### **National League Convention To Be Held as a Virtual Gathering.**

LWVUS President, Chris Carson, recently made this announcement in the bi-monthly League Update. "...the LWVUS Board and staff have been observing the COVID-19 pandemic closely and considering how it could impact our upcoming 54th LWVUS Convention. This was far from an easy decision but with the health and safety of our members as our primary concern, we have decided to transition Convention to a virtual event. We are still working through the details of hosting Convention virtually and are dedicated to making this a celebratory and productive experience. All news about Convention can be found on [the League Management Site](#) and we will provide further announcements and instructions as we have them." If you don't receive the League Update from LWVUS you can sign up for it here [signup\\_page/league-update](#)
