Citizens Not Politicians

The Citizens Not Politicians Amendment Can Fix It!

What does Citizens Not Politicians mean? It means that CITIZENS will draw the new district maps for voting, and NOT POLITICIANS. The bi-partisan group who were charged with drawing the maps a few years ago did not draw fair districts. So, now let's let non-politicians draw the maps. But, first we have to get the petition signatures so the issue can be put to the vote in the Nov. 2024 election. So, let's all get trained on how to collect signatures for this very important petition to stop gerrymandering:

- April 17, noon, zoom meeting, [REGISTER](#)
- April 30, 6pm, zoom meeting [REGISTER](#)
- OR, listen to this [recording](#), look at these [slides](#), then take this [quiz](#).

If you have any questions contact [Trevor Martin](#)

To be fully informed review these documents:

About the Petition:

The LWV of Ohio is joining forces with other Leagues and Common Cause Ohio to obtain signatures on the Citizens Not Politicians Amendment. This amendment:

- Creates the 15-member Ohio Citizens Redistricting Commission made up of Democratic, Republican, and Independent citizens who broadly represent the different geographic areas and demographics of the state.
- Bans current or former politicians, political party officials, lobbyists, and large political donors from the Commission.
- Requires fair and impartial districts by making it unconstitutional to draw voting districts that discriminate against or favor any political party or individual politician.
- Requires the commission to operate under an open and independent process.

2024 Annual Meeting

Photos from Last Year's Annual Meeting. Above: Kathy Gerrard gives a presentation. Top R: Hillary Sullivan, Connie Blohm, Diana Kunze, Marcia Boote, Rosanne Thomas Bottom R: Karen Leith, Carol O'Connell and Kate Jones.

Our Annual Meeting is May 9th at 6:30pm at Barlow Community Center 41 S. Oviatt Street, Hudson. At this meeting we will discuss and vote on upcoming LWVH action. A quorum of members is required for this meeting so please plan to attend.

1) LWVUS is changing the membership system. Members will pay LWVUS directly. Currently you pay your local chapter then our

treasurer pays LWVUS and LWVO their portion of your dues. The new system will work in reverse with the local chapters receiving payment from LWVUS. There are a lot of questions still to be answered.

We expect that this new system will allow us to change our communication platform. This will be less cumbersome for our committee but generally seamless for our members. *If you have technical, social media, or writing skills the communications committee could really use your help!*

2) **LWVH is considering changing from a 501c4 to a 501c3.** At the Annual Meeting you can expect to hear the pros and cons of each and then we'll vote on how to proceed and if needed, vote on the appropriate amendments to our Bylaws.

3) **We will vote in new LWVH Board Officers.** If you are interested in joining the board, the nominating committee is interested in you! Contact **Arlene**.

4) **Member input requested!** Do you have any suggestions for a possible study or particular program?

LWV US Convention is June 27-30 in Washington DC

You can register now [here](#). You can also attend virtually.

Immigration is one of the most misunderstood topics in America. What we believe about immigration is based largely on myth, not facts. In *Streets of Gold*, authors Ran Abramitzky and Leah Boustan, provide ten years of pioneering research and new evidence about the past and present of the American Dream, debunking the myths.

Topics cover immigrants' upward mobility, assimilation, effect on the economy and why many current policy proposals are so misguided. Join us at our next book club meeting where discussions are always lively and informative! Please RSVP to [Kathy](#).
