## THE HUDSON VOTER

Hello LWWH!

Streets were closed, basements were flooding but 36 guests attended LWWH's Annual Social.

This year will be remembered as EPIC! (For those of you dealing with issues from the storm, your League family is here if you need anything!)

At the Social, Inge videoed members answering the question: "Why is Voting Important?" Inge says she got some great footage and will be looking to video some more of us soon to make a video to reach out to younger voters.

Tracey Mackay, Hudson LWW President

Voting is important to me because the people we elect into positions of power make decisions, enact laws, and create a society that will affect the lives of our children and grandchildren for decades. Let's give them a positive future that is educated, safe, and healthy.

The Hudson City School Open Houses are coming up. Please check out this [Sign-Up Genius](#) to find a date to volunteer. The Open Houses are a terrific way to introduce LWWH to the public and offer voting information to busy parents. (Plus, I love seeing the kids! That's why I do what I do!)

New Voter Kits will be available by 8/14. Call, text or email me to get yours! Two great ways to learn to register voters is 1) sign up and register with an experienced member 2) go our [website](#) and login to see the Member Only page on the menu. Click on it and you will see the PPT on How to Register Voters. You'll also see photos from our August Social.

The Citizens Not Politicians Campaign has begun! Contact [Lorann Murphy](#)

## We Need Volunteers for Hudson Schools' Open Houses for Parents Aug-Sept

Meet newcomers to Hudson! Join us at a Voter Registration Table at the Hudson School Open Houses. It's a great way to advertise our League, explain what we do, recruit new members, and register (or update) voter registrations. We'll be at all the schools in the coming weeks- 8/19 to 9/4. Please sign-up by using this [LINK](#). You can sign up with friends. Even if you are new to our League, please sign up and learn how to register voters from another member.

## Citizens Not Politicians Campaign Needs Your Help!

It's time to volunteer! We need to educate the public about this very important amendment that will be on the ballot. Here's how you can help:

- Attend the **Sept 12, 6:30pm** meeting at the library and bring friends, neighbors, family member to the presentation about the amendment.
- **Hold a house party** where you invite your friends and neighbors to your home, provide a few refreshment and introduce one of our trained CNP speakers to talk about the amendment and answer questions.
- Sign up here to register voters and at the same time **talk** to them about voting for this amendment and how important it is.
- Join the CNP **Speaker's Bureau** and get training on how to present the PPT presentation.
- Volunteer to **distribute literature, knock on doors, write postcards, etc.** Choose what you prefer to do and let [Lorann Murphy](#) know.

## Next Book for LWVH Book Club Is Your Choice

LWV Hudson Book Club  
August 15 , 7pm  
Kathy Battaglia's Home

At our last book club meeting we decided that for August's meeting we would have everyone choose their own book to read and tell the rest of the club about it. The topic is "disinformation" and there are many books on this topic. We can't wait to hear what you learned! So, attend our LWV Hudson Book Club and tell us about your book. Bring a friend! Non-members are welcome. Please [RSVP](#).

## Have Your Own Postcard Party!

Invite all your friends over to your house and have them write

postcards urging women to vote.  
It's easy. Just go to this [LINK](#) and order 20 (or 100?) postcards. They are pre-printed and pre-stamped. If you want to invite other LWWH members to your party, let [Inge](#) know and she'll put it in this newsletter.
