

Greetings, Leaguers and friends!

Looks like Saturday will be sunny ahead of another potential Sunday snowstorm! We had a couple of dozen folks in -8 windchill last week. We need to keep exercising our First Amendment rights and standing up for the rule of law and due process.

Why do we persist in standing out? "The League of Women Voters reaffirms that the rights outlined in the Constitution belong to all people, without exception. We will not accept policies or practices that suppress civic participation, weaponize enforcement, or undermine fundamental rights and human dignity." Good reminder from LWVUS this week.

There are a few MA and US Action Alerts listed below. Phone calls WORK. Hungry for a success story? Governor Healey signed Executive Order 650 yesterday limiting cooperation with ICE and banning them from making civil arrests in state facilities. For more info, [read the press release](#). As of three days prior to this action, the Protecting MA Communities Campaign coalition received word that the Governor was receiving more pro ICE calls than anti at the moment and worked hard to turn that tide. LWVMA is part of that coalition and our voices matter.

Read on for more League action and inspiration! We hope to see you at our [Winter Potluck Social](#) on the 10th – RSVP today and put it on your calendar!
