Use this feature to see if you are registered and other information about your registration (e.g. Name, Address, Political Party, Voter District Information)

To start: Go to the Board of Elections (BOE) website <https://vote.nyc/>:

The screenshot shows the Board of Elections website with a blue header containing the logo and contact information (1-866-Vote-NYC, TTY-212-487-5496). A navigation bar includes Home, Vote, Poll Workers, Run for Office, About Us, and a search bar. The main content area features a large image of the New York City skyline with the text: "The Presidential Primary and Special Elections scheduled for April 28, 2020 have been rescheduled to June 23, 2020." Below this, there are four columns of links: HEARING SCHEDULE, Vote, Key Info, and Important Dates. The HEARING SCHEDULE column lists dates for designating petitions for the June 23, 2020 primary elections. The Vote column includes links for Certified Election Results, Vote at the Polls, Absentee Voting, and Understanding the ballot. The Key Info column includes links for Am I Registered to Vote?, Register by Mail/Online, FAQs, and Commissioners' Meetings. The Important Dates column highlights JUN 23 for the Presidential Primary and APR 20 as the last day for a Republican presidential candidate to file.

[Check Online ▶](#) Or Call 1-866-868-3692

If you don't get a registration card within 4 to 6 weeks of completing your application, call us to see if your application was processed.

Once you register, you are permanently registered unless:

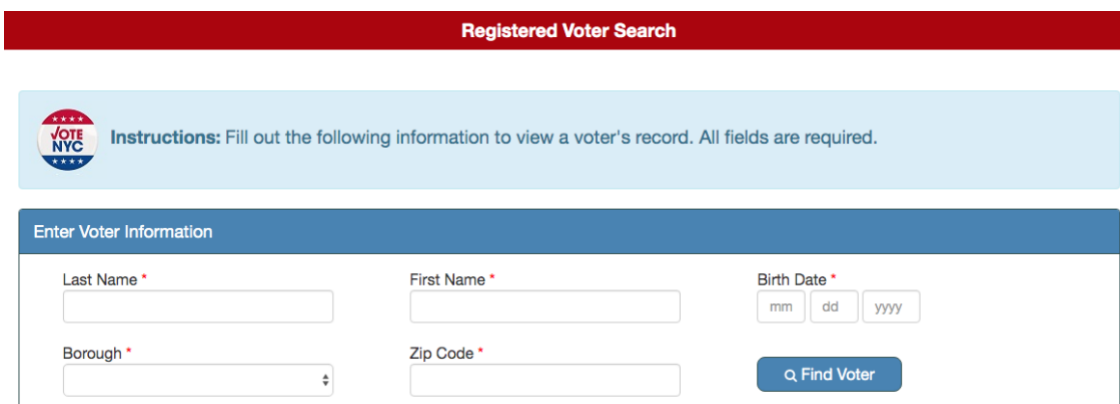

- You moved your residence outside the city or county in which you were registered.
- You are an inactive voter who has not voted in any election, including two consecutive Federal Elections, and have not confirmed your address during that period.
- You are convicted of a Felony and imprisoned or on parole. However, you can vote after conviction of a Felony if you have received a pardon from the Governor or you are on probation.
- You are adjudged mentally incompetent by a court.

**Note that you should receive a registration card within 4-6 weeks of completing your application.**

**And then you click on:**

**And it takes you to the Registered Voter Search page:**

The screenshot shows the 'Registered Voter Search' page. At the top is a red header with the text 'Registered Voter Search'. Below this is a light blue box with the 'VOTE NYC' logo and the instruction: 'Instructions: Fill out the following information to view a voter's record. All fields are required.' The main form area is titled 'Enter Voter Information' and contains several input fields: 'Last Name \*', 'First Name \*', 'Birth Date \*' (with sub-fields for 'mm', 'dd', and 'yyyy'), 'Borough \*' (a dropdown menu), and 'Zip Code \*'. A blue button labeled 'Find Voter' is positioned at the bottom right of the form.

**Enter your information, click on Find Voter, and it will take you to a Results page with your personal information. We at the LWVNYC usually advise that the easiest way to change your information is to fill out a new voter registration form.**
