

THE LEAGUE OF WOMEN VOTERS OF BUTTE COUNTY

e-Bulletin

JULY 2017

Dear League Friends~

I am delighted to renew our League e-Bulletin to keep you informed about the many activities of the League of Women Voters of Butte County. The LWVBC Board completed our July planning retreat so we already have started building a robust calendar of events. Please note the dates to the right to ensure you can participate. Even if you are not new to the League, you are welcome to join us to learn more at our quarterly New Member orientations. As we confirm more activities, we will keep you informed. The calendar of events will always be available on our League web site: <http://lwvbuttecounty.org/calendar.html>. We have an exciting year ahead and I hope you will find many opportunities to become involved in our important work as we encourage informed and active participation in government. The League is a grassroots organization working at the national, state, and local levels; here in Butte County, we are all volunteers working to make a difference in the future of our community.

Yours in Making Democracy Work,
Debra Barger
President
