Julie Mallozzi, Scotty Vercoe, Nika Elugardo, and Kyle Bailey will join us for a Q&A!

The Battle For Ranked Choice Voting

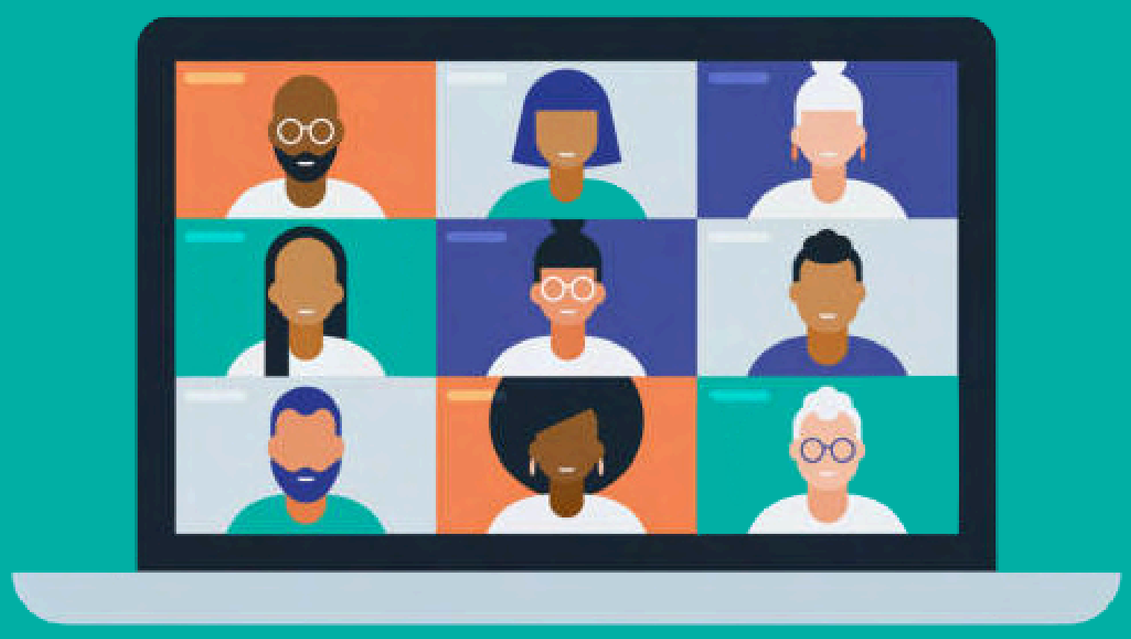

From Maine to New Mexico, citizens across America are clamoring for free and fair elections through ranked choice voting (RCV). Our story unfolds as voters organizing to enact the reform face fierce pushback from establishment politicians. The film looks at the historical rise, fall, and rebirth of RCV in the United States and abroad, and embed viewers in the front line of the battle raging over voters' rights.
