NPV NEW COMMITTEE NPV

The LWVGB Board has formed a new committee: The National Popular Vote (NPV) committee!!!! NPV is an agreement among states to award each participating state's electoral votes to the candidate who wins the popular vote in the nation (as opposed to the popular vote winner in the state). The compact (NPVIC) becomes effective when states with

culmulative 270 electoral votes (the amount needed to elect the President) join, thus ensuring that the winner of the national popular vote and the electoral vote is the same. As of today, there are 16 jurisdictions that have passed the NPVIC, comprising 196 of the 270 needed electoral votes for implementation. The NPVIC was introduced this year in both Wisconsin Houses-AB185/SB197.

Members, new and old, interested in joining the NPV Committee should contact Barb Paterick, bpaterick@gmail.com to get more information or join the committee.
