**Housing In Wellesley:  
Our Past, Our Future, Our Values**  
**Thursday, January 14, 7:30pm**

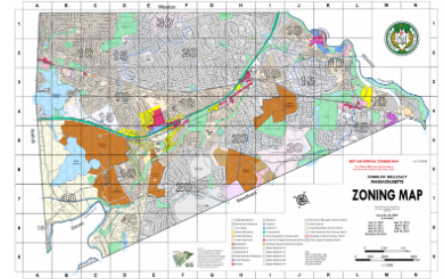

**On Zoom**

Join us for a community discussion with:

- **Jennifer Raitt**, the Director of Planning and Community Development for the Town of Arlington, Massachusetts, and
- **Don McCauley**, Wellesley's Planning Director.

Jennifer has served local, regional, state, and national housing, community development, and planning organizations and she recently became a Climate Reality Leader with the Climate Reality Project. We will discuss how Wellesley's zoning created our desirable community, but also contributes to Wellesley's increasing lack of affordability. How can we ensure that Wellesley's housing supports our values? What action steps can we take to allow a greater diversity of people to call Wellesley their home?
