CO-PRESIDENT'S MESSAGE

Holiday Tea Party

Our members and guests are invited to our Holiday Tea Party: Friday, December 7 (see page 1).

Santa Barbara Gives

We were selected with 54 other nonprofits by the *Santa Barbara Independent* and *The Fund for Santa Barbara* to participate in "A Program for Year-End Giving, SBGives.org." Please take a look at the website and the insert magazine in the November 15 Santa Barbara Independent to view our page and all the wonderful nonprofits featured. And while you are there, please give a donation by mail or online (more on page 3 & 4). Our project is directly connected with our LWVUS *Transformation*, a project concerning "Diversity, Equity and Inclusion" that you will learn more about at the Regional Training we are planning.

Regional Training for our neighbor Leagues:

Ventura County, Santa Maria Valley, San Luis and LWV of Santa Barbara on February 2, 2019. See Page 3 for registration information.

Who: Our LWVC President, Helen Hutchison + (maybe) Melissa Breach, LWVC Executive Director.

What:

- Advocacy in the local League — a 'how to' guide for local Leagues and League members with Helen Hutchison.
- League Transformation: Keeping the League strong, relevant, and visible in our second 100 years.

Where: In Santa Barbara or Goleta tbd
Cost for lunch: tbd

All members are invited to this informative regional training to aid us in our future work and our knowledge of the LWVUS Transformation plans. Come meet our neighboring Leagues who are already signed up to

attend and learn with us.

Voter Service

A thank you to Susan Horne who coordinated months of work for the November 2018 Voter Registration and Education. Susan worked to coordinate League members and volunteer allies to reach underserved voters in our Santa Barbara community. Two "Pros and Cons" forums were also planned and implemented by Shane Stark, President of our LWVSB Education Fund and League volunteer, Christine Boesch. Our League arranged for videos in English and Spanish for most forums this year.

Advocacy

Our League endorsed and worked with LWV Santa Maria Valley to endorse and support County Measure G2018 Redistricting the county. Our League team wrote & submitted the "Rebuttal to the Argument in Favor of Measure H2018 and the Argument Against Measure H2018" which were published in the official Sample Ballot & County Voter Information Guide, General Election, November 6, 2018. Measure G2018 won and Measure H2018 was defeated.

January Forum

For January Emily Allen has organized our League's Community Forum called "Homelessness and Housing – Updating Our Local Position" for noon on January 16. This forum will inform us in the updating of our 1986

SANTA BARBARA GIVES!

The League of Women Voters of Santa Barbara is honored to be participating in Santa Barbara Gives! The project—now in its second year—will raise funds for what organizers call “some of our region’s most important community-based organizations.” The fundraising goal this year is \$500,000.

The campaign is conducted by *The Fund for Santa Barbara* and the *Santa Barbara Independent*. Our participation in **Santa Barbara Gives!** is an opportunity to expand the annual end of the year giving campaign of LWVSB’s Education Fund, with the potential of raising more money and attracting many new donors.

SB Gives! is based on a model that has been successful in other communities. Last year SB Gives! raised a total of \$402,537.95 for participating organizations. There were 590 generous donors. This year 55 organizations were chosen to join the program. And you can be part of it!

SANTA BARBARA GIVES!

Our **EdFund** has mailed its annual fundraising appeal and included the Santa Barbara Gives! donation form. You can also visit sbgives.org to donate and learn about the League and its goals for 2019, as well as about the other organizations that do important work in our community. All gifts are tax-deductible and should be made by Dec. 31.

The League is off to a good start. We secured a \$6,050 challenge grant from members of the League Board, the EdFund Board and individual donors. Participating organizations will also receive a share of \$17,500 in matching funds, provided by Brittingham Family Foundation, McCune Foundation, Montecito Bank and Trust and the Santa Barbara Foundation.

Brandi Rivera, Independent Publisher, wrote: "Faced with the natural disasters of this past year, our community showed how resilient we can be when we come together and work for the greater good. We hope that presenting these nonprofits and their projects inspires you to learn about the work they are doing in our community and to give a donation as low as \$10 to help them reach their goals."

Marcus Vargas, executive director of the Fund for Santa Barbara, said, "While Santa Barbara County is fortunate to be a region of tremendous prosperity and natural beauty, our region also faces many of the same problems that challenge our society as a whole: poverty, environmental degradation, homelessness, racial and ethnic prejudices, violence against women, homophobia and many other social, economic and environmental problems." The projects selected for Santa Barbara Gives!," he added, "are helping to find long-term solutions to these problems.

This is an excellent chance for the League to not only raise needed funds, but to increase our visibility in the community. With the help of *The Independent* and *The Fund for Santa Barbara*, we can tell more people than ever about the League, and hopefully many will become new supporters and members.

Donors can contribute online or mail their donations to Fund for Santa Barbara, Attn: [SB Gives!](#), 26 West Anapamu St., Santa Barbara, CA 93101, with a memo line that it is for SB Gives: LWVSB. If you got the EdFund letter, you can respond to that. For questions, please contact Co-President Joanie Jones, CoPresCommED@lwvsantabarbara.org; 805-965-2422.

Thanks in advance for supporting the League and helping us continue working for you in 2019.
Vicki Allen, Community Outreach Director

The logo for Santa Barbara Gives! features the words "SANTA BARBARA" in a bold, blue, sans-serif font. Below it, the word "gives!" is written in a larger, blue, serif font, with the "g" being significantly larger and more stylized than the other letters. The exclamation point is also large and blue.

A MESSAGE FROM THE LWVSB EDUCATION FUND

WE ARE RESHARING HERE A LETTER FROM THE LWVSB EDUCATION FUND, THAT WAS INCLUDED WITH YOUR 2018 MAIL IN DONATION FORM

November 2018

“Dear Friends,

The League of Women Voters of Santa Barbara (LWVSB) Education Fund supports LWVSB’s voter service and education activities. Your gift helps us provide objective information on civic issues in our communities. In 2018 the League:

- * Held monthly community forums on current civic issues.
- * Hosted City Council and Sheriff candidate forums -- filmed, televised and posted on the Internet in English and Spanish.
- * Held educational forums on State and local ballot propositions.
- * Published voter information on Santa Barbara and California League websites, Facebook, Channel Voter, and e-mail messages.
- * Cooperated with libraries, schools and Latino communities to educate, register, and pre-register new voters; implemented donor-directed grant for new voter outreach in underserved communities.

In 2019 we hope to intensify our work for new voters and to continue voter services including local candidate and community forums. Financial support is critical. Your gift will help us continue these nonpartisan public education resources and activities.

This year, LWVSB is part of Santa Barbara Gives! www.sbgives.org-- The Fund for Santa Barbara and the Santa Barbara Independent’s 2018 community fundraising program. Participation increases the impact of our fund-raising efforts.

To give to the Education Fund, please select under Social Justice “League of Women Voters of SB ”on the [enclosed] 2018 Mail-In Donation Form or donate online, www.sbgives.org.

You can name the Education Fund in your will or trust. Gifts of appreciated stock will also be welcome. (Consult a lawyer, estate planner or accountant.)

Please help. Informed and active voters are the bedrock of democracy.”

Shane Stark

President, LWVSB Education Fund

VOTER SERVICE INFORMATION

YOUR LWVSB - VOTER SERVICE

The Mid-term Election is not yet settled. Votes are being counted, and contested, and recounts are being triggered, and contested. It will be weeks and perhaps months, before the dust settles across the US, and we get final results.

The Good, the Bad, the Ugly IN 2018. Something *good* in CA is that tens of thousands of students at 16-17 years old, pre-registered to vote when they turn 18. The **Motor Voter Law** (*Automatic Registration* unless opted out) was also being implemented in CA, but the bad is that tens of thousands of registrations were bungled by the DMV and had to be corrected. The good is that many states replaced old insecure electronic voter machines with safe paper ballots. The **bad** is that some states and counties have not changed yet and the U.S. Congress has not released enough funds to support the changes where needed. The **ugly** is that special interests, from the President on down, are bringing lawsuits to stop or change the vote-counting processes where recounts have lawfully been triggered by very close races. Then both sides go to court, of course.

Meanwhile back in our region, SB County is having a banner year in high numbers of votes. It's good! Among registered voters, the count was at a record 71% on Friday, three days after the Tuesday Nov. 6 Election Day. When I visited the Election Office **to observe the vote - counting processes - in progress-** on Thursday November 8, I saw over 9,000 provisional ballots were being held carefully waiting, as they cannot be counted until all other ballots are counted. These 9000 or so have to be individually researched by Elections Office staff to ensure each one is correct and can be counted (or not, if incorrect). Provisional ballots are completed at the polling site on Election Day when there is a ballot problem or question of eligibility. No wonder the final vote count takes a long time.

LWVSB promotes voting, and informed voting, during Election seasons. We promote registering to vote and then *Getting Out the Vote* (GOTV). **Some local highlights:** Dozens of great LWVSB volunteers were posted at 6 public libraries and at the SB County Housing Authority's **Bring Home the Vote** theme for **National Voter Registration Day** on 9-25-18. Our Latino Outreach Intern, Gabriel Lucatero, connected LWVSB with Latinos in many sites.

Smaller events had smaller numbers of volunteers, as needed. Events included senior residences, High Schools, a church, a bicycle picnic on the Westside, two Resource Fairs, a Vons in Carpinteria, and the three LWVSB Forums on Ballot Measures. A first-time idea was having a **Ballot Pop-Up** at the Paseo Nuevo Mall on the sunny Sunday - just two days before the Election Day coming up on Tuesday. The theme was **Yikes! I got my Ballot! NOW WHAT??** In about five hours, we had 60 to 70 people stop to ask specific questions. Our cadre of remarkable rotating volunteers had (almost all) the answers.

It was, and still is, a remarkable Election. The League of Women Voters, along with other voting-promoting groups, played a significant and positive role –in the US, in CA, and across our region. And we are still in the game to ensure the most accurate and ethical vote-counting possible. **Next, we will keep on advocating to make our communities and our democracy stronger.**

COMMUNITY FORUMS

JANUARY COMMUNITY FORUM: HOMELESSNESS & HOUSING – UPDATING OUR LOCAL POSITION

Wednesday, January 16 from 12-2PM
Santa Barbara Library, 40 E Anapamu St, S.B.

The League of Women Voters of Santa Barbara is currently updating our local “Homelessness” policy position to better reflect current best practices. As part of this process we are pleased to bring together a panel to discuss the topic. We will provide an update on the new **Home For Good**, Santa Barbara County Coordinated Entry System. Experts in the area will address the Coordinated Entry system including: Street Outreach, Emergency Shelter and Housing and discuss local data and long-term solutions.

Panelists will include:

Kimberlee Albers from the County of Santa Barbara
Chuck Flacks from PATH Santa Barbara
Rob Fredericks from the Housing Authority of the City of Santa Barbara
Sara Grasso from Santa Barbara County Department of Behavioral Wellness
Valerie Kissell from Youth And Family Services YMCA

Emily Allen, Social Policy Co-Chair and Program Director of the United Way of Northern Santa Barbara County **Home For Good** Program, will moderate.

We will also discuss the 2019 “Point In Time Count” and opportunities for people of all experience levels to volunteer.

THEY COUNT, WILL YOU?

VOLUNTEERS NEEDED FOR THE 2019 HOMELESS “POINT IN TIME COUNT.” The Point In Time Count is the annual count of individuals and families experiencing homelessness on a given day. The Santa Barbara County effort will take place on Thursday, January 24 from 5:00am-8:30am. Teams of volunteers and experts will canvas assigned routes throughout the county and will briefly document who is experiencing homeless. This information can be used to plan local homeless assistance systems and raise public awareness. Volunteer trainings will be held in January. Join us today. Sign up on www.CommonGroundSBC.org. Change doesn't happen without you.

FEBRUARY COMMUNITY FORUM: ISSUES IN FOSTER CARE

DATE & TIME: Wednesday, February 20, 2019, 12-2PM

LOCATION: Faulkner Gallery, Santa Barbara Public Library, 40 E. Anapamu St. S.B.

On February 20, 2018 at Noon the League invites you to a Community Forum on Foster Care issues in our community at the Faulkner Gallery in the Central Library. The forum planning committee includes Vijaya Jammalamadaka (organizer), Mary Rose and Lindsey Baker from our League. Gwyn Lurie and Wendy Read also join us from the community. They have been working on this issue for many years. Gwyn, Wendy and Mary are working hard to finalize the panelists and more information will follow in our LWVSB email updates and in our February/March Channel Voter newsletter.

For additional information contact VPPProgram@lwvsantabarbara.org.

Community Forums are held in the Faulkner Gallery of the Santa Barbara Public Library the third Wednesday of the month from 12 noon to 2pm (UNLESS OTHERWISE NOTED). The Forums are co-sponsored by the Library (However, the Library is not a co-sponsor of LWVSB Advocacy Forums & Programs) and filmed by TVSB for live streaming on our Facebook Page (@LWVSB) and continued showing on our YouTube Channel; they can also be viewed on TVSB's website. Sound is provided by Gary Atkins Sound Systems. Simultaneous Spanish translation provided by Transilpro.

Handicapped access is available at both entrances to the Santa Barbara Library and parking is available close by.

INSIDE THE LEAGUE**SUSTAINABLE COMMUNITIES COMMITTEE**

Report from November 2018

About 16 people attended the SusComm meeting on November 2, 2018 at the Maravilla Clubhouse to hear a presentation by new LWVSB member Jane Dow on Climate Change impacts and solutions. Jane works for Lynda.com (now a LinkedIn company). Jane brought her daughter, Alelia Parenteau, Energy Analyst at the City of Santa Barbara and her son, Ashton. Jane Dow recently completed a three-day training on how to communicate Climate Change through Al Gore's Climate Reality Leadership Project. After her 25-minute PowerPoint presentation, Jane and her daughter answered many questions from our attendees.

While the impacts of Climate Change are serious and are worse than predicted, Jane had good news on the global renewable energy front where the capacity of solar and wind energy projects is increasing and the cost per kilowatt is going down. While the current administration threatens to withdraw from the Paris Accord, the earliest they can withdraw is after November 4, 2020!

Californians are doing especially well. We have saved ~\$90 billion in energy costs since the 1970s. **SB 100** recently enacted as **The 100 Percent Clean Energy Act of 2018** states that it is the policy of the state that eligible renewable energy resources and zero-carbon resources supply 100% of retail sales of electricity to California end-use customers and 100% of electricity procured to serve all state agencies by December 31, 2045. This law also ensures that a transition to a zero-carbon electric system for the State of California will not cause or contribute to greenhouse gas emissions increases elsewhere in the western grid.

The SusComm also discussed solutions such as energy conservation, heat pumps, carbon pricing, local carbon sequestration efforts, Goleta and Montecito micro grid projects. Alelia updated us on the City of Santa Barbara's efforts to make their Fire Dept. and Police Dept., hospitals and other critical functions more resilient during disasters through micro-micro grids.

Alelia was also optimistic about yet another CCA feasibility study in the works. Currently, about 30% of the City's electricity comes from renewable sources - including solar and the renewable mix in SCE's portfolio. The City emphasizes energy conservation and efficiency before renewable energy.

Next Meeting: January 8, 2019

Book: "Our Towns: A 100,000-Mile Journey into the Heart of America" by James and Deborah Fallows

A journalist and a linguist visit 30 small towns in search of local stories that reveal the grit, character and regional particulars of our country.

ENERGY COMMITTEE

I have previously reported action at the state level of League in opposition to a possible decision by the Public Utilities Commission to institute heavy fees on community choice energy(CCE) programs. Unfortunately the PUC did decide in favor of the heavy fees, another nail in the coffin of a CCE for Santa Barbara county.

Locally, Colin Jones and Vijaya Jammalamadaka attended a meeting where alternatives to our hoped for CCE were discussed. The various options are not very promising. Legislation to change the negative approach of the PUC to community choice programs has been suggested. Assembly woman Monique Limon had a bill in the last session of the Legislature but it did not have broad support and failed.

The State **Lands Commission** has updated us on their work on the abandonment of Platform Holly and Pier 421 at Ellwood. After four years of non-use and the prospect of very heavy equipment to be used in the abandonment process, the platform needed extensive repairs. That work is proceeding satisfactorily but it is going to be a long time before that platform disappears from the Ellwood seascape.

Jean Holmes, Committee Chair

A MESSAGE FROM LWVUS PRESIDENT

Empowering Voters. Defending Democracy.

”[Dear LWV Member]

Yesterday [November 6] was a historic day. More women elected to office than ever before. The first Muslim and Native American women, the first black woman from New England, the first Latina women from Texas—all elected to Congress. Record high voter turnout for a midterm election. Voting rights expanded, with redistricting reforms and expanded registration passed in at least six states.

All year long, League volunteers across the country have been registering voters, reaching out to tens of thousands of candidates to provide more information on VOTE411.org [in California Leagues use Voter’s Edge] than ever before, and hosting hundreds of debates and forums so that voters could learn about the issues and engage with the politicians looking to represent them.

And on Tuesday we turned out the vote!

I am so proud of this organization and our dedicated network of volunteers, supporters, and engagers. Thank you for sharing our resources. Thank you for registering voters. Thank you for asking your friends and families to make an Election Day plan. And thank you for turning out and getting it done!

Now our work continues.

Together, the League will continue our work to create a more perfect democracy so that ALL Americans enjoy the same liberties and freedoms.

With your help, we will register more new voters, provide more nonpartisan information on candidates, and host more debates and forums in future elections.

We will continue to raise the voices of those least heard in this country—communities of color, the young, persons with disabilities, and people with limited income.

Our democracy is truly strongest when everyone participates and has their voice heard. Yesterday, voters made huge steps toward full participation. But we still have so far to go.

We look forward to continuing our work together.”

Chris Carson
President [League of Women Voters US]

Membership

WELCOME, WELCOME

We welcome Mary Byrd, Richard Dow, Teena Grant, Laura Jackson, Susan Moore, Anthony Moran, Ravae Moran, Hilary Peattie, Diane Siegal, Claudia Sole, Shela West and Diane Wolf to League since the October/November Channel Voter was published. How wonderful to welcome these new members and we encourage their participation in all avenues of League life. How are you participating?
