**About our speaker:** Originally from Chicago, Arthur Havlicek moved to Southwest Michigan with his family when he was eight-years-old. They settled in the beautiful town of Bridgman. Arthur graduated from Lake Michigan Catholic High School and attended Grand Valley State University in Grand Rapids earning a degree in political science and public administration. He began working in politics on campus and has since amassed nearly a decade of public sector experience that spans the local, state, and national levels. His understanding of politics and policy eventually led him to the Michigan House of Representatives where he worked for five years. As President of the Southwest Michigan Regional Chamber, Arthur works to keep Southwest Michigan a great place to live and work.
