# How to Register to Vote in New York City

# League of Women Voters of the City of New York www.lwvnyc.org

- The instructions that follow are for filling out the voter registration form for New York State. This is a paper form. On-line registration is only available for those with a current driver's license, permit, or non-drivers ID, through the Department of Motor Vehicles (DMV). See the LWVNYC guide How to Register to Vote in New York Online through the DMV for instructions. Otherwise, you must use a paper form.
- For information about your current registration, use the Registered Voter Search, <u>https://www.nycvotersearch.com/</u>. See the LWVNYC guide How to Look up your Voter Registration in New York City for instructions. Also, see the NYC Board of Elections website <a href="https://vote.nyc/">https://vote.nyc/</a> for updated information on elections and deadlines, phone numbers and translations.

The NYC Board of Elections voter registration form also includes a postage paid return address on the second page. (The NY State Board of Elections does not.)

- The NY State BOE does provide both a fillable form:
   https://www.elections.ny.gov/NYSBOE/download/voting/voteregform-eng-fillable.pdf
   and an Accessible form:
   https://www.elections.ny.gov/NYSVoterRegistrationFormEnglish.html

   Once this form is completed, you will need to print it out (note it is also on legal sized paper), sign and date it, and mail it in.
- Completed forms should be mailed to:

Board of Elections 32 Broadway, 7 Fl New York, NY 10004-1609

or to the Borough offices shown on second page of the form. Your form must be delivered or mailed at least 25 days before the next election for it to be effective for that election.

**Note**: Registration Forms are also available at the BOE Borough offices and at other locations, such as libraries, post offices and most NYC government agencies. However, stay-at-home restrictions currently mean many of these places are closed. You can also request a form by mail at <a href="https://www.elections.ny.gov/VoterRegSite/VoterRegistration">https://www.elections.ny.gov/VoterRegSite/VoterRegistration</a>, but we caution there may be delays. For assistance, please email the LWVNYC office at <a href="mailto:office@lwvnyc.org">office@lwvnyc.org</a> or call 212-725-3541. The LWVNYC also maintains a supply of registration forms and can mail one to you.

We'll try to check your identity before Election Day, through the DMV number (driver's license number or non-driver ID number), or the last four digits of your social security number, which you'll fill in below.

If you do not have a DMV or social security number, you may use a valid photo ID, a current utility bill, bank statement, paycheck, government check or some other government document that shows your name and address. You may include a copy of one of those types of ID with this form—be sure to tape the sides of the form closed.

If we are unable to verify your identity before Election Day, you will be asked for ID when you vote for the first time.

- Q4. The birthdate IS NOT optional.

#### **Addresses**

The address where you live	8	Address (not P.O. box)  Apt. Number  City/Town/Village  New York State County Select your New	Zip code w York State County
The address where you receive mail Skip if same as above	9	Address or P.O. box P.O. Box City/Town/Village	Zipcode

Q8. This is the address that determines your polling place, so it should be a permanent address of sorts. It needs to be a physical address, not a P.O. Box, but it does not need to be a conventional apartment or house (it can be a street corner, for example). Students have the option of registering either where they go to school, away from "home", or the "home" where their family is.

Counties in New York City are as follows:

Manhattan - New York County Bronx - Bronx County Brooklyn - Kings County Queens - Queens County Staten Island - Richmond County

Only answer Q9 if you don't get mail reliably at the address you list on Q8. Your registration will be confirmed by a mailing from the Board of Elections to this address. IF this mailing comes back "undelivered" your registration will not be active. The address provide in Q9 can be a relative, P.O. Box or community organization and does not need to be in state.

## **Voting Information and Identification**

Voting history	10	Have you voted before?

Identification You must make 1 selection For questions, please refer to Verifying your identity above.	13	<ul> <li>New York State DMV number</li> <li>Last four digits of your Social Security number</li> <li>I do not have a New York State driver's license or a Social Security number.</li> </ul>

Q10 and Q11. Voting History. These are to help the Board of Elections locate a prior registration. If you answer NO to Q10, then skip Q11 and Q12. If you don't remember when you voted last, make a reasonable estimate.

Q12. Name or address changes. Note the information provide in Q12 is the previous names or addresses ("Your name was" "Your address was"). Current information is written in Q3, Q8 and Q9. For line 3, if you moved from outside of NY State, indicate the state only, and if you moved from inside of NY State, indicate both the county and the state.

Q13. Identification. Answer by checking one of the first two boxes, if you have one of those two types of information, and write in either your full DMV number (driver's license number or non-driver ID number) or the the last 4 digits of your social security number (do NOT write in your full SSN!). If you check the third box, you will be asked to verify your identity the first time you vote, as described on the blue box on the top part of the form under "Verifying your identity". Note that NY State does not require identification to vote and that this information is to verify your identity. Anyone helping you fill out the form is not asked to review the form of identification that you provide.

### **Political Parties and Optional Questions**

Political party You must make 1 selection  Political party enrollment is optional but that, in order to vote in a primary election of a political party, a voter must enroll in that political party, unless state party rules allow otherwise.	14	I wish to enroll in a political party  Democratic party Republican party Conservative party Working Families party Green party Libertarian party Independence party SAM party Other I do not want to enroll in any political party and wish to be an independent voter No party	16	Affidavit: I swear or affirm that  I am a citizen of the United States.  I will have lived in the county, city or village for at least 30 days before the election.  I meet all requirements to register to vote in New York State.  This is my signature or mark in the box below.  The above information is true, I understand that if it is not true, I can be convicted and fined up to \$5,000 and/or jailed for up to four years.
Optional questions	15	☐ I need to apply for an Absentee ballot. ☐ I would like to be an Election Day worker.		Date

Q14. We at the LWVNYC encourage you to enroll in a political party because New York State is a Closed Primary State, which means that you may only vote in a party's primary election if you are enrolled in that party.

If you do not want to enroll in a political party, check "No party". *NOTE: The Independence Party is a particular party and by checking that box you are not saying that you are an "independent" voter. Only by checking "No party" are you indicating that you are an "independent" voter.* 

# Make sure you Sign and Date!

Write your signature as you will write it at the poll site or on an absentee ballot. The rest of the form may be filled out with assistance, but the applicant must sign and date the form him/her/themselves.

Mail the form either to the main Board of Elections office or to the Borough offices, which are both shown on the last page of this guide. The main advantage in sending it to the main office is that you can use the postage paid feature, but otherwise we recommend sending the forms directly to the Borough offices.

To check on the status of your registration, use the Registered Voter Search, <a href="https://www.nycvotersearch.com/">https://www.nycvotersearch.com/</a>
