PRESENTATIONS:

FUND BALANCE (Scott Brady)

The college is required to have 50% of their total expenditures for the year restricted. The presentation noted areas where the restricted fund balance needed to be increased :

1. Benefits 14.5M
2. Facility Capital expenditures (planned) 60M
3. Master facility expenditures 44M

The calculations assume a 1% levy increase over 5 years and a \$1/year tuition increase each year

- ITEMS pulled for discussion:
- A – semantic update by Bernstein, Fenne amended, Markwell 2nd, motion carried
 - E - Semantic update by Bernstein, Markewell amended, Fenne 2nd, motion carried
 - J – Gun Range clean up only received 1 Bid the Board did discuss pulled as one member voted NO because nothing to compare to, specialized area and COD range is large it is a bigger scope then the specialized niche company bid. NOTE: the winning bid was a minority owned business. Hollan amended, Corrigan 2nd, motion carried
 - L – Treadmill purchase – noted the vote was to void the original bid offers as the specs were not clear to the type of equipment the the Fitness Center really needed to be sustainable in cost and function. A new request for bid will be forthcoming with clearer guidelines to the type of equipment.
 - R,S – 2 members not in attendance asked to abstain as they were not at the meeting the minutes were being approved for. Holland made motion, Markwell 2nd and motion carried
- Chairman Napolitano suggested Board Members watch the video if they are not in attendance to allow them to vote on the minutes (of course there is no video for Closed session)
