Donation to LWV New York State Education Foundation

If you would like to make an additional donation that is tax-deductible to the LWV, please consider the League of Women Voters of New York State Education Foundation. Donations to the foundation that designate LWV of the Cooperstown Area will be held until we request funds for a particular educational project. Project examples include voter services activities, fact sheets, Students in Albany, and citizen education programs. There are two options for making this donation:

1. Write a separate check made payable to **LWVNYSEF** and enclose it with your dues. The LWVCA treasurer will send this separate check to the LWVNYS office.
2. Donate online to the LWVNYSEF by going to this Web page:

<https://ljlwvny.org/donate-to-the-lwvnys-education-foundation-ef/>

You will have the opportunity to designate our local League as the beneficiary for this donation.
