

Holiday Brunch 2024

Three dozen League members gathered at the Eastside Library in mid-December for our traditional holiday brunch. The buffet table was full and the conversation robust. Friends who hadn't seen each other in a few years were reunited. Some members picked up the *Ballot Box Brew* coffee and mugs they'd ordered as part of our fundraiser. Our president, Dawn Smith, gave us a quick glimpse of what we'll be focusing on in the new year, and then we just enjoyed each other's company and conversation.
