School Referendum Forum

Wednesday, February 26, 7:00pm – 8:30pm

**Wellesley Free Library
530 Washington St.**

Inform your vote in the March 17 town election.

Join us to discuss the citizen-initiated non-binding referendum question that will appear on the **March 17 Town Election** ballot:

“Do you believe the Town of Wellesley should keep our current 7 neighborhood elementary school model by rebuilding and/or renovating the Hardy, Hunnewell and Upham Elementary Schools, instead of closing one school and redistricting all of our elementary students into 6 schools? Please vote YES or NO.

A YES vote would advise the Town of Wellesley to retain our current neighborhood school model by renovating and/or rebuilding the Hardy, Hunnewell and Upham Elementary Schools.

A NO vote would advise the Town of Wellesley to close either Hardy Elementary School or Upham Elementary School, without voter input on which school to close, and to re-district all our town’s elementary students into six schools.”

Representatives of both the “yes” and “no” campaigns will present their positions, and community members will have the opportunity to ask questions.

To learn about the candidates running for town office this year, come to the LWVW Meet The Candidates Night on March 12 in the Wellesley Middle School Auditorium (doors open at 6:30pm) or visit Vote411.org.

This event is free and open to the public.
