Celebrating Our 2026 Scholarship Winner: Joann Yamoah!

Pictured from left to right: Linda Renzi, Toni Eosco, scholarship winner Joann Yamoah, Diane O'Toole, and Sheri McLeish.

Congratulations to **Joann Yamoah**, our **2026 Margery McKenna Memorial Scholarship winner**. A senior at Norwood High School, Joann will attend Tufts University this fall. We presented her with a \$1,000 scholarship in June to support her next chapter. At NHS, Joann served as Class President and shadowed town leaders to learn how local government works. She is a strong advocate for the power of participation in our democracy.

If you would like to support future students, please consider a donation to our scholarship fund.

Community Support

We want to thank Rita Fraser and the team at **OneLocal Bank** for their **\$300 donation**. This support directly helps our local programs remain active and impactful.

We rely on the generosity of our community to sustain our programs and keep our local democracy strong. You can learn more about how to support the League and contribute to our annual scholarship fund by visiting our [website](#).

Norwood LWV Steering Committee Meeting Sept 3

- **Topic:** LWV Norwood Steering Committee Meeting
