital improvements for 2019 through 2024, which will raise in the first year of the levy an estimated revenue of \$8,519,150? In accordance with State law, a portion of the millage may be subject to capture by the Ann Arbor Downtown Development Authority and the Washtenaw County Brownfield Redevelopment Authority.

**Ann Arbor City Charter Amendment Non-Partisan Elections Proposal C**

It is proposed City Charter Sections 13.4, 13.8, and 13.11 be amended to provide for election of non-partisan candidates for those offices by filing of nominating petitions and removal of reference to a candidate’s party designation on the ballot. Shall this proposed amendment to the Ann Arbor City Charter be adopted?

**Ann Arbor City Charter Amendment Fair Elections Fund Proposal D**

It is proposed that the City Charter be amended to add Section 13.7 to provide for a continuing and non-lapsing Fair Elections Fund with three-tenths of one percent of the City’s general fund, as appropriated by City Council for the purpose of public financing for participating candidates for City Council and Mayor who voluntarily agree to receive contributions in lower amounts and only from natural persons. Shall this proposed amendment to the Ann Arbor City Charter be adopted?

## **Washtenaw Intermediate School District Proposal (1)**

### **Special Education Millage Renewal Proposal**

This proposal will permit the intermediate school district to continue to levy special education millage previously approved by the electors. Shall the currently authorized millage rate limitation of 2.3826 mills (\$2.3826 on each

\$1,000 of taxable valuation) on the amount of taxes which may be assessed against all property in Washtenaw Intermediate School District, Michigan, to provide funds for the education of students with a disability, be renewed for a period of 12 years, 2026 to 2037, inclusive; the estimate of the revenue the intermediate school district will collect if the millage is approved and levied in 2026 is approximately \$56,900,000 from local property taxes authorized herein (this is a renewal of millage that will expire with the 2025 tax levy)?

## **Lodi Township Proposals (2)**

### **Road Improvement and Maintenance Millage Proposal A**

Shall the previous voted increase expiring in 2024 in the tax limitations imposed under Article IX, Sec. 6 of the Michigan Constitution in Lodi Township, of 1.00 mills (\$1.00 per \$1,000 of taxable value), and unchanged by the required millage rollbacks, be renewed at up to 1.00 mills (\$1.00 per \$1,000 of taxable value) and levied for 5 years, 2025 through 2029 inclusive, for Improvement and/or Maintenance of Roads within Lodi Township, raising an estimated \$567,183 in the first year the millage is levied of which a portion will be disbursed to such other or fewer local units of government as the Township Board determines appropriate.

### **Lodi Township Proposal B**

Shall Lodi Township amend Ordinance No. 2019-004 pursuant to the Michigan Regulation and Taxation of Marihuana Act, 2018 IL 1, MCL 333.27951 et seq to provide for five adult use grower and two processor, but no other, establishments to be allowed to operate in the township limits. Shall the Proposal be Adopted?

## **Ann Arbor Township Proposal (1)**

### **Proposal to Renew Ann Arbor Township Land Preservation Millage**

Shall the previously authorized millage for Ann Arbor Charter Township, Washtenaw County, Michigan of up to 0.6644 mills for Land Preservation, which expired on December 31, 2023, be renewed and levied for another five years (2024 through 2028 inclusive) in an amount not to exceed 0.6644 mills on taxable real and personal property (\$.6644 per \$1000 of taxable value) to fund the purchase of development rights for the permanent preservation of farmland and open space in Ann Arbor Charter Township, raising an estimated \$478,749.17 in the first year it is authorized and levied?

## Scio Township Proposal (1)

### Fire Protection Millage Proposal

Shall an increase in tax limitation authorized by the Police and Fire Protection Act, (PA 33 of 1951), imposed on all taxable real and tangible personal property in the Township of Scio, County of Washtenaw, Michigan, be enacted in an amount not to exceed 2.70 mills (\$2.70 on each \$1,000.00 of taxable value), for a period of 12 years, beginning in the year 2025 (December tax bill) and ending in the year 2036, inclusive, as a *replacement* of the current millage (1.35 mills) for the purpose of:

- providing funds for the Township's fire, rescue and first responder emergency medical services (non-transporting) for expenses including construction and operation of a second fire station;
- for fire fighters and administrative staff adequate to provide service from 2 fire stations;
- for replacement and additional fire apparatus and equipment acquisition for 2 fire stations;
- for improvements, renovations, repair and maintenance of existing facilities and equipment;
- for related program support for the Township's fire and first responder emergency medical Services

It is estimated that 2.70 mills would raise approximately \$4,597,351 when first levied in December 2025.

Should this proposal be approved?

## **Washtenaw County Ballot Proposals (4)**

### **Renewal and restoration of the Enhanced Emergency Communications System Millage**

Shall the limitation on the amount of taxes which may be imposed each year for all purposes taxable property in Washtenaw County, Michigan be increased by 0.200 mill (\$0.20 per thousand dollars of taxable value) for a period of ten (10) years, 2026 to 2035, inclusive, as a renewal of the 0.0960 mills previously authorized by the electors which expires with the 2025 tax levy as reduced by the operation of the Headlee amendment, plus new additional millage as a restoration of 0.009 mills, for the sole purpose of providing funds to the County for the acquisition, renovation, maintenance, upgrade and operation of the County's Enhanced Emergency Communications System, including the potential construction of additional towers, upgrading the existing infrastructure, purchasing equipment, and paying for maintenance and user fees? If approved and levied in full, this millage will raise an estimated \$4,493,654 when first levied in 2026.

### **Renewal and restoration of the Veteran's Relief Millage**

Shall the limitation on the amount of taxes which may be imposed on taxable property in the County of Washtenaw, Michigan, be increased by 0.100 mill (\$0.10 per thousand dollars of taxable value) of the taxable value for a period of eight (8) years, 2024 to 2031, inclusive, as a renewal of that portion of the 0.100 mill authorization previously authorized by the electors in 2016 as reduced by the operation of the Headlee amendment, which was 0.0960 mill in 2023, plus new additional millage representing a restoration of the amount equal to the amount reduced by operation of the Headlee amendment, which was 0.004 mill in 2023, to provide funds to Washtenaw County for the purpose of funding the Washtenaw County Department of Veterans Affairs' provision of financial relief and services for Washtenaw County veterans, including the payment of eligible indigent veteran claims, and to fund the administration of the department? If approved and levied in full, this millage will raise an estimated \$2,197,389 when first levied in 2024.

### **Establishing an Older Persons Services Millage**

Shall the limitation on the total amount of taxes which may be levied against taxable property within Washtenaw County, Michigan, be increased by up to 0.5000 mill (\$0.50 per thousand dollars of taxable value) for a period of eight (8) years, 2024 to 2031, inclusive, as a new additional millage for the purpose of providing funding for activities and services for older persons (age 60 or older) in Washtenaw County? If approved and levied in full this millage will raise an estimated \$11,584,031 in the first year.

### **Renewal and restoration of the Washtenaw County Community Mental Health and Public Safety Preservation Millage**

Shall the limitation on the amount of taxes which may be imposed on taxable property in the County of Washtenaw, Michigan, be increased by 1.000 mill (\$1.00 per thousand dollars of taxable value) of the taxable value for a period of eight (8) years, 2026 to 2033, inclusive, as a renewal of that portion of the 1.000 mill authorization previously authorized by the electors in 2017 as reduced by the operation of the Headlee amendment, which was 0.9693 mill in 2023, plus new additional millage representing a restoration of the amount equal to the amount reduced by operation of the Headlee amendment, which was 0.0307 mill in 2023, to provide funds to the Washtenaw County Community Mental Health Department, Washtenaw County Sheriff's Office, local governments which have their own police force for the purposes of improving the treatment of people with mental health needs; providing increased financial support for mental health crisis, stabilization and prevention; and for continued law enforcement services to be distributed as follows: 38% shall be allocated to Washtenaw County's Community Mental Health Department; 38% shall be allocated to the Washtenaw County Sheriff's Office; and 24% shall be allocated to jurisdictions in the County which maintain their own police force (currently Ann Arbor, Chelsea, Milan, Saline, Ypsilanti, Pittsfield Township and Northfield Township) in proportion to their respective 2023 population values. If approved and levied in full, this millage will raise an estimated \$22,409,411 when first levied in 2026.
