# VOTING 1-2-3

## Step 1: Register to vote by the deadline:

- The deadline to register to vote in the November 6 general election is October 9.
- Who is eligible? You must be a U.S. Citizen, 18 years old or older by the general election, an Ohio resident for at least 30 days before Election Day, not currently incarcerated for a felony conviction (people with prior convictions may register to vote), have not been declared incompetent to vote or denied the right to vote by a court.
- Register to vote or check your registration **online** at [www.MyOhioVote.com](http://www.MyOhioVote.com) or by calling your county Board of Elections.
- If you moved, changed your name, or have not voted in a few years, you may need to update your registration.

## Step 2: Decide how you want to cast your ballot:

- **Vote by mail** – Fill out and send in an absentee ballot request form. This year the Secretary of State will automatically send an absentee application to every Ohio registered voter, or you can request one by calling your county Board of Elections.
- **Vote early in-person** – Registered voters may vote early at your county Board of Elections. Early voting will begin on October 10 for the November 2018 election.
- **Vote at your polling place on Election Day** – Election Day is Tuesday, November 6, 2018 for the general election. Polls are open from 6:30am to 7:30pm. By law, if you are in line at 7:30pm, the polls must stay open to allow you to vote. Note that polling locations and precincts may have changed, so it's a good idea to confirm your location before you go vote by looking it up online at [www.MyOhioVote.com](http://www.MyOhioVote.com).

## Step 3: Make sure you have an acceptable form of ID:

- **Ohio driver's license or state ID card** with your name and photo. The card must be current (not expired), but it can have an old address.
- **U.S. Military ID** with your name and photo (address not required).
- **Unexpired government ID** with your name, current address, and photo. Student ID is not accepted.
- **Original or copy of one of the following documents** with your name and current address: utility bill (including cell phone bill), bank or financial advisor statement, pay stub, government check, or other government document. Must be dated within the last year.
- If you do not have any of the above, you may use the **last 4 digits of your Social Security number, but you will have to vote a provisional ballot**. It will be counted so long as the number matches your voter registration. Be sure to complete all fields on the form.
