

Board Briefs, September 2020

At its September Board meeting, the Board welcomed 16 LWVDV members who observed the meeting. Some were off-Board members with specific assignments, but many were new members interested in how LWVDV works. What a great group!

The Board agreed to call a special membership meeting to approve revised wording for the Board of Equalization tax exemption application.

Additional Board business included:

- The Action-Advocacy Committee reported that the group was not recommending any support or oppose positions on local ballot measures for this election.
- The Communications Team reported an ongoing need for Social Media help.
- Membership reported that 28 new members joined in August.
- Voter Services reported on many activities, including roundtables, candidates forums, presentations on voting and suffrage, and preparation of Pros & Cons.

Suzan announced that LWVDV will have yard signs and masks with the League logo and “Vote” on them. Donation is \$10/sign, \$12/mask. These will be available starting October 5.
