April 2021

Greetings from the League of Women Voters of Mason County:

This year, the League of Women Voters of Washington is offering Speak Up Schools around the State. Speak Up Schools are a targeted strategy to improve the quality, content, and diversity of input to our Redistricting Commission. The 2021 Washington State Redistricting Commission will be hosting public input at meetings during the fall of 2021.

These workshops we have planned share tools to help participants find their own specific voice and build effective, personal testimony. Everyone has drawing power in their words and movements.
