

**K.A. Johnson Builders, Inc.  
25 Reed St.  
Marblehead, Ma. 01945**

**5/22/21**

**My name is Karl Johnson. I am running for re-election to the MHL D Board of commissioners.**

**My wife Beth and I have lived in Marblehead for 40 over years. I own K.A. Johnson Builders doing most of my work in Marblehead.**

**My wife owns Energy Within, a fitness studio in Marblehead. She is also the founder and previous owner of Energy Works.**

**Both businesses have operated for over 40 years in Marblehead.**

**My background includes:**

- 1. Batchelor of Science**
- 2. Masters in education administration**
- 3. Ma. Construction supervisor license**
- 4. Ma. Home improvement license**
- 5. Ma. Real estate brokers license**
- 6. Former Planning board member**

**The job of the MHL D is to provide reliable, affordable and safe electric service to the town. In doing this we also have to do our part in reducing the use of fossil fuels. We have to focus on implementing local, state and federal standards for emission control. While doing this we also to have to maintain and increase our inforstructure to accommodate all the changes. This takes planning and coordination. As a member of the MHL D board of commissioners I know that we have been ahead of the curve on dealing with these issues.**

**I'm looking forward to continuing working with the MHL D moving in the challenging and exiting times to come.**

**Thank you for your support,**
