1:00 – 4:00 pm

LWV FACILITATION TRAINING

- Facilitation Training is a first step toward building the civic skill needed by community members and policymakers to talk about our common problems.

- The League of Women Voters believes people can develop the skills to discuss & deliberate common public

problems in a civil manner, in a conversational setting.

- Community conversations can uncover innovative, citizen-initiated policy solutions and provide opportunities to connect community members with elected representatives.
