

LWVGH REQUESTS YOUR COMMENTS ON EARLY VOTING

The early voting referendum on the November 2022 ballot in Connecticut passed! However, there is more work to do for early voting to become a reality in the state. Passage of the referendum means that the General Assembly can move forward developing an early voting program. Details of this initiative will be worked out in the session from January 4, 2023-June 7, 2023.

To that end, the LWVGH asks for your comments on what early voting might look like in Connecticut, as input to efforts at the LWVCT level and for our local League. We seek to collect members input on early voting now, while ideas for League activity are formulating.

Comments can address any aspect of early voting, such as duration, location, educational activity, etc. Please send them no later than January 8, 2023, to lwvgreaterhartford@gmail.com. Thanks in advance for your assistance.
