**The Los Angeles Regional Water Quality Control Board
Invites the public to a
Public Information Open House**

The purpose of this event is to answer questions and share information about the ongoing environmental investigation of soil, soil vapor, and groundwater being conducted by the Hi-Shear Corporation in the cities of Torrance and Lomita under the oversight of the Los Angeles Regional Water Quality Control Board.

When: Thursday, December 5, 2019 from 6:00PM – 8:00PM

Who: The Los Angeles Regional Water Quality Control Board, the Office of Environmental Health Hazard Assessment and the City of Lomita

Where: Los Angeles County Public Library – Lomita
Lomita Library Don Knabe Community Meeting Room
24210 Narbonne Avenue, Lomita, CA 90717

Light refreshments will be provided. To provide flexibility for attendees, this meeting will be an open house format with poster board displays providing information on various aspects of the investigation. Los Angeles Regional Water Quality Control Board staff will be there to guide attendees through the information and answer questions one-on-one.
