AUGUST 2017

T T L

Our League is hosting an important informational forum on the intent, design, building, maintenance, recreational and business connections, safety, repair, licensing, management, and potential of the Oroville Dam. The event will take place at the Southside Oroville Community Center at 2959 Lower Wyandotte Rd, Oroville, on Saturday, September 16 from 9am-1 pm. The forum is free to attend. Attendees will have an opportunity to submit questions to the speakers and panelists. Please plan to attend this thought-provoking forum and bring some fellow Butte County residents with you. If you need a ride, or just want to be more sustainable, car pool options are being organized to depart from the Chico Park and Ride lot. For more information on car pooling, please contact Loretta Torres
