VOTERS DESERVE TO HEAR DIRECTLY FROM CANDIDATES!

**Contact your candidate to request that they
respond to VOTE411's Voter Guide!**

Every election, the League of Women Voters produces
nonpartisan voter guides designed to help voters
understand where candidates stand on the issues
voters care most about.

However, despite repeated outreach, some candidates
have not yet answered our questions. The more voters
who contact candidates, the more likely they are to fill
out their voter guides. Together we can hold
candidates accountable for providing us with the
information we need.

Call, email or reach out to your candidate via social
media.

Sample message:

*As voters, we want to hear where our
candidates stand on the issues. That's why
we're calling on **[candidate]** to respond to
VOTE411's Voter Guide so we can be informed
before casting our ballot!*

***If your candidate has answered our questions,
thank them!***

Reject Overly Strict Voter ID Requirements

Congress is advancing legislation that would require voters to present a limited set of government-issued IDs to vote in federal elections, creating new barriers for many eligible voters. Election officials already verify voters' identities, and voter impersonation is already illegal. Millions of Americans could face unnecessary obstacles under these requirements. Tell Congress to oppose the Voter ID Act and protect every eligible voter's freedom to vote.

Hey! The Voter ID Act could make it harder for eligible Americans to vote. Contact your members of Congress and urge them to oppose it. <https://www.lwv.org/take-action/tell-congress-reject-strict-voter-id-requirements>
