Hamilton-Wenham VOLUNTEER FAIR!

We are excited to bring back our Volunteer Fair in partnership with The Community House! The first one in February of last year was a huge success and we hope to make this one even bigger and better. **Join us Saturday, September 21, from 10 AM to 1PM at The Community House.**

Our community is full of dynamic, talented, and caring folks of *all* ages. We'd like to help match this energy to opportunities to build a stronger community through participation! The Volunteer Fair enables community members to learn about positions open to them in local organizations, civic boards, and elected offices. Most organizations need volunteers to function; town committees often have empty seats and elected offices are not always contested. There are many people in our community who would like to get involved, but they don't know what volunteer opportunities exist, the nature of each commitment, and who they should contact for more information. Having

eager citizens, welcoming organizations and all of their information together in one place will be helpful for everyone!

The Volunteer Fair is an initiative by the League of Women Voters of Hamilton-Wenham in partnership with The Community House of Hamilton and Wenham to drive civic engagement across the community, and is supported in part by a grant from the Hamilton-Wenham Cultural Council, a local agency which is supported by the Massachusetts Cultural Council, a state agency.
