719 S. Batavia Ave., Geneva, IL 60134

Kane County Government Center, Building A, First Floor Auditorium

Presenter: Jenniqua Johnson, M. A., U. S. Census Bureau

Training Goals:

- Practical and participant-oriented
- Provide an in-depth look into Decennial Operations;
- Equip attendees with tools necessary to communicate with their communities the importance and benefits of a complete and accurate count as it pertains to the 2020 Decennial Census.

Contents:

- Operational timelines, methods of encouragement, engagement, and education surrounding efforts to promote self-response;
- Explore the means by which to identify historically undercounted groups with predicted low self-response in Kane County;
- Explain the online questionnaire;
- Advise how staff and/or CCC members may assist people in physically filling out the forms;
- Outline other means by which to encourage self-response.
