Voting in Delaware - What's Next?

The LWVNCC Hot Topic for November 2022 will focus on voting and elections. Three speakers are planned...

1. **Jill Itzkowitz**, LWVDE Elections & Voting Portfolio Chair - reviewing the 2022 elections in Delaware.
2. **Mike Smith**, DE State Representative - on opening Delaware primary elections to unaffiliated voters.
3. **Kristin Brownlee** of Rank the Vote Delaware - explaining the benefits of ranked-choice voting (RCV) and how we can implement it in Delaware.

Open primaries and/or RCV could be game-changers in our state! Plan to attend this lunchtime "Zoom" web conference, and bring your questions for the speakers.
