

# Solar Power for Crops and Cows: Why Montana's Farmers and Ranchers are Embracing Solar

Join us for a discussion with a major solar installer, a farmer and 3 ranchers from Montana to explore why and how they are embracing solar energy.

Panelists include:

- Jen Saunders, Fergus County Commissioner & rancher, Grass Range
- Laurie Gaugler, rancher in Judith Gap
- John Wicks, a fourth-generation farmer in Liberty County, MT
- Walter Schweitzer, rancher & president of the Montana Farmers Union
- John Palm - Bozeman Green Build
