LWV US Statement on Pres. Trump's Emergency Order to Build a Border Wall

WASHINGTON 2/15/2019

The League of Women Voters CEO Virginia Kase issued the following statement following President Trump's declaration of a national emergency:

"By declaring a state of emergency, the president abuses his national emergency powers and undermines Congressional authority—all for a wasteful, ineffectual border wall that will not make our nation safer. The American people expect the president to fulfill his executive responsibility for sound management of public funds, not sidestep Congress in order to force funding for a border wall that the American people have not sanctioned. The League objects to this abusive declaration of a national emergency."

Highlights of LWV ABC Board Meeting, February 25, 2019

We discussed putting together a booklet that might accompany our Anoka History Center exhibit celebrating the 100th anniversary of the League of Women Voters. A booklet meeting date was set for Monday, March 18th to finalize ideas of what we would like to include, and how much it might cost to produce.

The Nominating Committee reported they are contacting members to see who might be interested in becoming an officer or committee chair to fill positions on the Board that are up for election/appointment this year. Gretchen Sabel has agreed to continue as President, hopefully with many of the President's duties shared with others. Kathy Aanerud has agreed to serve as Vice President, as well as continuing as Communications Committee Chair. Arlene Gillett has agreed to continue as Secretary.

We discussed the plan for our Annual Meeting coming up in April, where we will elect officers, appoint committee chairs, get reports of our activities of the past year, and make plans for the upcoming year. We encourage any member who might be interested in serving on the Board in any capacity, part time or assisting a Board member, to let us know. Also, please let us know if you have any topics you would like to see pursued in the coming year.
