### Priority #1: Climate Change

- Most urgent and important issue of the year, decade, century
- Stakeholders... every person alive and many future generations
- Lifestyle changes required... Solano County will be greatly affected by sea-level rise
- What Can We Do?
  - Small group study and community outreach
    - Measuring Our Carbon Footprint
    - 30-day Challenge to Lose 5000 Pounds
  - Join LWV California workgroups

### Priority #2: Homelessness & Housing

- State and local problem... continuing to worsen
- Stakeholders... veterans, minimum wage workers, families, commuters, everyone
- Housing resources becoming more and more scarce and unaffordable for many
- What Can We Do?
  - Small group study and community outreach
    - Interviews with County Supervisors and City Mayors

### Priority #3: Voter Rights & Education

- 2020 is an election year at ALL levels
- Stakeholders... every person who receives government services and every voter
- We are League of Women Voters... “democracy is not a spectator sport”
- What Can We Do?
  - Voter education & advocacy in a pandemic
