### Resources on Medicaid:

#### **What is Medicaid?**

This 3.5-minute video explains Medicaid in a clear and concise manner. KFF Health News correspondent Sam Whitehead discusses Medicaid's history and role in the U.S. health system.

#### **Medicaid: What's at Stake and What to Do**

At our meeting on February 12, Lynn Meshke shared this link which is *Medicaid Cuts 101* primer from the **Wisconsin Board for People with Developmental Disabilities** (BPDD). They are heading the fight to protect Medicaid here in Wisconsin and are an excellent source of nonpartisan, Wisco-focused info. It is dated January 13, and some things have progressed since then, but the background content is still solid.

**Please write your legislators to protect Medicaid.**
