

Communications Committee Report – May 2024

Denise Gaumer-Hutchison, Chair

The Communications team continues to introduce information through the website, Facebook page, the monthly newsletter and email communications regarding events, programs and issues to get involved with through the League. Hopefully people had a chance to see the Earth Day communication on the Facebook page and the two notices that were sent out via bulk email. Please [check the website](#) for upcoming meetings, events and programs. Please let us know if there are issues you'd like us to investigate to add to the newsletter or any of our other sites (Facebook, website). If you haven't "liked" our [Facebook page](#) please do so.
