This is an ONLINE LESSON called, "VOTING MADE EASY" from the League of Women Voters of Greater Pittsburgh.

1, Nonpartisan; this means we will give you information about our democracy, our political system/elected officials and how to vote. We will be fair to all. We will tell you about the elected officials you can vote for, but we will never tell you WHO to vote for. *That is your decision.*

2. *Men* are members of the League of Women Voters, too!

3. In 1920, the 19th AMENDMENT to the CONSTITUTION finally gave ALL WOMEN the RIGHT to VOTE.

The League of Women Voters is celebrating its 100th birthday this year! It was created 100 year ago by the women who worked fearlessly to give women the right to vote.

Do you think voting and registering to vote is confusing or hard to do? This lesson, called “Voting Made Easy” will help.

First, let’s review CHANGES to VOTING RIGHTS from the time our country started.

1. Who were the FIRST citizens to vote? (WHITE MEN WITH PROPERTY)
2. Who were SECOND? (After the Civil War, AFRICAN-AMERICAN MEN got the right to vote with the 15th AMENDMENT.)
3. Who were THIRD? (In 1920, ALL WOMEN got the right to vote with the 19th AMENDMENT.)

Did you know that poll taxes and literacy tests were some of the ways people in power stopped black men and women from voting. (The VOTING ACT of 1965 ended RACIAL DISCRIMINATION IN VOTING.)

4. What was the LAST change? (In 1971 the VOTING AGE CHANGED FROM 21- TO 18-YEARS OLD with the 26th AMENDMENT.)

In the late 60's, because of the VIETNAM WAR, many people (especially young people) thought it was WRONG that 18-yr-olds who could not vote were being DRAFTED (like a lottery) to fight in a war.

"Old enough for war, but not old enough to vote".

So MANY citizens (and especially young people) PROTESTED and in 1971 the voting age changed to 18-years old.

THAT MEANS WHEN YOU TURN 18 you have the very ADULT RIGHT AND RESPONSIBILITY to REGISTER TO VOTE and then to VOTE IN EVERY ELECTION!

Do You Know These People?

Who is this guy?

- **JOHN FETTERMAN** is the 6'8" tall, guy with the beard and former Mayor of Braddock. (A little town in Western PA).
- He is a DEMOCRAT and was elected in 2018 to be the Lt. Governor of Pennsylvania, second only to Governor Wolf! He doesn't look like Harvard graduate, does he?
- What are his tattoos about? (They are the dates of *people who died violently* in his town when he was mayor.)
- He felt it was his job to help the people in his town and that he failed to help those people who died.
- He loves working in government.

Who is this lady?

- **NIKKI HALEY** is the former (first woman) Governor of South Carolina, appointed by President Trump to be Ambassador to the United Nations. She served for one year.
- She is a REPUBLICAN and a rising star in her party. She loves working in government, too.

These people each made big leaps—leaps possible in America.

Do you think one day you might like to work for Government?

Essential Questions

- Why Vote?
- Who?
- What?
- When?
- Where?

- How???

your **VOTE**
is your **VOICE**

© 2020 League of Women Voters of Greater Pittsburgh

You know all about **ESSENTIAL QUESTIONS**; We will try to answer them all.

WHY would people like John Fetterman and Nikki Haley **WANT TO WORK** in Government? (To make a change, to make a positive difference in citizens' lives. *What other reasons can you think of?*)

Do you agree that "Government" gets a bad rap? (Why or why not?)

BUT, think about all of the ways **GOVERNMENT LAWS AND REGULATIONS** keep citizens **HEALTHY AND SAFE and KEEP ORDER**.

- **PRODUCT SAFETY** (safe toys, safe make-up),
- **FOOD SAFETY** (checks at restaurants, recalls of food that cause illness),
- **PHYSICAL SAFETY** (seat belts, car seats for kids, speed limits),
- **WORKERS SAFETY** (must be 16-years-old to work, hours of work limited),
- **ENVIRONMENTAL SAFETY** (laws for safe air and water).

Essential Questions

- Why Vote?
- Who?
- What?
- When?
- Where?

- How???

your **VOTE**
is your **VOICE**

© 2020 League of Women Voters of Greater Pittsburgh

Do you know anyone who works for Government?

Think about people whose jobs depend on TAXES—like TEACHERS IN PUBLIC SCHOOLS, police, fire fighters, people who work for agencies like Social Security or the FBI. Can you think of any others you know?

THE GOVERNMENT OFFICIALS WE ELECT MAKE THE LAWS AND REGULATIONS THAT AFFECT US ALL.

“YOUR VOTE IS YOUR VOICE”. VOTING is one way to have a say in how government affects you.

WHY Vote in Every Election?

Why Voting is Important in a Democracy?

Our government affects many parts of our lives from *schools and careers* to *health care* to the *environment*

Voting is an important right in our society

By voting, **you make your voice heard** on how you think your government should operate

Right now, there are things you **CANNOT CONTROL**—curriculum, testing, curfews, **SCHOOL CLOSURES!**

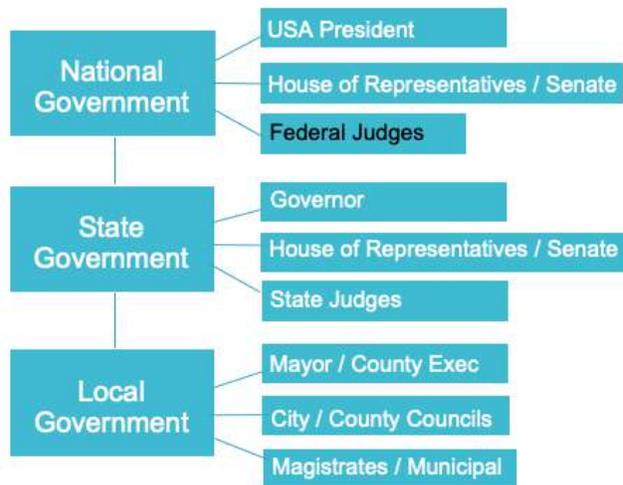

But there is one thing **YOU CAN CONTROL** when you turn 18-years-old; **YOUR RIGHT AND RESPONSIBILITY TO VOTE.**

YOUR VOTE MATTERS. YOUR VOICE MATTERS. AND VOTING MAKES YOUR VOICE HEARD!

Did you know that some elections are decided by a flip of a coin --like a congressman in the Virginia Legislature who won in 2017?

*Local and State elections (called Municipal Elections) can be very close, where **EVERY SINGLE VOTE** can make a difference.*

WHAT do we Vote for?

© 2020 League of Women Voters of Greater Pittsburgh

A quick [Civics or Government](#) lesson;

There are three LEVELS of GOVERNMENT; National (Federal), State and Local

There are three BRANCHES in each;

- Executive (President, Governor or Mayor),
- Legislative, (Representatives and Senators who make the laws), and
- Judicial (Judges at all levels. “Magistrates” help when someone breaks local laws.)

TRICK QUESTION: Why are “FEDERAL JUDGES” printed in BLACK? (Because they are APPOINTED BY THE PRESIDENT AND THEY SERVE FOR LIFE!)
So when you elect a President, you are also electing the JUDGES he may select (and the Senate approves).

Everyone else printed in WHITE are the ELECTED OFFICIALS WE VOTE FOR.
WE VOTE FOR THEM TO WORK FOR US!

DON'T Be Negative About Voting

Gwen Ifill on VOTING:

"Voting is the one thing I believe I must do and we all must do and certainly this last election showed that every single vote counts. We also have to hold our elected officials responsible to us even when they are playing to our cynicism. Counting on it, it's a fact. As you go about your lives, you cannot let them count on you to be cynical." (A Shining Light, Mary LeClair)

CHRIS ROCK ON VOTING:

"They don't want you to vote. If they did, we wouldn't vote on a Tuesday. In November. You ever throw a party on a Tuesday? No. Because nobody would come." *New York*

Let's have a quick [Vocabulary](#) lesson:

Do you know what these words mean? "[SKEPTICAL](#)" and "[CYNICAL](#)"
Which would you rather be?

SKEPTICAL (unsure, questioning, OPEN)
CYNICAL (negative, no interest, CLOSED).

Some kids say, "Voting is not for me". We can understand feeling like your vote doesn't matter.

*But these people have something to say about that! **READ QUOTES.***

DON'T LET ELECTED OFFICIALS COUNT ON YOUNG PEOPLE TO BE SO "CYNICAL" THAT THEY DO NOT VOTE!

Here are many **ISSUES** or **PROBLEMS** we need to SOLVE or IMPROVE in our country.

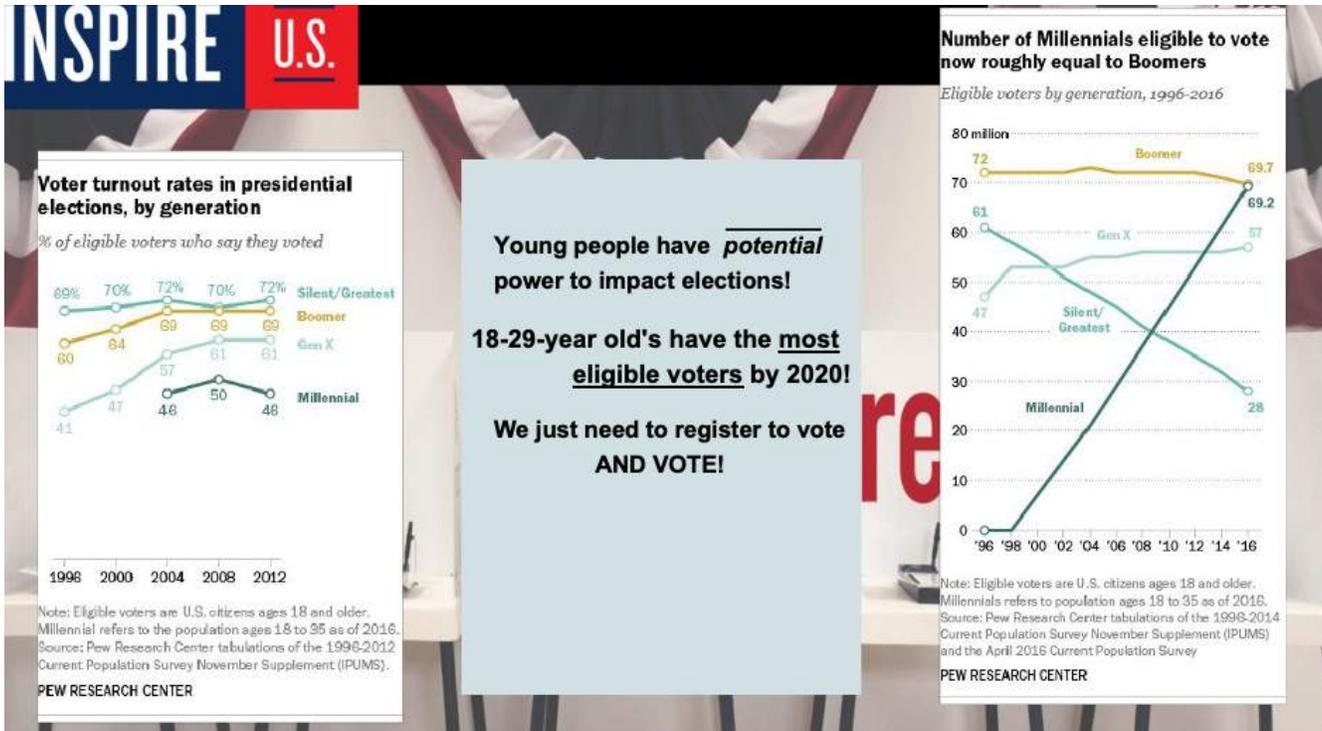

WHAT issues do you care about the most?

(Take a minute to message a friend—does your friend care about the same issues you do?)

If you could ask the **older people in your life** (parents, grandparents, aunts, uncles) what would they say they care most about?

(Take a minute to ask the older people in your life!)

ARE YOUR ISSUES THE SAME AS THE ISSUES THE OLDER PEOPLE IN YOUR LIFE CARE ABOUT?

Graph on the LEFT: The bottom line is the number of young people who vote and the top lines are older people who vote.
WHO VOTES MORE? (OLDER PEOPLE)

PICTURE THIS IN YOUR MIND:

Six (6) of your classmates are standing in front of you. They represent ALL of the young people AGES 18-29 who COULD VOTE in the US.

- How many of these young people REGISTERED to vote in the 2016 Presidential Election? (If you said, "Half of them, 3 in 6", you would be correct.)
- How many ACTUALLY VOTED in 2016? (If you said, "1 in 6", you would be correct. Only 1 in 6 young people ACTUALLY VOTED in 2016!)
- **HOWEVER, we doubled that number and in 2018, 2 in 6 young people actually voted.**

That is BETTER— 16% in 2016 and 30% in 2018--BUT NOT GOOD ENOUGH!

INSPIRE U.S.

Power in Numbers!

Voter turnout rates in presidential elections, by generation

% of eligible voters who say they voted

Year	Silent/Greatest	Boomer	Gen X	Millennial
1996	69%	60%	47%	41%
2000	70%	64%	57%	48%
2004	72%	69%	61%	50%
2008	70%	69%	61%	48%
2012	72%	69%	61%	48%

Note: Eligible voters are U.S. citizens ages 18 and older. Millennial refers to the population ages 18 to 35 as of 2016. Source: Pew Research Center tabulations of the 1996-2012 Current Population Survey November Supplement (IPUMS). PEW RESEARCH CENTER

Young people have *potential* power to impact elections!

18-29-year old's have the most eligible voters by 2020!

We just need to register to vote AND VOTE!

Number of Millennials eligible to vote now roughly equal to Boomers

Eligible voters by generation, 1996-2016

Year	Boomer	Gen X	Silent/Greatest	Millennial
'96	72	61	47	0
'00	72	57	57	0
'04	72	57	57	0
'08	72	57	57	0
'12	72	57	57	0
'14	72	57	57	0

Six (6) of the OLDERST PEOPLE you know are lined up in front of you. Guess what? ALL OF THEM ARE REGISTERED VOTERS AND ALMOST ALL OF THEM VOTE IN EVERY ELECTION (5 1/2 out of 6)! That is why older people are called “Super-voters”.

HERE IS THE MOST IMPORTANT THING TO REMEMBER;

Whose ISSUES do ELECTED OFFICIALS care about if mostly older folks are voting? (If you said, “OLDER PEOPLE’S ISSUES” you would be correct!)

The **GOOD NEWS** is that in 2020, 18-29-year-olds will have the **MOST POSSIBLE VOTERS!** (Far right and middle charts).

YOU will have the POWER to affect the 2020 elections. You just need to USE YOUR POWER to REGISTER and then to VOTE in EVERY ELECTION.

And BRING YOUR FRIENDS!

When young people get involved...things change!

The **Civil Rights Movement** - began with students participating in sit-ins at restaurants that refused to serve people of color

Lowering the voting age from 21 to 18 - As young people were being drafted into the military, a pressure arose to allow those old enough to be drafted the opportunity to vote (the 26th Amendment)

Young lawmakers - A few years ago, the nation's youngest lawmaker was elected in West Virginia, Delegate Saira Blair. She actually began her run in the state's primary election in the spring of her **senior year of high school**

Present day - We are seeing students voice their concerns about gun violence in schools. In WV, during the **teacher strike**, some high school students spoke out, protested, or posted on social media

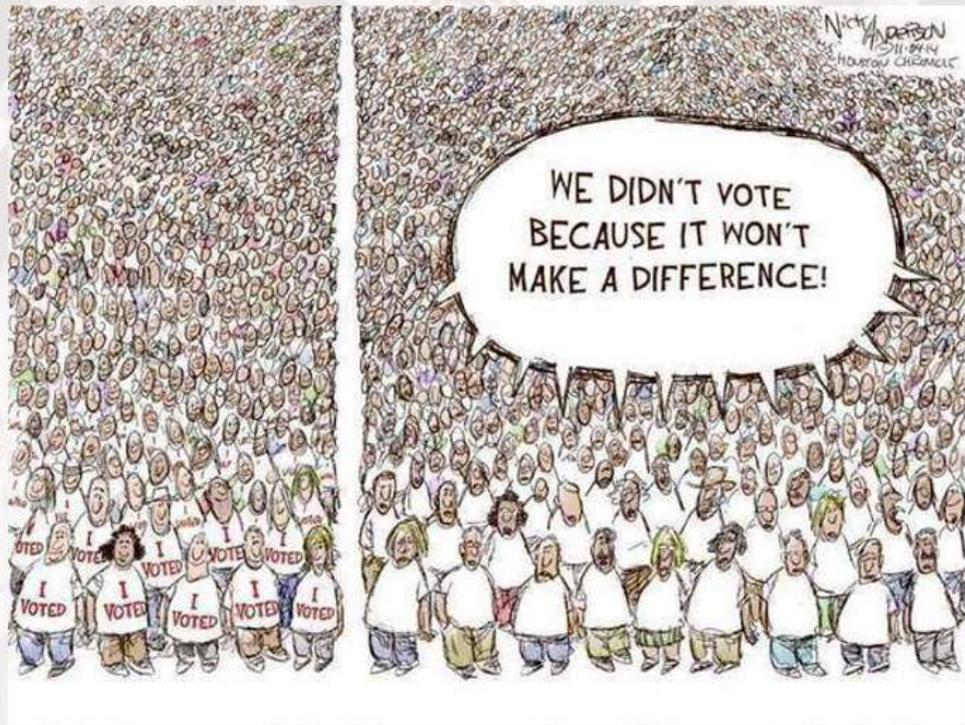

- Across the country there is an increased focus on **Voter Access**
- **2018 midterm election**: the youngest and most diverse Congress (House of Representatives) in history!

Because, when young people get involved, **THINGS CHANGE.**

*Note an increased focus on **VOTER ACCESS**—that means bringing down barriers to easy voting.*

Note the youngest and most diverse House of Representatives in history were elected in 2018!

Remember that many elections are close—some decided by one vote or a flip of a coin.

You WILL have the POWER to make a difference in 2020.

You are
already
a VOTER!

If you have a cell phone, you “VOTE” everyday– every time you “like” or “heart” something!

But when you do something as IMPORTANT as VOTING IN AN ELECTION, you need to make a **GOOD DECISION**.

- Use your **BRAIN** to do some RESEARCH from reliable sources,
- Use your **FEELINGS** to figure out who CARES about what you do, and
- Use the **WISE PART** of you to figure out the difference between RIGHT AND WRONG.

*A Definition of “POLITICAL PARTIES” in the US:

- There are two major parties in the US; the DEMOCRATS and the REPUBLICANS.
- Two smaller parties; Green and Libertarian. PA has no *“Independent” party* .

A **POLITICAL PARTY** is an organized group of people who have the same ideas, or who see things the same way and who find candidates for elections who will represent those ideas and positions.

EXTENSION: *Do some research to figure out the ideas and positions for each of these parties.*

WHAT Types of Elections and How Many

NEW Primary Date (June 2, 2020)

- Only **two** parties in the Primaries
 - Voters enrolled in the Democratic Party and Republican Party choose their nominees
 - **Closed primaries:** Republicans vote for Republicans; Democrats vote for Democrats
 - *Last day to register to vote for the Primary is May 18*

General Presidential (November 3, 2020)

- **Other parties**, like Green and Libertarian can have candidates on the ballot-(No "Independent" party in PA)
- **Every voter can vote for ANY candidate**
- Straight party voting has been eliminated; must go through entire ballot selecting each one

© 2020 League of Women Voters of Greater Pittsburgh

1. There are **TWO ELECTIONS*** every year; one in the **spring (PRIMARY)** and one in the **fall (GENERAL)**.
2. Voters in **CLOSED PRIMARIES** choose the candidates that will be on the GENERAL ELECTION BALLOT. Only the two major parties (DEMOCRATS and REPUBLICANS) can participate in Pennsylvania's Closed Primary Elections.
3. In a **CLOSED PRIMARY**, Democrats get one ballot and Republicans get a different ballot. Democrats vote for Democrats; Republicans vote for Republicans.
4. Voters must be **REGISTERED** in one of these two parties to vote in a Closed Primary Election. If you check "None" for Party Affiliation you will NOT be able to vote in the Primary Election.
5. To vote in the **JUNE 2 Primary Election**, you must be **18-years-old by June 2** and Register to Vote by the cut-off date of **MAY 18**. *And don't forget, in a Closed Primary you must be registered as a Democrat or Republican.*
6. The following Pages 21 and 22 will explain **Absentee and Mail-in Voting:**
 - **May 26**--the last day to apply for this ballot
 - **June 2**—the last day (by 8pm) the County Board of Elections will receive these ballots

WHAT Types of Elections and How Many

© 2020 League of Women Voters of Greater Pittsburgh

5. In the **GENERAL ELECTION**, anyone can vote for anybody—*the party you belong to, if you have chosen one, doesn't matter*. There might also be other candidates on the ballot besides a Republican and a Democrat. There may be a Green or Libertarian candidate. There is no "Independent" party in PA, but there could be an Independent candidate on a General Election ballot.

It is interesting to think about how having other candidates on the General Election ballot might affect who wins!

6. If it is true that more people vote in General Elections than in Primary Elections, does your vote count even more when less people vote? (YES!)

7. Voting in Municipal (Local) elections can have very close results with a low numbers of voters. Municipal elections really do affect your own life, because you are electing people like school board members, city council members, and magistrates.

*(*There may be additional elections, called **SPECIAL ELECTIONS**, if elected officials leave office for some reason before their terms are complete.)*

WHERE will you be living next election?

- Today, use your home address, to register to vote
- After you graduate, if you temporarily live away from that address (college, military, tech-prep, etc.) you can vote there. You will need to go to [VotesPA.com](https://www.votespa.com) to change your registration information
- Or, you can use an **ABSENTEE** or **MAIL-IN BALLOT** (SEE NEXT SLIDE)

© 2020 League of Women Voters of Greater Pittsburgh

IMPORTANT TO THINK ABOUT:

Where will you be living on NOVEMBER 3, 2020 for the very important PRESIDENTIAL GENERAL ELECTION?

Today you will register to vote using your HOME address. On November 3, 2020, if you are not living at home, you need to decide:

- 1. Do I want to go home to vote at my home polling place? This is easy—just make sure you are home to vote on November 3.***
- 2. Do I want to vote where I now live, BUT for the candidates on my home precinct ballot? (This is especially important for Municipal Elections.)***
You will need an ABSENTEE or MAIL-IN BALLOT. You must start this process 6-weeks before the election (or in the summer).
Apply online at VotesPA.com. When your ballot is mailed to you, complete it and return it to the address provided.
- 3. Do I want to vote where I now live (if still living in PA).***
You will need to change your address on the voter register to where you currently live by going to VotesPA.com at least 15 days before the election.

WHERE Do I Vote? (Continued)

- If you will be living at your current (home) address, you will vote **IN THE POLLING PLACE** listed on your **VOTER REGISTRATION CARD**
- If you temporarily live somewhere else, you are sick or disabled, or it is just your preference, you can vote **BY MAIL**

Get updated information from [VotesPA.com](https://www.votespa.com) at least 6 weeks before election!

- Complete the application for an **Absentee or Mail-in Ballot on-line**
- **Absentee or Mail-in Ballot** must be received by 8:00pm on Election Day

More on [ABSENTEE](#) or [MAIL-IN VOTING](#):

*You must start this process 6-weeks before the election (or in the summer).
Apply online at VotesPA.com. When your ballot is mailed to you,
complete it and return it to the address provided.*

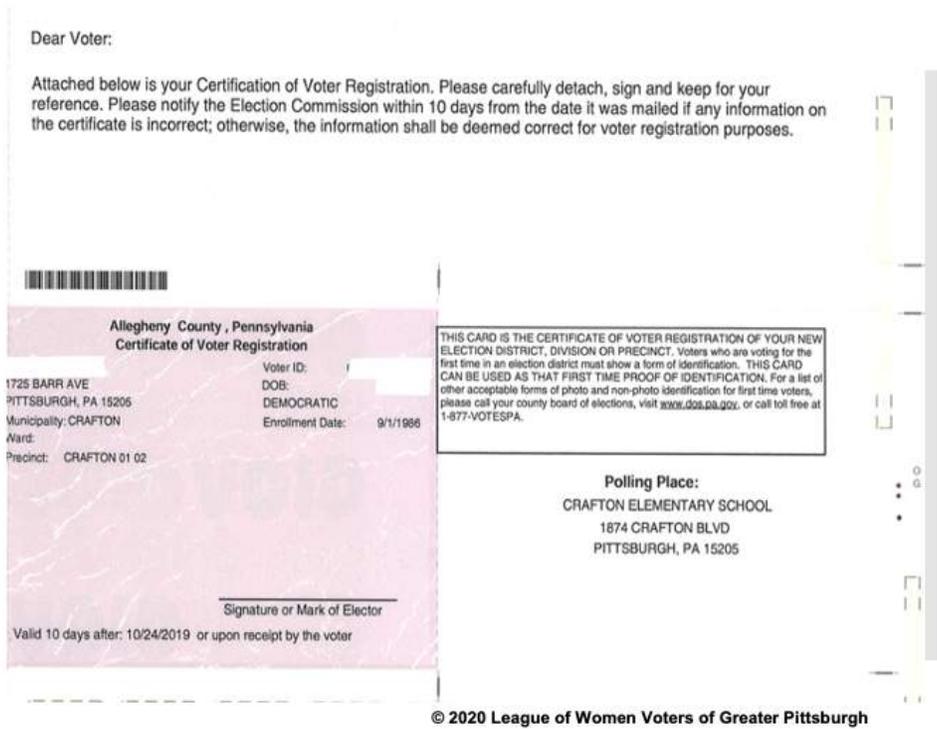

NOTE to those who may be joining the MILITARY:

The rules for voting are different and specific to members of the military. Information about how to vote will be available to you from the military and VotesPA.com.

Remember, no matter how you choose to vote, *in person or by mail*,

YOU have the POWER if you CHOOSE TO REGISTER AND VOTE IN EVERY ELECTION.

Voter Registration ID Card

This is what the **VOTER REGISTRATION ID CARD** looks like; put it in a safe place like your wallet!

The Voter Registration Card shows your address, which party you have chosen if any (in capitals) and your **POLLING PLACE**.

PLEASE NOTE:

AFTER you send in your **VOTER REGISTRATION APPLICATION** today, **AND AFTER you turn 18-YEARS-OLD**, it may take **3-4 WEEKS** before you receive your Voter Registration ID Card in the MAIL.

This new system is not hackable and can be audited.

If you make a mistake you must ask for a new form. Duplicate answers or crossing out answers on a form will result in it being tossed and your vote not counted.

REMEMBER: If you are nervous about voting the first time, think about how everyone gets a little nervous about doing new things. Also remember that EVERYONE will be a FIRST-TIME VOTER with the new voting system.

There will be people at your polling place who will help you—just ask.

**Problem on

Don't leave

- **Know your rights!**
- You can **ask for help** and assistance
- There must be **no discrimination or intimidation**
- **Forgot your ID** when asked for it?

Did you know that "RETURNING CITIZENS" in Pennsylvania;

- *Are those individuals who had been in jail after being convicted of a felony (while in jail they had lost the right to vote),*
- *But once released from jail, will have their VOTING RIGHTS RESTORED (given back!)*
- *They just have to RE-REGISTER to vote.*
