

National Voter Registration Day!

Two opportunities to help register voters on September 20:

Celebrate the women of color in the fight for voting rights, past and present, and help others register to vote. Enjoy the special plaque unveiling ceremony and the traveling exhibit, "The Work Must Be Done: Women of Color and Voting Rights", part of a larger project to tell their stories. Read more [here](#). The event is at the Legislative Office Building from 12:30pm to 2:30pm.

The Old State House is sponsoring a Voter Registration Drive and offering free admission to the museum to those who are registered to vote or register that day. The event is from 12:00pm to 4:00pm.

Please contact lwvgreaterhartford@gmail.com for either event.

All one needs is a cell phone to make and receive calls. Everyone is welcome, including non-members. If you would like more information, please contact:
