- **Voter Registration** – team with City Council to devise a plan to engage citizens in greater electoral participation, e.g. Korean-American community in Porter Ranch.
- **Research proposed resolutions** – After researching, students could present their position at a LAUSD Board meeting. Resolutions must be presented to the public 30 days before a vote.
- **Computer Science Education** – This is the #1 subject that students want to pursue in college. However, LAUSD high schools need to offer more high quality programs.
- **Immigration / Dream Act** – Work with the Coalition for Humane Immigration Rights of Los Angeles. Dream on Wheels is a Saturday event in late March or early April to raise awareness. See CHIRLA's links to CA Dream Network and to Civic Engagement.
- **Los Angeles River Project**
