Join Forces to Recognize a Community Hero of the Week

The League of Women Voters is a national organization with local leagues in all fifty states. Their mission since their founding in 1920 has been to empower voters and defend democracy. This year, the League of Women Voters of Tarrant County celebrates the League's centennial anniversary, as well as the centennial

of the 19th Amendment's ratification, which constitutionally guarantees women the right to vote. The League envisions a democracy where every person has the desire, right, knowledge, and confidence to participate. They are a nonpartisan political organization that does not endorse or oppose any political candidate or political party. They also partner with other nonpartisan organizations throughout Tarrant County to more effectively accomplish their mission.

To accomplish their mission, the League conducts voter registration, candidate forums, issue forums, and publishes nonbiased Voters Guides. They maintain the website, [VOTE411.org](http://VOTE411.org), which provides voters access to all the information they need for informed voting. Through this website, you can check your voter registration status, find county polling locations, research information about candidates, learn about mail-in ballots, dates for early voting, and election polling sites. The local League's website, [lwvtarrantcounty.org](http://lwvtarrantcounty.org), also provides links to track the status of your mail-in ballot and links for finding wait times at the various polling locations in Tarrant County.

**Thank you to the League of Women Voters of Tarrant County for the outstanding work you do to further democracy in our community. You are true heroes!**
