

The League of Women Voters partners with like-minded organizations to strengthen our democracy and help ensure that every citizen is engaged in the decisions that shape our lives. April is [National Arab American Heritage Month](#), a time when the Arab America Foundation formally recognizes the rich history, culture, and contributions of Arab Americans nationwide.

This year's theme, "**Many Voices, One Community**," beautifully reflects the power of unity in diversity. For us in the League, this theme resonates deeply as we continue to highlight and honor our partnership with [ACCESS \(Arab Community Center for Economic and Social Services\)](#). Their longstanding leadership in advocacy, community empowerment, and civic engagement exemplifies what it means to build a stronger voice through collaboration. LWV and ACCESS Partner Mariam Bazzi states:

During my tenure on the board for the League of Women Voters Dearborn/Dearborn Heights, I have worked in partnership with the league on behalf of ACCESS, strengthening Arab American Youth engagement through voter education initiatives. The success of the programming between our organizations is a testament to our strong partnership and the support of the league. Arab American Heritage Month is the perfect time to celebrate the work we do together for our communities!

Together, we affirm that when many voices come together with shared purpose, our community and our democracy becomes stronger, more inclusive, and more representative of us all.

Let us spend this month urging our representatives to oppose and their should be no compromised on the SAVE Act ([H.R.22](#)). It is not saving our right to vote but is an attempt to silence many of our voices with an undue burden to vote. And, the MEGA Act ([HR 7300](#)) is a no too!
