

## National Popular Vote Update – March 2025

### WE'RE HEADING TO MADISON!

You are invited to join the **NPV Committee of the League of Women Voters of Wisconsin** at the state capitol Wednesday, April 16, to advocate for National Popular Vote legislation.

**Help us ramp up support for NPV!** We'll be scheduling appointments with elected officials who supported previous NPV bills and/or Fair Maps. We're reaching out first to a group of NPV-friendly representatives to identify potential bill sponsors/co-sponsors. This is an important first step toward advancing NPV legislation in Wisconsin.

Never advocated for legislation in Madison before? No worries. We will provide training and background material and can partner you with a more experienced advocate.

**Please let us know ASAP if you are interested by emailing the NPV Committee at [NPVWisconsin@LWVWI.org](mailto:NPVWisconsin@LWVWI.org).**

Not familiar with NPV? Currently, all our state's electoral votes go to the Presidential election *winner in the state*. The NPV law would change that, so all Wisconsin's electoral votes would go to the *nationwide winner*. Learn more about the national NPV movement at [nationalpopularvote.com](http://nationalpopularvote.com) or join one of our monthly NPV committee Zoom calls. Contact us at [npvwisconsin@lwvwi.org](mailto:npvwisconsin@lwvwi.org) for information.
