FROM SCOTTI FINNEGAN, LWVCCA PRESIDENT

Dear Members,

I want to welcome you to a new LWVCCA year of programs, forums, and fully engaging in our democracy. During the summer, board members participated in a two-day retreat facilitated by member Chris Meade. Chris brought her expertise as a highly skilled HR professional to lead the board to identify our working styles and to establish norms for the work of the board. The experience of this work was an opportunity for board members to get to know each other and to build a positive leadership team. A productive board is an important element for every League however it is every member working together by doing her or his part, no matter how small, that will continue to make the LWVCCA a dynamic voice for democracy.

The Board and I look forward to a successful year and to engaging every member in active participation in LWVCCA and in our democracy.

Although the season is showing signs of winding down I hope you continue to enjoy the glorious Cape Fall weather.

Scotti Finnegan

YOUTH SERVICE COMMITTEE REPORT

From Karen Mazza

Civic Education had a good summer!

First, in June, the Mass. Board of Elementary and Secondary Education approved the revised *History and Social Science Curriculum Framework*. The revised framework integrates civic education into the K-12 History and Social Science Curriculum and creates a required Grade 8 course that focuses on American history and an in-depth study of civics with an experiential approach.

A second success came when the Legislature--both House and Senate-- passed S.2631, An Act to Promote and Enhance Civic Engagement. The different versions of the bill went to a conference committee...which reached a compromise version ~ and sent it on to the Governor! The Governor did return the bill to committee asking for some small amendments stressing the importance of civic experience's being non-partisan. Chances remain good that agreement will be reached on the amendment.

Together, these two actions will go a long way to improve civic education and to give it the infrastructural support that is needed.

To coincide with the emphasis on the Grade 8 curriculum, our Committee has voted to offer two mini grants to two districts to support creation of an experiential civics learning opportunity.

Welcome to Honey Pivrotto, Brewster

Honey has recently been appointed to the Brewster Finance Committee ~ and most appropriately so. She has nearly 40 years of financial management in her resume, in all levels of public and private organizations ~ with a strong concentration in the healthcare field.

A Connecticut native with degrees from the University of Hartford, Honey spent her early career in various financial positions including internal auditor, budget director and CFO of hospitals in that state. From 1984 - 1986, she served as a Director of the Connecticut Commission on Hospitals and Healthcare, overseeing billions of dollars of operating and capital budgets for capital projects, medical equipment and service changes for acute care general hospitals, skilled nursing facilities, home health agencies and physicians.

The last 21 years have seen a major change, however, as Honey and her husband moved to Oro Valley, AZ. No retirement there however, as Honey joined both the finance and zoning committees, while also playing an instrumental role in the creation, implementation and ongoing leadership of Arizona's first statewide *Health Information Exchange*.

New England continued to call, however, and in 2013, Honey and her husband bought a home in Brewster, where she has long family ties. After four years of "commuting" cross country, they moved here permanently in 2017. They keep busy with grandchildren and friends, kayaking and paddleboarding and ~oh yes, giving the kids rides on the "screamer" behind their old boat out on Long Pond!

We are delighted to welcome this involved, energetic new member to LWVCCA!

OUR THOUGHTS GO OUT...

BARNSTABLE COUNTY REPORT

With thanks to Matti Ligon

County government didn't take a summer vacation. Meetings of the Board of County Commissioners and the Assembly of Delegates continued: every Wednesday morning for the Commissioners and every second Wednesday afternoon for the Assembly.

Matti Ligon has worked to give the League visibility at some of these county meetings. She was at a Commissioners' meeting on June 6th where she was surprised and delighted to witness a ceremony at which the Malcolm McDowd Award for community service was presented to the Barnstable High School Human Rights Club. "I was so impressed," Matti reports, "at the work these young women were doing. One girl had even gone on a mission to Haiti".

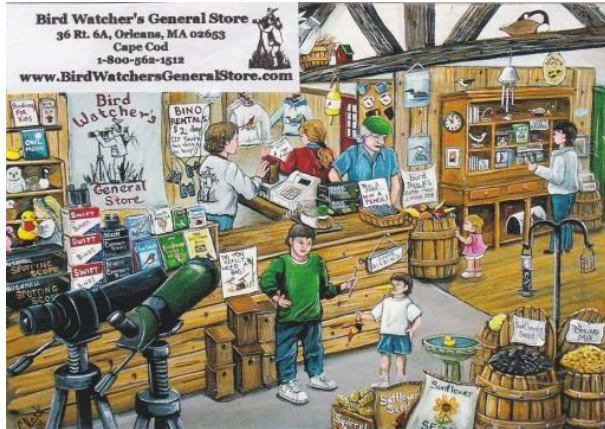

Matti has committed herself to attending County meetings when she can, but she can't attend them all. There are basically just 6 meetings a month. Please consider attending even one of them!

Commissioners' meetings will be held at 10am on Wednesdays Sept 5 - 12 - 19 - 27*
Assembly meetings will be held at 4pm on Wednesdays Sept 5 and 19.

For complete up-to-the-minute details, go to www.barnstablecounty.org or phone Owen Fletcher, Executive Assistant at 508-375-6648, owenfletcher@barnstablecounty.org

***DID YOU KNOW? BARNSTABLE DECLARED INDEPENDENCE FIRST.**

On September 27th, 1774, the residents of Barnstable County declared their independence from Britain! This year, 244 years later, that event will be observed by a ceremonial signing of a replica of that document during a meeting of the Barnstable County Board of Commissioners. The ceremony will take place at 4pm on Thursday, September 27 at the Olde Colonial Courthouse in Barnstable Village. The public is cordially invited.
