A NOTE ABOUT CONTRIBUTIONS & DUES

Contributions are our most important foundation in providing voter information. Without your support we wouldn't be able to be effective in our work. Please include all contributions by separate check, this will enable us to use them 100% in our local League activities, events and programs. Otherwise, they are counted as dues.

Membership in the League of Women Voters of Montgomery County also includes membership at the national and state levels with newsletters from the national, state and local league. All related advocacy alerts will be available. Your dues will support this.

The membership year will renew on a rolling basis, one year from when you join or renew.
