# Hancock Public School Operating Millage Proposal

City of Hancock  
Franklin Township  
Hancock Township  
Quincy Township

## PROPOSAL SECTION

### LOCAL SCHOOL DISTRICT PROPOSALS

#### HANCOCK PUBLIC SCHOOLS OPERATING MILLAGE PROPOSAL

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and provides for restoration of millage that may be lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hancock Public Schools, Houghton County, Michigan, be renewed by 18.8653 mills (\$18.8653 on each \$1,000 of taxable valuation) for a period of 10 years, 2020 to 2029, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 10 years, 2020 to 2029, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2020 is approximately \$1,228,690 (this is a renewal of millage that will expire with the 2019 levy and the addition of millage which will be levied only to the extent necessary to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?
