There are three ways to vote in Michigan's Presidential Primary. You can vote from home before Election Day, you can vote in person before Election Day, or you can vote in person on Election Day. As with all other elections in Michigan, to vote in the Presidential Primary, you will first need to register to vote. For details on registering and voting, please visit [MichiganVoting.org](https://MichiganVoting.org) and click on "Know Your Voting Rights."

### **Do I have to join a political party to vote in Michigan's Presidential Primary?**

No. Any Michigan voter can vote in Michigan's Presidential Primary. To do so, you must select a ballot style, such as a Republican ballot or a Democratic ballot. This requirement only applies to presidential primaries.

### **Can I choose more than one ballot style?**

No. Voters may only choose one ballot style for each Presidential Primary.

### **Is choosing a ballot style the same as joining a political party?**

No. Choosing a ballot style in order to vote in the Presidential Primary does not mean you're joining that party. For example, someone who doesn't support any political party can choose to vote a Republican ballot. Or someone who identifies with the Republican Party can choose to vote a Democratic ballot. Moreover, your ballot selection for any particular presidential primary will not impact your ability to choose a different ballot style for a future presidential primary or to vote for different parties in the future.
