

LEARN WHY YOUR MARCH 2020 BALLOT IS DIFFERENT FROM ALL OTHER BALLOTS

- **A lot has changed about how we vote, where we vote, and what we vote for.**
- **Bring your sample ballot, your election “junk mail.”**
- **Participate in a discussion about the new ballot format, the difference in your “polling place” and more.**
- **This will be a nonpartisan conversation, NOT focused on either party’s primary, but on the new system for elections in Los Angeles County.**

**MONDAY, FEBRUARY 10, 2020
LOREN MILLER PARK RECREATION CENTER
7:00 - 8:15 P.M.**

Presented by Mona Field, Professor Emeritus Glendale Community College, author *California Government and Politics Today*, 15th ed. Pearson
