

# general voting information

You are **ELIGIBLE TO VOTE** if you are a U.S. citizen, a legal resident of Washington State and are registered to vote.

You may **REGISTER TO VOTE** at the County Elections Dept., libraries, schools, manned fire stations, the DSHS office or when renewing your driver's license. You must be at least 18 years old by the date of the next election and not under the authority of the Dept. of Corrections. **UPDATE YOUR REGISTRATION** if you move or change your name. The form is online from the Mason County Auditor's office. **Deadline for registering is 8 days prior to the election if done in person and 29 days (postmarked) for mailed applications.**

Mason County **VOTES BY MAIL**. Ballots are sent 18 days before the election (sooner to persons serving in the military or living overseas). They must be postmarked or hand delivered to the Auditor's office or one of the official drop boxes by the day of the election before 8 pm. If you have not received your ballot within ten days of the election, call the Mason County Auditor's office (360.427.9670 or 360.275.4255 Ext. 470).

**FURTHER INFORMATION** about voting or voter registration is available by calling the Mason County Auditor's office or going online to [www.co.mason.wa.us/auditor](http://www.co.mason.wa.us/auditor).

The **PRIMARY ELECTION** is held in August. Washington has a "top two" system. The two candidates who receive the most votes advance to the General Election, regardless of party preference.

The **GENERAL ELECTION**, including state ballot issues, is held on the 1st Tuesday after the 1st Monday in November. Federal, State, County and PUD officials are elected in even years. City and District officials (such as fire, schools, ports or hospital) are elected in odd years.

**SPECIAL ELECTIONS** are held in February and April for voting on construction bonds or school/fire district levies.
