

Represent our League to the Lake Michigan Region
Terri Gulyas (What role shall I identify here?)

In light of impending changes in environmental legislation, our Greater Green Bay League needs a member to represent us on the League of Women Voters Lake Michigan Region (LWVMR). Operating under the LWVUS **position on natural resources**, this important group includes 60 local Leagues and regional planning areas within the Lake Michigan watershed, and four state Leagues. For more information on LWVLMR, [click here](#), where you'll find resources and descriptions of current issues and projects. You can also learn about the annual conference, held in October (with an option for virtual attendance). The conference, always featuring expert speakers, rotates among member organizations. Our support of LWVMR is vital to our area. Please consider volunteering to represent us! If you are interested and want more information, please contact Terri Gulyas at tsgulyas@gmail.com.
